The Co-Presidents Report

Regionalization update.
Zone 8 has now received approval and funding for the regionalization pilot project.

What is the board up to ??
The board has approved a $1200 donation to the RC of Murray Bridge to assist with transportation of our 2 playgrounds to kindergartens in Mongolia. Our donation will assist with transport, customs, duties and fumigation. The kindergartens are run by the "Veloo Foundation" and their mission is:

Our projects involve a number of initiatives which work in concert to improve the lives of the children and families who subsist by scavenging at the Ulaanchuuluut Garbage dump in Mongolia and other impoverished people in the area. We aim to create a sustainable development solution to this problem and our initiatives are designed to complement one another for maximum integrated success.

Bylaws:
The Bylaws changes to recognize the possibility of co-presidents (& other office bearers) have been approved by the board and a vote for approval by the members will take place in 2 weeks.

Committee night new ideas + where to spend money
Next meeting is for committees on May 2. Most committees have completed most of their projects for this year, so there is a great opportunity to think about projects for next year. It is important to get ideas in place especially if a District grant is required. Applications for grants close in August so it is very important to have ideas in place well before.

Some discussion topics might include:

Partnering with a local community group.
Plan for a greater involvement with "Pink & Blue Swim" next February.
Supplying equipment to the new WBSLSC
Donating a "beach wheelchair" for disabled persons.
Sponsoring underprivileged students to participate at AFL max or WBSLSC programs
Volunteering at Calperum
Health of the River program
Assisting 'Trees for Life' local project (located opposite Bunnings)
Support local school, sports or community groups. (We have a trust account set up for assisting underprivileged youth)
Bridging Health – plan ahead so we can get a grant this time.
Events around our Bookmart.
Nominate a member or non-member for a Paul Harris Award

The Co-Presidents Report

A quick update for our KK.
Our visit last Tuesday night was to AFL Max.
They do things on a huge scale there.

We were hosted on our Tour by Sam Rossi. Our internal contact with the AFL Max organisation was Grant Price which has enable our ongoing contact and Tour.

Sam is Manager of their Educational Programs and he has a teaching background.
They have many groups involved and many people within such groups. Some of these groups are from Special Schools and some from Schools with disabled and disadvantaged students. It is the latter that KPR and AFL Max have had mutual discussions about. If we can support and fundraise for these disadvantaged groups then that can enhance the likelihood of AFL Max courses for those schools/students which is positive for the students and AFL Max and if we can utilize a fundraising path within the facility the circle is then complete.
We are still in discussions but the Win-Win-Win has to be the outcome. If you have any suggestions given our visit and viewing of the facilities then please contact Warren or Grant.

It was an excellent awakening for us about what AFL Max does and their future plans.
They will welcome our curiosity visits by your family and friends. There has been some discussion about Rotary D9510 YOUTH programs being held there and with the ideas that evolve from the people and place resources that AFL Max would make happen.

AFL Max is clearly more than the AFL Football connection.

Airport Bunnings next BBQ will happen on Sunday 7th May…..and we have no Tues meeting on Anzac Day 25/4 to circulate a Round Robin.

We will need three shifts as usual. Our learning has been that our middle lunch time shift between 11.30am to 2pm will ongoing need 4 people with the other shifts handled with 3 per shift and perhaps a reserve or two.
I will send a separate email request to people who have volunteered in our past BBQ teams for 2023 to date and ask about their availability for 7th May and what shift they prefer. I will then compile a BBQ shift list (for Bunnings BBQ on 7th May) and i will have that ready for finalising at our Tues meeting on 2nd May.

From your Co-Presidents
Warren (and Rob)

Coat Drive Update

A huge thank you to you, President Robert and the members of your club for your generous support for our warm coat drive. I wasn't at our stand when the coats were delivered but our members who were volunteering at the time told me they were so delighted to receive the bag of coats. One more reason to be proud to be part of our wonderful organisation.

Thank you again and please let us know if there is something we can do to support one of your club's projects.

Kind regards
Kim Harvey

SHARE THE WARMTH THIS WINTER!

Do you have a warm coat that you no longer need?

This winter we are sharing the warmth through the collection and purchase of warm coats for men, women and children in need in our local community. Our goal is to distribute 100 coats to mark 100 years of Rotary service in South Australia. You can help us reach this goal by either donating a pre-loved coat and/or by purchasing a raffle ticket.

