Co-Presidents Report

A quick look forward to our Guest Speakers over the next 2 weeks.

Our very own Ed King is Speaker this Tues 23rd May. Ed has just returned from South Africa and will share and compare some current experiences with his memories of the past. I venture to say that not many of us have visited South Africa so this Tues is a great opportunity to learn more about the country and its people delivered with passion.

On Tues 30th May our Speaker is Mike Oswald who is a proud member of Blackwood Lions. They have a very progressive business model that I reckon that we may be able to draw some fresh thoughts and ideas that may fit our KPR space. We had a KPR delegation (of Rob Chambers, Jenny Harris, Wayne Comley and Warren Hobbs) visit their Blackwood Lions Bargain Centre yesterday (20/5). How they network their volunteers and develop Partnerships with local community groups is very impressive.
Come along on Tues week (30/5) and hear for yourself. There is no thought about KPR changing to a Bargain Centre structure but the way they develop relationships with Volunteers and community groups is outstanding.

A great occasion at Regency Park TAFE for our 40 attendees for a meal last Wednesday night. Good quality meal and enthusiastic service which enables the students to gather great work experience. Thanks to our Fellowship Committee for their organising. Our Fellowship Committee have done a great job over 22/23....inventive with the variety of occasions chosen with efficient organising = a lot of fun and different experiences for those attending.

It is great to have our Chris Branson back and active. One of Chris' first actions was to email us as Co Presidents to advise of his availability to cover Rosters for some coming period. Chris is doing the MC role at meetings for the next few weeks

From your Co-Presidents
Warren (and Rob)

Graduates Dinner

Dinner at the Graduates Restaurant on Wednesday 17th May was as usual a congenial event. A great selection of entree and mains were offered by staff that were very attentive. Some of the chefs came out to gain feedback on their culinary efforts .Compliments were given with a smile as we all enjoyed the varied flavours and presentations of the different courses. Small sweets accompanying coffee were well received at the end of the night.
A great night enjoyed with great company !

Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

WARM COAT DRIVE HELPING THOSE IN NEED THIS WINTER
THANK YOU TO ROTARY CLUB OF KIDMAN PARK

Dear Secretary Wayne

On behalf of the members of the Rotary Club of Holdfast Bay, I most sincerely thank you, President Robert and club members for your amazing support of our Warm Coat Drive.

This project has been an overwhelming success with the public donating an incredible 645 coats and purchasing raffle tickets in excess of $2,200. This outstanding result will make a huge difference to those in our community doing it tough. Coats and funds are now being distributed to local outreach programs and agencies who provide care and support for the most vulnerable in our community.

It was wonderful to see your club members dropping by our Rotary table at the shopping centre with bags of coats to donate to this project. This was a great demonstration of Rotary teamwork and we hope to be able to reciprocate with support for one of your future projects.

Thank you again to the Rotary Club of Kidman Park for your generosity and kindness.

With gratitude,

Judy Shipp

Regionalisation Pilot Update

Dear Pilot Reference Group,

Following financial approval from the Rotary International Board, the Regionalisation Pilot Establishment teams are now heading full speed towards pilot establishment. You can now read the Executive Summary that was provided to the RI Board as part of the business case.

As you have opted in to be part of the Pilot Reference Group you will receive monthly emails with updates and information. You will also have opportunities to provide feedback as we establish and test new models and processes throughout the pilot.

What are we trying to achieve through the Regionalisation Pilot?

The aim of the Regionalisation Pilot is to develop a new regional governance structure to transform Rotary and Rotaract in Zone 8, helping clubs strengthen and grow with more intensive and specialised support that addresses their unique needs. We anticipate the direct benefits to clubs will include:

- A stronger, unified Rotary image and brand
- Greater opportunities for collaboration and partnerships
- Greater efficiency, reduced duplication and reduced costs
- Greater capacity for clubs to adapt to meet the specific needs, circumstances and cultural aspects of their geographic area
- More direct access to the best resources from across Zone 8 to support clubs to achieve their goals

Continued next page:

Continued from previous page:

Over 100 Rotarians and Rotaractors in Zone 8 are currently working in Pilot Establishment Teams (PETs) focused on the following areas:

- Service and Strategy: strategic growth, reach and impact, strategic programs, and the transfer of functions from Districts to the Regional Council
- Corporate and Administration: Regional Council elections, Rotary Specialist Networks, community groups, legal entities, and structures and financials
- Public Image and Partnerships
- Membership
- Communications and IT
- The Rotary Foundation
- Learning and Development and Events
- Pilot Communications
- Diversity, Equity and Inclusion

Where are we currently at?

It is now time to start sharing and testing our work with clubs and members.

As we trial, test and evaluate processes and models throughout the pilot, we anticipate tweaks will be needed to better support clubs. For this reason, we have set up an independent Monitoring and Evaluation Team to work in conjunction with PETs.

The working model currently has three main pillars:

- A central Regional Council that will have functions progressively transferred to it that will look after Zone governance. This will be a group of Rotarians and Rotaractors elected to two year roles by their fellow members.
- Community Leaders, elected Rotarians or Rotaractors, who will work with a group of clubs.
- Specialist Networks focused directly on supporting clubs and their initiatives. This includes our valuable Rotary International staff and zone coordinators.

Look out for more information coming on these roles, and how you can get involved. Consultation is integral to the pilot process. There will be ongoing opportunities for clubs and members to give input, in addition to Governor engagement, which has been intensive over the last 6 months.

We hope this provides insight into the work that has been happening over the last few months. You can continue having your say by visiting creatingtomorrowrotary.org or emailing us directly at rotaryregionalpilot@gmail.com.

Sincerely,

Ingrid Waugh
Zone 8 Regionalisation Pilot Steering Group Chair
