A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Please Note: If you would like to put your name down for any rosters contact CLUB SECRETARY, Ed King.

If you are unable to fulfil your rostered role, please arrange a swap with another member before advising Ed King Edward.king3@bigpond.com and the Kidman Krier Editor Robert Ryan at rjvaryan@bigpond.com.

GUEST SPEAKER

Members were treated to a very informative and at time eye opening presentation on Tuesday night from our own Barbra Wheatcroft.

Barbara's Rotary CV makes impressive reading and highlights that at times we are not aware of the commitment of members within.

Australian Rotary Health

Australian Rotary Health is one of the largest non-Government funded research organisations in Australia. It is funded by private donors, Rotary clubs and benefactors.

100% of all donations are used for research.

ARH began over 40 years ago after a Rotarian heard a radio report about the incidence of Cot Death (SIDS). In 1999 over 500 babies died from Cot Death. This has now decreased by 80%.

In 2022 the focus of ARH research has changed. The focus is now on research for 0-12 years.

Lift the Lid on mental illness became the logo of ARH 10 years ago and is now recognised everywhere. It is used on all promotional materials and particularly for Lift the Lid Walks. These walks happen all around Australia and are being conducted by Rotary clubs and Districts throughout the year.

In South Australia the ARH Indigenous Scholarships is managed by the committee in conjunction with the SA Dept of Health in a joint 50/50 program.

This program commenced over 20 years ago in SA and has now been taken up by the ARH Head Office in Sydney using Commonwealth Govt funding. The SA Govt has made the decision to stand-alone with this program.

The students are selected by a panel of committee and government members. They receive $5,000 per year for 2 years. All Allied Health areas are considered.

PRESIDENT'S THOUGHTS

President's Report 13th July 2023

Our first Club meeting for the 2023-2024 year was also the first Committee's meeting for the new Rotary Year. A couple of Committees had some new faces and some new ideas.

The International Committee discussed a project of the Rotary Club of Stanford in South Africa. Stanford is a town that is similar in size to Strathalbyn and near to where our Ed King lived before emigrating to Australia. Ed still has family living there.

Stanford has a significant number of people living in poor quality housing and many children don't attend schools regularly. The Rotary Club of Stanford has a project to provide shoes for school children and another to provide blankets.

At last Thursday's Board meeting Rob Hughes (International Committee Chair) proposed that KPR support the project with a donation of $2000.00 The Board approved the proposal and intend to apply for a District Grant to potentially double the value.

The Community Committee has been actively pursuing dates with Bunnings for BBQ's and has secured several more days than traditionally offered for a three month period. Thank you to Warren Hobbs, and all the Members who have volunteered over the past few months and for the upcoming event. These BBQ's have been financially rewarding as well as fun for the participants. Let's continue to share the load.

The previous Board discussed strengthening the link with West Beach Surf Lifesaving Club and their Pink & Blue Swim Fundraiser. Rob Chambers has been preparing a proposal for the members and the current Board to consider. Rob will be emailing the proposal to the KPR members in the next week for your information, consideration and feedback.

Barbara Wheatcroft was the first Guest Speaker for the new year. Barbara has had a significant involvement with Australian Rotary Health for a number of years and she shed some light on the organisation's research into several Medical conditions e.g. Motor Neuron Disease and more recently Mental Health.

Rotary hasn't been very prominent in promoting itself including to its members. Hopefully Barbara's presentation will at least make us more aware and encourage us to engage with and support its activities.

One of Rotary International President Gordon McNally initiatives to Create Hope in the World is prioritising Mental health. He is asking Clubs to help erase the stigma associated with emotional wellness and to raise awareness of mental health needs.

Next week's Speaker Gary Paradise will be speaking to us about Cyber Crime / Scams. This is a topic that it very much on many of our minds. I have emailed the Flyer to the Presidents of several other Rotary Clubs in our area, inviting them and their members to attend.

I anticipate that the topic will appeal and expect a few attendees from the other Clubs.

Please make them welcome.

Co-President Rob Stocker is away for several weeks so you won't see him at our meetings for a while. He hasn't deserted me.

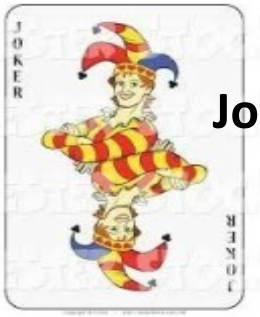

Cheers

Wayne Comley

Treasurer Report

OTHER PEOPLE'S MONEY

You should always use other people's money in preference to your own. This is why we apply for grants which are available from District 9510, City of Charles Sturt, Bendigo Bank and Corporate bodies. There are rules surrounding the distribution of grants and they need to be adhered to otherwise you are most likely wasting your time by applying. Firstly you must establish a need and not just decide on what you wish to giveaway. Sustainability is also important to ensure what you are proposing has long term consequences and will benefit a large number of people over a long period. The recipients must be able to maintain the equipment or project and have the resources to benefit over the life of the project. In some instances it might be prudent to develop your grant application so that you tweak the application to ask for what the donor is more likely to give rather than exactly what you want. Do not waste your time applying for projects that do qualify under the rules. Now is the time to put forward your preferred projects and expenditure for the next 12 months. You could be in favour of providing equipment or a defibrillator to a local community group. We could sponsor disabled or disadvantaged people. (Our Charitable Trust can do this for youth under 18 years old). Various overseas groups are always in need. You might even propose a "Men's Shed" (& women) to be built adjacent to our Bookmart.

Rob Chambers

MEMBERSHIP SUBS

Our subs are the lowest in the District and probably Australia. This is because the Board has decided to reinvest in our members and volunteers. Some clubs charge as much as $350. So far 33 members are paid up, so if you are one of the remaining 16 members could you please use our EFT facility to forward your $200.

Rotary Volunteers Meals on Wheels Protocol

Charles Sturt Meals on Wheels kitchen is situated at the Rear of **Festival Function Centre, 292 Findon Road, Findon in carpark.**

You report to the supervisor, enter the kitchen through the door on the left of the building as you look at it. This is the tea room area. Please be at the kitchen no later than 10.50am for departure at 11.00 am. Phone number is 0407603637 (Grace Giles).

The Rotary volunteer drives their own vehicle taking a Meals on Wheels volunteer out on the round to deliver meals to recipients.

Rotarian is not required to help with meal preparation. Rotarian helps the MOW volunteer put the meal boxes into the vehicle.

Rotarian is the driver who provides his own vehicle to take MOW volunteer to recipients homes and will usually know the round.

The Meals on Wheels volunteer will accompany the Rotarian volunteer on the delivery round.

The Rotarian volunteer can help the Meals on Wheels volunteer deliver the meals to the recipients. This depends on how the MOW volunteer works.

The MOW volunteer will put meal into a basket for the recipient , so Rotarian volunteer can either remain in vehicle or go in to meet recipient.

The typical shift will take approximately 1 1/2 to 2 hours depending on the number of recipients.

A current Police Check is required by volunteers to visit the aged in their homes. Your Rotary police Clearance will be ok.

The volunteer does not have to show proof of Covid or Flu vaccination, obviously it is preferable if you have had the vaccination.

If you have a breakdown or accident the MOW volunteer will call for a taxi and will continue on the remainder of the round and return to the kitchen afterwards. You are left to deal with the issues with your vehicle as you see fit to do.