Over the weekends of **April 15-16 and April 22-23** we will have a collection table in Brighton Central (525 Brighton Rd, Brighton) to receive pre-loved warm coats. A Mother's Day raffle will also raise funds for additional new coats, underwear, socks and other warm items to share the warmth this winter.

Raffle prizes have been generously donated by local businesses: **James Ramsey Manufacturing Jeweller, Brighton Foodland, Ruby Rouge Boutique, TerryWhite Chemmart Brighton South, Kaz Hair Brighton and The Good Tiger**. Raffle tickets can be purchased from the Rotary table outside Brighton Foodland on those weekends in April mentioned above.

Only coats in good condition will be accepted – no other clothing please.
For further information about this project please contact Kim at 0435 014 403

Thank you for your support!

CLUB NEWS:

Update on Tanna Disaster Relief

As you know, in early March this year, Tanna Island was hit with the full force of two category 4 cyclones two days apart. This was followed less than a week later with the heaviest recorded torrential rain in Tanna's (recorded) history. The result of these catastrophic events was the loss of electricity, which six weeks later remains disconnected in Bethel & the rest of the other 6 Nematautu tribes in the region. Even in Lenakel, electricity and communications remain unstable.

Communications remain unstable due to ongoing repairs to communication infrastructure. Major roads and bridges were compromised or completely destroyed. After the severity of the winds and rains, and the resulting flooding, mudslides and landslides, all 27 of our partnering communities around Tanna reported the complete loss of food crops above and below the ground. Every village/community also reported that their water sources were damaged or destroyed. Root crops and coconuts that could be salvaged in the aftermath were rationed carefully.

Two villages we know up in Tanna were surviving on eating coconut meal once a day until we could send funds for rice. To receive these funds, village representatives had to walk 6 hours to collect the money. The first payment was a mere $200 AUS, and with 18 kilo bags of rice selling on Tanna for $41.00 AUS, these men received just 5 bags of rice for the 360 people in their communities. They then had to carry these 18kg bags the six hours home again. It is hard to comprehend, but it is even harder to take in how incredibly grateful they are for the gift of this food that we worked out *might* last them two weeks.

Bridging Health has received pleas from all around Tanna, pleading for help, and our wonderful Bridging Health Community responded immediately with both private donors and Australian Rotary Clubs generously providing assistance. So far, we have now raised more than $16,000.00.

$2000 of that was secured for emergency food supplies and medications through **Rotary Club of Kidman Park**, who also assisted Bridging Health to provide for Tanna's emergency during the pandemic as its only hospital was left under-resourced and in desperate need of help. We thank Rotary Club of Kidman Park for their on-going support.

$2500.00 has been sent for medical equipment and medications in March

$2500.00 has now been sent to communities for immediate food relief

$3000.00 has been spent on critically low medication supplies needed to counteract emerging sicknesses in April

$3000 in disaster relief and supplies will be distributed in May

Another $2100 has been directed through our RAWCS Project "Bridging Health in Vanuatu" (Project #107-2019-20, **sponsored by Rotary Club Rockhampton-Fitzroy**) direct to Community Representatives for distribution of food in their areas of Nematautu, Greenhills and North Tanna.

$2000 is in reserve for the additional costs involved in getting the supplies to the communities in the middle of a disaster zone.

And $3000.00 has now been sent (and already spent) on a water pump, and solar supplies to get Tanna's first clean water source up running again. This will directly affect the health of the whole of south west Tanna. Our two sponsors for this project are **Rotary Club of Wynnum-Manly** (Queensland) who donated the $3000 for the replacement of the water pump and supplies washed away in flooding and landslides, and **Rotary Club of Kidman Park** (South Australia) who donated the solar panels. CLUB NEWS:

Update on Tanna Disaster Relief

Water Project Details

We had been trying to find the best way to assist in the supply of clean water, and to date had not committed any funds to a water project. Our teams in Vanuatu had been led to believe that provisions were going to be allocated for restoration of water supplies by the Vanuatu Government, but the fact is the government has been inundated with appeals for water restoration projects, and are currently concentrating on high density population areas. This leaves remote islands vulnerable to mosquito-born diseases, malnutrition, dehydration and the other emerging diseases and sicknesses that Tanna is already starting to encounter.

