The Co-Presidents Report

Hi Kidman Parkers

A heads up about the progress of our Norm Lewis at Southern Cross Care at Burbridge Road, West Beach.

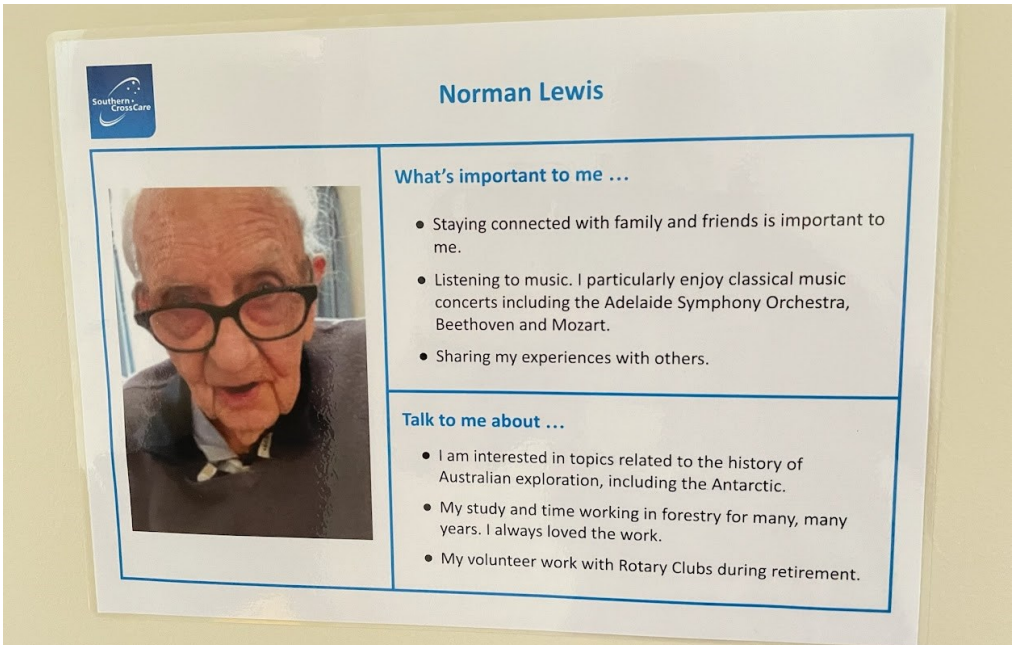

D9510 Centenary Chair Rachel Wills had asked if our Norm could be interviewed to help celebrate the Centenary of Rotary in Adelaide through the comments of Norm as a Centenarian plus 6 years. ie age 106 years. Is Norm the oldest and longest serving Rotarian in South Australia or Australia or even internationally?
Norm is an Honorary Member of HBRC and KPR and a member of Probus in his own right.

For the brief interview questions and resulting brief videos Norm was at his sharpest. His recall in responding to the questions was impressive and well thought out. Ed King was the catalyst to progressing this video and recognition path.

Norm seems to be thriving at Southern Cross. Norm spoke about the pleasure he gets from a steady stream of visitors from Henley Beach RC, Probus, KPR and other friends. Due to Health protocols of Southern Cross(SC), residents cannot attend large outside gatherings due to the possibility of bringing infection back to SC. This likely has seen the last of Norms visits to our Tuesday meetings. However Norm is ready and eager to welcome groups of max 2 people. Some minor requirements ….to ring reception on 83533044 and book a visit time , then do a RATS test prior to the visit (take a phone photo of the negative result to show at reception) then a few screen questions at reception to answer to get a name tag and then a simple temperature check. Then you are of approved visitor status. Norm is in Room 10 …. up the lift then turn left as you exit the lift then Norm is in the first room on the left. Mask is required external to the room but once you are in Norm's room the choice of mask is yours.

After 31st May a current Flu Vaccination will be required which is not surprising given the residents are a high risk group. And most of us will have had a Flu shot in due course.

So if you have a spare 30 min on a week day between 9am to 4pm (not weekends)
then grab a Rotary pal and pay Norm a visit….perhaps that might fit on a monthly basis.
We will all grow from any conversations that we have with Norm. Have you been to Antarctica lately??

An update on our coming Airport Bunnings BBQ on Sunday 7th May. Volunteering has been positive (thank you to those who have volunteered) but we still need a few more helpers.
These BBQs are key to fundraise for our ongoing projects. These Bunnings BBQs are now consistently raising Net Profit of around $1200 per time which is great return on our efforts.

