Shelterbags for the homeless sleeping rough

Why Shelterbags?
Increasing numbers of people who are homeless and sleeping rough
Winter is worst time of the year - bedding becomes wet and unusual
Waste of donated resources - blankets, sleeping bags
Growing awareness in community of the homeless and their needs - CEO sleepout / Sunday Mail Annual Blanket Appeal / Red Shield
Need for an immediate solution that offers shelter from the elements when sleeping rough

What are Shelterbags?

A lightweight, waterproof, vented swag
Includes mattress and padded hood
Easy to carry when rolled up (backpack size and weight)
Add sleeping bag or other bedding to suit seasonal conditions
Keeps bedding dry, provides warmth and some dignity

What is the cost?

Currently $85 per bag (includes shipping)
Import them by the container load - 900 bags - through Rotary Club of Terrigal

How are they distributed?

Memorandum of Understanding with Rotary Club of Terrigal in place to supply bags to Rotary Club of Gawler Light for further distribution to other Rotary clubs and organisations as needed
Next container to be ordered by October 2023, ready for 2024 winter
Rotary Club of Gawler Light and partner clubs to purchase around 300 bags for distribution in District 9510

Bunning's BBQ continues to give

New signs for our BBQ at Bunnings

Airport Bunnings BBQ Report for Sat 22nd July

Thanks to our BBQ Volunteers for last Sat BBQ. You all continue to be very generous with your support for our KPR BBQ.

We got lucky with being allocated the BBQ date give another Club cancelled. Bunnings chose us as a safe pair of hands and secondly we were lucky that the weather was great until 3pm at which time it bucketed down.

Our BBQ crew seem to enjoy the experience and getting to know each other better. Great to see our newest member David Taylor involved and Barbara Wheatcroft has been forward at the two previous BBQs.

The numbers continue to be solid.Cash sales $800 and card sales $850 totalling $1650.

Our expenses approx. $400 with Net Profit around $1250. This is another significant contribution to fundraising for our KPR local and international projects.

Co-Pres Wayne was present at the set up and close. Wayne has organised some KPR signage, which includes a KPR QR code.

In Geek Speak that means that, any of our BBQ customers scan the QR code and their mobile goes straight to our KPR website.

Wayne has another QR code, which takes the user direct to our Bookmart Face Book site. Impressive stuff!!

Our next BBQ date is Sunday 13th August...again it arises as a cancellation of another Club.

Well done to you all and thanks

Warren

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Please Note: If you would like to put your name down for any rosters contact CLUB SECRETARY, Ed King.

If you are unable to fulfil your rostered role, please arrange a swap with another member before advising Ed King Edward.king3@bigpond.com and the Kidman Krier Editor Robert Ryan at rjvaryan@bigpond.com.

Norma Lewis Update

We have received advise from Norm's daughter Jo re visits.

"Hi Warren – you might like to let club members know that Norm's West Beach Residence has dropped all requirement for visits. That means you can drop by any time including Saturday and Sunday without doing a RAT or wearing mask or even booking beforehand.

Much easier!

Kind regards Jo."

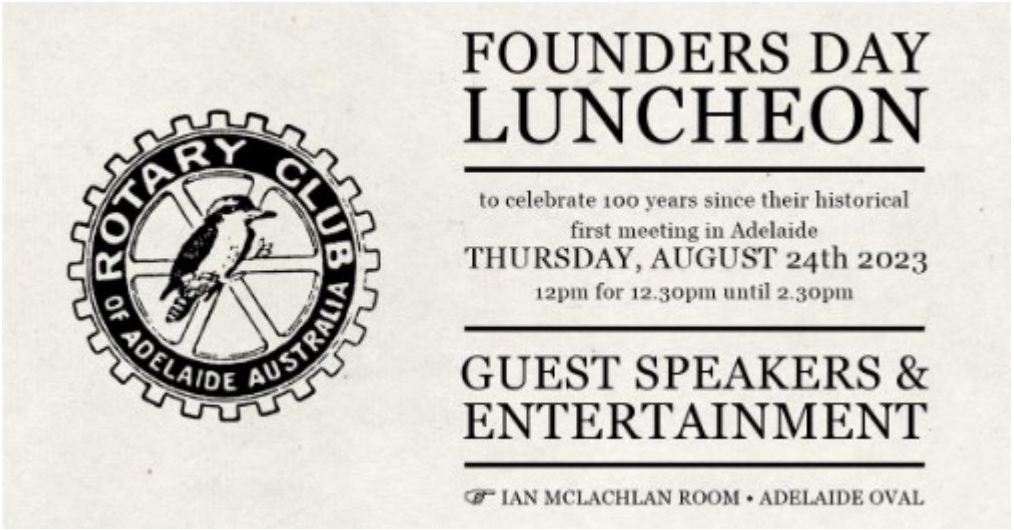

Tom Bunnik made a visit to Norm reporting him in good spirits and as sharpe as ever.

CLUB NEWS:

PRESIDENT'S THOUGHTS

Members would be aware that Kidman Park Rotary has supported the Pink & Blue Swim event conducted by The West Beach Surf Lifesaving Club for several years. The event raises funds for Breast & Prostate Cancer research. www.westbeachslsc.com.au/pink-blue

Past Co-President and current Treasurer Rob Chambers believes the Pink & Blue swim event provides an opportunity to strengthen the relationship with WBSLC for our mutual benefit. Rob Chambers has raised the matter at recent Board meetings and in the past week he emailed a discussion paper to KPR members for feedback.