Water is truly the source of life- health and growth in people, plants and animal rely on water. The people of Tanna have no clean water, and are currently boiling the dirty or unclean water they can find in order to minimise the spread of water-born diseases. The continuing disruption to electricity has frustrated efforts to restore water, as most people had water systems plugged into electricity. The assessment team has warned that it could be another 3-4 months before electricity is repaired and restored.

As President of Bridging Health, I had to make a decision between electricity for the Nematautu Aidpost or releasing the donated solar panels to get Tannas only clean water source up and running. In light of the devastation that a lack of clean water could bring to the entire region, I made the decision to permit the Chief of Bethel/Nematautu to access our shipping container storage on Tanna and take six solar panels reserved for the Nematatu Health Centre project in order to restore reliable water supply to the thousands of people living in these seven villages/communities.

These solar panels had been donated by **Rotary Club of Kidman Park** in 2020, but we had been unable to get a solar technician (or anyone with any solar knowledge) to get to Tanna during the past three years to position them and connect batteries and lights etc. So, they had been sitting there waiting for our teams to return.

We believe everything works out for a reason, and now in their time of greatest need, the solar panels they need to restore water are now available, and the Nematautu Health Centre will benefit directly from running water in their community.

We cannot thank the Rotary Club of Wynnum-Manly enough for their perfect gift in perfect timing. The water pump and solar supplies to erect the panels are on their way to Tanna from Port Vila right now. We also send our heartfelt thanks to the Rotary Club of Kidman Park for the solar panels donated in 2020, which are currently being transported into place on Nematatu land for water, and for your $2000 donation for immediate food relief back in March. And to our own Rotary Club Sponsor, **Rotary Club of Rockhampton-Fitzroy**, we thank you all for your hard work, generosity and support!

This again demonstrates the extraordinary strength and impact of the Rotary Family within Australia.

Tanna (originally Tanautu) means land of sharing. This is in their nature. One thing we can guarantee is that if one community on Tanna receives the benefit of food, medications and clean water, that it will ripple out and affect many around them. I thank you all on their behalf.

We thank all our partners, community, friends and families for all assistance, advice or funds that you contribute to our health-supporting and health-preserving projects like these get established. There is still so much to do, and we cannot do it without you.

With thanks,

DISTRICT NEWS:

FROM THE DISTRICT GOVERNOR

Rotary District 9510 | IMAGINE ROTARY

Dear Members,

As the current Governor of our vast District 9510, I extend an invitation to you to attend the **2023 Rotary Volunteering Expo** to be held on **3rd June 2023** at the Bonython Hall, Adelaide University.

Different to a normal conference, the **Expo is free,** will be for one day only, open to the public and held in the CBD. It is anticipated there will be 40 exhibitors including Rotary projects and projects of our partners in community service. Cost effective onsite parking will be available.

This unique event will provide clubs and partners the opportunity to share their stories with one another and the public, which we hope will assist them engage with and attract members of the community and other stakeholders.

By attending with fellow club members, you will not only jointly observe, learn, discuss projects and enrich your Rotary experience, but also hear some **great speakers** and enjoy **fellowship**.

The guest speakers will address issues related to change in society such as volunteering trends and they will honour our wonderful past. The theme ***"Proud of the Past Confident of the Future"*** is aimed at Rotary as an enabler and making the experience satisfying for all members. Its not to be missed.

With Rotary in our vast district approaching its centenary, the day's activities will conclude with a Celebration Dinner at the National Wine Centre, corner Hackney & Botanic Roads, Adelaide at 6.30 pm. The cost of the dinner is a reasonable $100 per head which includes a 2-course meal, a welcome drink on arrival, entertainment, and an opportunity to hear from some very special guests. We are hopeful all areas of our vast district will be represented, so please discuss this with fellow Rotarians with the aim of organising members of your club to support the Expo and book a table or two at the Celebration Dinner.

I look forward to seeing you at the Volunteering Expo and Celebration Dinner.

Regards,

Paul

CLUB INFORMATION

KPRC BANK DETAILS

The use of Direct Debit transfer of funds is now commonplace and it is very easy to use this facility to pay for the activities of the club. To assist the Treasurer, it is important that you include (in the reference section of the online transfer document from your own bank) your name and the club activity for which you are paying (e.g. John Smith Club Subs). Club bank details are:

Business Name : Kidman Park Rotary Club Inc.