1st Shift 9am to 11.30 :Wayne, Barbara, John J,
2nd Shift 11.30 to 2pm :Peter B, Brian T, Janet (one more needed)
3rd Shift incl pack up 2 to 4.30 : Paul D, John C (one more needed)
Reserves: Dale (one more reserve needed in case of emergency)
Utilities for ordering and bringing, set up, packup, and stock shortages: Warren, Rob C

Please email Warren if you can fill one of these gaps.

Cheers and thanks

COMMITTEE NIGHTS

Most committees have completed most of their projects for this year, so there is a great opportunity to think about projects for next year. It is important to get ideas in place especially if a District grant is required. Applications for grants close in August so it is very important to have ideas in place well before.

Some discussion topics might include:

Partnering with a local community group.

Plan for a greater involvement with "Pink & Blue Swim" next February.

Supplying equipment to the new WBSLSC

Donating a "beach wheelchair" for disabled persons.

Sponsoring underprivileged students to participate at AFL max or WBSLSC programs

Volunteering at Calperum

Health of the River program

Assisting 'Trees for Life' local project (located opposite Bunnings)

Support local school, sports or community groups. (We have a trust account set up for assisting underprivileged youth)

Bridging Health – plan ahead so we can get a grant this time.

Events around our Bookmart.

Nominate a member or non-member for a Paul Harris Award

Update on Tanna Disaster Relief

As you know, in early March this year, Tanna Island was hit with the full force of two category 4 cyclones two days apart. This was followed less than a week later with the heaviest recorded torrential rain in Tanna's (recorded) history. The result of these catastrophic events was the loss of electricity, which six weeks later remains disconnected in Bethel & the rest of the other 6 Nematautu tribes in the region. Even in Lenakel, electricity and communications remain unstable.

Communications remain unstable due to ongoing repairs to communication infrastructure. Major roads and bridges were compromised or completely destroyed. After the severity of the winds and rains, and the resulting flooding, mudslides and landslides, all 27 of our partnering communities around Tanna reported the complete loss of food crops above and below the ground. Every village/community also reported that their water sources were damaged or destroyed. Root crops and coconuts that could be salvaged in the aftermath were rationed carefully.

Two villages we know up in Tanna were surviving on eating coconut meal once a day until we could send funds for rice. To receive these funds, village representatives had to walk 6 hours to collect the money. The first payment was a mere $200 AUS, and with 18 kilo bags of rice selling on Tanna for $41.00 AUS, these men received just 5 bags of rice for the 360 people in their communities. They then had to carry these 18kg bags the six hours home again. It is hard to comprehend, but it is even harder to take in how incredibly grateful they are for the gift of this food that we worked out *might* last them two weeks.

Bridging Health has received pleas from all around Tanna, pleading for help, and our wonderful Bridging Health Community responded immediately with both private donors and Australian Rotary Clubs generously providing assistance. So far, we have now raised more than $16,000.00.

$2000 of that was secured for emergency food supplies and medications through **Rotary Club of Kidman Park**, who also assisted Bridging Health to provide for Tanna's emergency during the pandemic as its only hospital was left under-resourced and in desperate need of help. We thank Rotary Club of Kidman Park for their on-going support.

$2500.00 has been sent for medical equipment and medications in March

$2500.00 has now been sent to communities for immediate food relief

$3000.00 has been spent on critically low medication supplies needed to counteract emerging sicknesses in April

$3000 in disaster relief and supplies will be distributed in May

Another $2100 has been directed through our RAWCS Project "Bridging Health in Vanuatu" (Project #107-2019-20, **sponsored by Rotary Club Rockhampton-Fitzroy**) direct to Community Representatives for distribution of food in their areas of Nematautu, Greenhills and North Tanna.

$2000 is in reserve for the additional costs involved in getting the supplies to the communities in the middle of a disaster zone.

And $3000.00 has now been sent (and already spent) on a water pump, and solar supplies to get Tanna's first clean water source up running again. This will directly affect the health of the whole of south west Tanna. Our two sponsors for this project are **Rotary Club of Wynnum-Manly** (Queensland) who donated the $3000 for the replacement of the water pump and supplies washed away in flooding and landslides, and **Rotary Club of Kidman Park** (South Australia) who donated the solar panels. CLUB NEWS:

Update on Tanna Disaster Relief

Water Project Details

We had been trying to find the best way to assist in the supply of clean water, and to date had not committed any funds to a water project. Our teams in Vanuatu had been led to believe that provisions were going to be allocated for restoration of water supplies by the Vanuatu Government, but the fact is the government has been inundated with appeals for water restoration projects, and are currently concentrating on high density population areas. This leaves remote islands vulnerable to mosquito-born diseases, malnutrition, dehydration and the other emerging diseases and sicknesses that Tanna is already starting to encounter.

