Co-Presidents Report

Hi Kidman Parkers

It was a great night last Tuesday. Over 40 attendees very likely to hear Ed's special story
Our very own Ed King with a passionate presentation on what has happened over the past 50 years in South Africa where he, his parents and his siblings lived. Ed spoke of his heart felt memories of South Africa, and their decision to come to Australia over 50 years ago before having children.
Ed told of getting mixed up on a client visit then suddenly embroiled in some nearby dangerous race riots. Very nostalgic, with some wonderful photos of Table Mountain and Capetown. A wonderful insight into the decisions that Ed and Sheena had to make so long ago.
Thanks for the memories, Ed.

A visitor from Denmark Jakob Volther, Area Governor near Copenhagen is over in Adelaide visiting a local Adelaide Exchange Student who stayed with his Denmark family in 1988. Jakob joined us at our meeting and gave a brief background about his Club and his city, Copenhagen. Jakob is in Australia also for the Rotary International Convention in Melbourne. The connectivity of Rotary at its best again.

Meals at our Venue of Westward Ho will diversify with an updated and expanded list of meals provided to the Venue by our Chris Branson. The meals for that meeting were fish and pasta which seemed to be well received.

The Resolution to our Club ByLaws to allow Co-Presidents and various other Co roles was voted on by members given due notice. The ByLaws changes were approved unanimously and the Resolution executed. Thanks to Peter Murton for handling this matter.

Our KPR participation in the Rotary Expo on Sat 3rd June is now not happening. We had plans of putting in a stall / tent promoting our Bookmart and the Pink and Blue WBSC Project. District have lost our registration and the event at Bonython Hall now has 41 exhibits and is full. Well worth a look and a listen to the speakers if you are free that day. It is intended to be a Rotary International Convention follow up in Adelaide.

Our next Airport Bunnings BBQ day is the Kings Birthday Public Holiday on Mon 12th June. Round Robin will be out soon so please check your availability in the lead up.

Just a reminder of the subject matter and speaker next Tuesday 30th May. Mike Oswald from Blackwood Lions will explain their very different Service Club model. You will be amazed at the scale and smarts of their operation.

From your Co-Presidents
Warren (and Rob)

WARM COAT DRIVE HELPING THOSE IN NEED THIS WINTER
THANK YOU TO ROTARY CLUB OF KIDMAN PARK

Dear Secretary Wayne

On behalf of the members of the Rotary Club of Holdfast Bay, I most sincerely thank you, President Robert and club members for your amazing support of our Warm Coat Drive.

This project has been an overwhelming success with the public donating an incredible 645 coats and purchasing raffle tickets in excess of $2,200. This outstanding result will make a huge difference to those in our community doing it tough. Coats and funds are now being distributed to local outreach programs and agencies who provide care and support for the most vulnerable in our community.

It was wonderful to see your club members dropping by our Rotary table at the shopping centre with bags of coats to donate to this project. This was a great demonstration of Rotary teamwork and we hope to be able to reciprocate with support for one of your future projects.

Thank you again to the Rotary Club of Kidman Park for your generosity and kindness.

With gratitude,

Judy Shipp

DISTRICT NEWS:

Regionalisation Pilot Update

Dear Pilot Reference Group,

Following financial approval from the Rotary International Board, the Regionalisation Pilot Establishment teams are now heading full speed towards pilot establishment. You can now read the Executive Summary that was provided to the RI Board as part of the business case.

As you have opted in to be part of the Pilot Reference Group you will receive monthly emails with updates and information. You will also have opportunities to provide feedback as we establish and test new models and processes throughout the pilot.

What are we trying to achieve through the Regionalisation Pilot?

The aim of the Regionalisation Pilot is to develop a new regional governance structure to transform Rotary and Rotaract in Zone 8, helping clubs strengthen and grow with more intensive and specialised support that addresses their unique needs. We anticipate the direct benefits to clubs will include:

- A stronger, unified Rotary image and brand
- Greater opportunities for collaboration and partnerships
- Greater efficiency, reduced duplication and reduced costs
- Greater capacity for clubs to adapt to meet the specific needs, circumstances and cultural aspects of their geographic area
- More direct access to the best resources from across Zone 8 to support clubs to achieve their goals

Continued next page:

Continued from previous page:

Over 100 Rotarians and Rotaractors in Zone 8 are currently working in Pilot Establishment Teams (PETs) focused on the following areas:

- Service and Strategy: strategic growth, reach and impact, strategic programs, and the transfer of functions from Districts to the Regional Council
- Corporate and Administration: Regional Council elections, Rotary Specialist Networks, community groups, legal entities, and structures and financials
- Public Image and Partnerships
- Membership
- Communications and IT
- The Rotary Foundation
- Learning and Development and Events
- Pilot Communications
- Diversity, Equity and Inclusion

Where are we currently at?

It is now time to start sharing and testing our work with clubs and members.

As we trial, test and evaluate processes and models throughout the pilot, we anticipate tweaks will be needed to better support clubs. For this reason, we have set up an independent Monitoring and Evaluation Team to work in conjunction with PETs.

The working model currently has three main pillars:

- A central Regional Council that will have functions progressively transferred to it that will look after Zone governance. This will be a group of Rotarians and Rotaractors elected to two year roles by their fellow members.
- Community Leaders, elected Rotarians or Rotaractors, who will work with a group of clubs.
- Specialist Networks focused directly on supporting clubs and their initiatives. This includes our valuable Rotary International staff and zone coordinators.

Look out for more information coming on these roles, and how you can get involved. Consultation is integral to the pilot process. There will be ongoing opportunities for clubs and members to give input, in addition to Governor engagement, which has been intensive over the last 6 months.

We hope this provides insight into the work that has been happening over the last few months. You can continue having your say by visiting creatingtomorrowrotary.org or emailing us directly at rotaryregionalpilot@gmail.com.

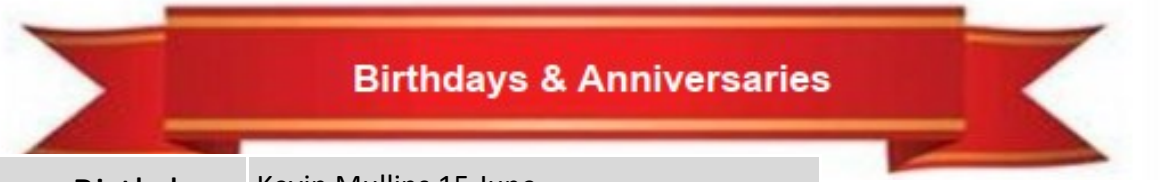

Sincerely,

Ingrid Waugh
Zone 8 Regionalisation Pilot Steering Group Chair