I encourage members to read Rob's proposal and discuss your thoughts (positive or negative) with him.

Members who have driven past the WBSLC site in the past week will have noticed that the steelwork for the upper level is being erected. Our Councillor member Stuart Ghent forwarded a link to Charles Sturt Council's Agenda for a recent meeting. The Report states the anticipated practical completion date for the new WBSLC clubrooms is October 2023.

Last week's Guest Speaker Gary Paradise provided a very interesting and informative presentation about Cyber Crime. We had five members from Somerton Park Rotary attend the meeting. Thanks to our Membership Director Kevin Tiggemann for arranging the Guest speaker and being both MC and Chairperson on the night. *Quoting Kevin "I have to do everything"*

Next week we will have a Guest Speaker from Gawler Light Rotary Club. It just won't be the Exchange student as previously published. He/she hasn't returned yet.

Thanks to Steve Redden (Vocational Committee Director) who found a replacement speaker at short notice.

The topic will be "Shelter Bags for the Homeless sleeping rough"

There may be an opportunity for KPR to support the project.

Community Director Warren Hobbs has arranged a visit on 8th August to the "Toy Boys" workshop. This is a project of the Rotary Club of Charles Sturt Grange. The plan is to have a meal at the Ramsgate Hotel, following the visit to the workshop.

Thank you to the members who volunteered for this Saturday's Bunnings BBQ roster. The roster was filled very quickly.

The Fellowship Committee is having a special meeting this Sunday to discuss functions for the year. They're obviously committed to the task having a Sunday meeting.

Great to welcome back Tom Bunnik again after his three month holiday overseas.

Also good news that members can now visit Norm Lewis without having to do a RATS, wear a mask or make an advanced booking. I'm confident that Norm would appreciate a visit.

A thought for the week

"How old would you be if you didn't know how old you were" Satchell Paige

I look forward to seeing you next week.

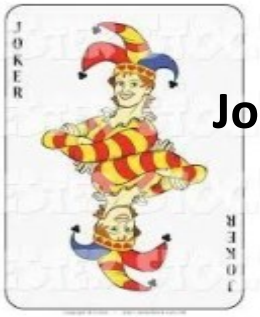

Cheers

Wayne Comley

Co-President.

JOKER DRAW

Joker Draw

Shirley Roberts was our weekly winner but to the great dismay of the membership she was not successful in drawing the Joker

OTHER PEOPLE'S MONEY

You should always use other people's money in preference to your own. This is why we apply for grants which are available from District 9510, City of Charles Sturt, Bendigo Bank and Corporate bodies. There are rules surrounding the distribution of grants and they need to be adhered to otherwise you are most likely wasting your time by applying. Firstly you must establish a need and not just decide on what you wish to giveaway. Sustainability is also important to ensure what you are proposing has long term consequences and will benefit a large number of people over a long period. The recipients must be able to maintain the equipment or project and have the resources to benefit over the life of the project. In some instances it might be prudent to develop your grant application so that you tweak the application to ask for what the donor is more likely to give rather than exactly what you want. Do not waste your time applying for projects that do qualify under the rules. Now is the time to put forward your preferred projects and expenditure for the next 12 months. You could be in favour of providing equipment or a defibrillator to a local community group. We could sponsor disabled or disadvantaged people. (Our Charitable Trust can do this for youth under 18 years old). Various overseas groups are always in need. You might even propose a "Men's Shed" (& women) to be built adjacent to our Bookmart.

Rob Chambers

MEMBERSHIP SUBS

Our subs are the lowest in the District and probably Australia. This is because the Board has decided to reinvest in our members and volunteers. Some clubs charge as much as $350. So far 33 members are paid up, so if you are one of the remaining 16 members could you please use our EFT facility to forward your $200.

Rotary Volunteers Meals on Wheels Protocol

Charles Sturt Meals on Wheels kitchen is situated at the Rear of **Festival Function Centre, 292 Findon Road, Findon in carpark.**

You report to the supervisor, enter the kitchen through the door on the left of the building as you look at it. This is the tea room area. Please be at the kitchen no later than 10.50am for departure at 11.00 am. Phone number is 0407603637 (Grace Giles).

The Rotary volunteer drives their own vehicle taking a Meals on Wheels volunteer out on the round to deliver meals to recipients.

Rotarian is not required to help with meal preparation. Rotarian helps the MOW volunteer put the meal boxes into the vehicle.

Rotarian is the driver who provides his own vehicle to take MOW volunteer to recipients homes and will usually know the round.

The Meals on Wheels volunteer will accompany the Rotarian volunteer on the delivery round.

The Rotarian volunteer can help the Meals on Wheels volunteer deliver the meals to the recipients. This depends on how the MOW volunteer works.

The MOW volunteer will put meal into a basket for the recipient , so Rotarian volunteer can either remain in vehicle or go in to meet recipient.

The typical shift will take approximately 1 1/2 to 2 hours depending on the number of recipients.

A current Police Check is required by volunteers to visit the aged in their homes. Your Rotary police Clearance will be ok.

The volunteer does not have to show proof of Covid or Flu vaccination, obviously it is preferable if you have had the vaccination.

If you have a breakdown or accident the MOW volunteer will call for a taxi and will continue on the remainder of the round and return to the kitchen afterwards. You are left to deal with the issues with your vehicle as you see fit to do.