Water is truly the source of life- health and growth in people, plants and animal rely on water. The people of Tanna have no clean water, and are currently boiling the dirty or unclean water they can find in order to minimise the spread of water-born diseases. The continuing disruption to electricity has frustrated efforts to restore water, as most people had water systems plugged into electricity. The assessment team has warned that it could be another 3-4 months before electricity is repaired and restored.

As President of Bridging Health, I had to make a decision between electricity for the Nematautu Aidpost or releasing the donated solar panels to get Tannas only clean water source up and running. In light of the devastation that a lack of clean water could bring to the entire region, I made the decision to permit the Chief of Bethel/Nematautu to access our shipping container storage on Tanna and take six solar panels reserved for the Nematatu Health Centre project in order to restore reliable water supply to the thousands of people living in these seven villages/communities.

These solar panels had been donated by **Rotary Club of Kidman Park** in 2020, but we had been unable to get a solar technician (or anyone with any solar knowledge) to get to Tanna during the past three years to position them and connect batteries and lights etc. So, they had been sitting there waiting for our teams to return.

We believe everything works out for a reason, and now in their time of greatest need, the solar panels they need to restore water are now available, and the Nematautu Health Centre will benefit directly from running water in their community.

We cannot thank the Rotary Club of Wynnum-Manly enough for their perfect gift in perfect timing. The water pump and solar supplies to erect the panels are on their way to Tanna from Port Vila right now. We also send our heartfelt thanks to the Rotary Club of Kidman Park for the solar panels donated in 2020, which are currently being transported into place on Nematatu land for water, and for your $2000 donation for immediate food relief back in March. And to our own Rotary Club Sponsor, **Rotary Club of Rockhampton-Fitzroy**, we thank you all for your hard work, generosity and support!

This again demonstrates the extraordinary strength and impact of the Rotary Family within Australia.

Tanna (originally Tanautu) means land of sharing. This is in their nature. One thing we can guarantee is that if one community on Tanna receives the benefit of food, medications and clean water, that it will ripple out and affect many around them. I thank you all on their behalf.

We thank all our partners, community, friends and families for all assistance, advice or funds that you contribute to our health-supporting and health-preserving projects like these get established. There is still so much to do, and we cannot do it without you.

With thanks,

DISTRICT NEWS:

FROM THE DISTRICT GOVERNOR

Rotary District 9510 | IMAGINE ROTARY

Dear Members,

As the current Governor of our vast District 9510, I extend an invitation to you to attend the **2023 Rotary Volunteering Expo** to be held on **3rd June 2023** at the Bonython Hall, Adelaide University.

Different to a normal conference, the **Expo is free,** will be for one day only, open to the public and held in the CBD. It is anticipated there will be 40 exhibitors including Rotary projects and projects of our partners in community service. Cost effective onsite parking will be available.

This unique event will provide clubs and partners the opportunity to share their stories with one another and the public, which we hope will assist them engage with and attract members of the community and other stakeholders.

By attending with fellow club members, you will not only jointly observe, learn, discuss projects and enrich your Rotary experience, but also hear some **great speakers** and enjoy **fellowship**.

The guest speakers will address issues related to change in society such as volunteering trends and they will honour our wonderful past. The theme ***"Proud of the Past Confident of the Future"*** is aimed at Rotary as an enabler and making the experience satisfying for all members. Its not to be missed.

With Rotary in our vast district approaching its centenary, the day's activities will conclude with a Celebration Dinner at the National Wine Centre, corner Hackney & Botanic Roads, Adelaide at 6.30 pm. The cost of the dinner is a reasonable $100 per head which includes a 2-course meal, a welcome drink on arrival, entertainment, and an opportunity to hear from some very special guests. We are hopeful all areas of our vast district will be represented, so please discuss this with fellow Rotarians with the aim of organising members of your club to support the Expo and book a table or two at the Celebration Dinner.

For further information and links to register for the Expo and Celebration Dinner click here

I look forward to seeing you at the Volunteering Expo and Celebration Dinner.

Regards,

Paul
