A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Please Note: If you would like to put your name down for any rosters contact CLUB SECRETARY, Ed King.

If you are unable to fulfil your rostered role, please arrange a swap with another member before advising Ed King Edward.king3@bigpond.com and the Kidman Krier Editor Robert Ryan at rjvaryan@bigpond.com.

PRESIDENT'S THOUGHTS

President's Report 12th August 2023

Last Tuesday (8th August) a good number of our members visited the Toy Boys workshop at Henley Beach.

The Toy Boys is a project of the Rotary Club of Charles Sturt Grange. The toys are mostly donated to various Charities although some are sold.

The variety and quality of the toys was very impressive. Some interesting facts are: -

each toy is made entirely by one volunteer, from cutting out through assembly and painting

the toys are made in batches of ten (mostly)

a new toy must be made to a quality standard and has to pass a strict set of criteria to ensure it is safe for children (e.g. have no parts that might fall off and could be swallowed; or protruding parts that could impale a child if fallen on).

The Toy Boys focus is on producing quality toys that are donated to Charities. Very few toys are sold.

A couple of Businesses have regularly donated materials (e.g. MDF Board and paint) for the toys.

During the recent prolonged redevelopment of the area around Henley Square, the area around the Toy Boys workshop was the base for all the trucks and equipment being used on the development. One of the truck operators asked if a model of his truck could be made, supposedly for his Son/Grandson. Apparently, the detail incorporated into the truck was quite amazing and the Operator was very pleased with the resulting truck (and the price he paid).

It was suspected that he probably kept the toy truck for himself.

The Toy Boys visit was followed by a meal at The Ramsgate Hotel.

The Club's Board met last Thursday evening. The Board approved funding for: -

A donation to WBSLC's Pink & Blue Swim event equal to the sales revenue from Bookmart sales in Jan -mid Feb 2024.

A donation to WBSLC for the purchase of a "Beach Wheelchair" **#**

A defibrillator for outside of the new WBSLC Clubrooms that could be accessed by the general public **#**

 # NOTE: *Subject to discussion with WBSLC to clarify a need for these items.*

Supporting Aboriginal Health Research Scholarships. $500.00 / year x 4 years

I look forward to seeing you at next Tuesday's Networking meeting.

We will also be inducting another new member.

Club Information

District Governor's visit to our Club on 29th August.

The District Governor Craig Dowling will be visiting our Club on Tuesday 29th August.

He has a Video presentation outlining his vision for the year. He has asked that it be viewed by Clubs prior to his visit as it may help Clubs prepare their goals for the year ahead.

I have attached the link to the video so that all our Members have an opportunity to watch the video. https://vimeo.com/839420737/88c1960005

We have Committees meetings this Tuesday so I encourage you to have a look before Tuesday if possible.

Meals and Venue Information

Hi Kidman Parkers

An update on our Westward Ho Venue matters.

As a result of our KPR Board Meeting last week, I have followed up these below matters with their General Manager Steve Freeling.

I have reiterated that the selected meals each week must come from our list of 18 choices of meals. This list was provided by us to Westward Ho several months ago and Steve

assures us that the Chef has a copy of it. I reinforced the importance of having both meals arrive at individual tables at the same time so "Alternate Drop" which will enable anyone to

swap meals if anyone wishes.

Steve and I have discussed several times the need for the car-park lights to be working for our members (which also applies to their Westward Ho team members when they leave).

Steve has organised the spot lights at the entrance of the Clubrooms to be in working order. I advised this only improves light near the entrance and for the disabled parking area.

Steve has no control over the light tower lights at the west of the car park and they are currently not operating at our times. Steve suggests that for those who are worried about

the lighting then they should park as close as possible to the entrance of the Clubrooms.

If two Disabled parks are left available for those with health reasons, then the other parks adjacent to those are available which are near the light source.

Any questions then contact me.

Cheers

Warren Hobbs

Calperum

Hi Fellow Rotarians and club Presidents,

Rotary Calperum (CATE) committee is continuing the renovation works at Calperum.

Our next building is House 4 or now known at Bushview (next to Rotary House).

Funds have been sort and received by many clubs – thank you, we appreciate it greatly.

We have purchased all the flooring and paint to complete House 4, Large and small Dorm and have the materials stored on site.

We are now set a date on Wednesday 23rd August to start removing the existing carpet and installing the new floating floors to the building and we expect to be finished and returning home by Monday 28th August.

We need some extra helpers.

We have some experience floating floor installers (Yes – Rotarians), but we need 3 to 4 more helps.

We will be staying in the Dorm Blocks the first couple of days then moving to Rotary House on the Friday.

Please promote this to your club members.

If any are available, either for the full time or part time – ie come up on the Friday pm till the Sunday, would be good.

Please let me know by Friday 18th August – pretty please.

Rotary Volunteers Meals on Wheels Protocol

Charles Sturt Meals on Wheels kitchen is situated at the Rear of **Festival Function Centre, 292 Findon Road, Findon in carpark.**

You report to the supervisor, enter the kitchen through the door on the left of the building as you look at it. This is the tea room area. Please be at the kitchen no later than 10.50am for departure at 11.00 am. Phone number is 0407603637 (Grace Giles).

The Rotary volunteer drives their own vehicle taking a Meals on Wheels volunteer out on the round to deliver meals to recipients.

Rotarian is not required to help with meal preparation. Rotarian helps the MOW volunteer put the meal boxes into the vehicle.

Rotarian is the driver who provides his own vehicle to take MOW volunteer to recipients homes and will usually know the round.

The Meals on Wheels volunteer will accompany the Rotarian volunteer on the delivery round.

The Rotarian volunteer can help the Meals on Wheels volunteer deliver the meals to the recipients. This depends on how the MOW volunteer works.

The MOW volunteer will put meal into a basket for the recipient , so Rotarian volunteer can either remain in vehicle or go in to meet recipient.

The typical shift will take approximately 1 1/2 to 2 hours depending on the number of recipients.

A current Police Check is required by volunteers to visit the aged in their homes. Your Rotary police Clearance will be ok.

The volunteer does not have to show proof of Covid or Flu vaccination, obviously it is preferable if you have had the vaccination.

If you have a breakdown or accident the MOW volunteer will call for a taxi and will continue on the remainder of the round and return to the kitchen afterwards. You are left to deal with the issues with your vehicle as you see fit to do.
