District Governor's visit to our Club

The District Governor Craig Dowling will be visiting our Club on Tuesday 29th August.

He has a Video presentation outlining his vision for the year. He has asked that it be viewed by Clubs prior to his visit as it may help Clubs prepare their goals for the year ahead.

I have attached the link to the video so that all our Members have an opportunity to watch the video. https://vimeo.com/839420737/88c1960005

We have Committees meetings this Tuesday so I encourage you to have a look before Tuesday if possible.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Please Note: If you would like to put your name down for any rosters contact CLUB SECRETARY, Ed King.

If you are unable to fulfil your rostered role, please arrange a swap with another member before advising Ed King Edward.king3@bigpond.com and the Kidman Krier Editor Robert Ryan at rjvaryan@bigpond.com.

PRESIDENT'S REPORT 23 August

Fellowship Event - Visit to the Holocaust Museum and meal at Vili's Cafe

Last Tuesday 30 plus members, partners and a couple of Annie & my friends visited the Holocaust Museum.

We were given an interesting and informative overview of the Holocaust and also heard from Eva Temple, one of the youngest survivors of the Holocaust living in Australia and possibly the youngest survivor of the Bergen-Belson concentration camp. She was only 4 months old when she was sent to Bergen- Belson. She emigrated to Australia in the 1960s as a "Ten Pound Pom".

The Holocaust Museum is a permanent exhibition that traces the history of the Holocaust. To quote their Website

" It encourages critical thinking around themes that remain relevant to issues in contemporary society such as positive citizenship, hate-speak, antisemitism, racism, and acts of terror. Our goal is to enable all young people and the wider community to learn about this tragic period in world history and to learn about the importance of being an Upstander and promoting human rights for all of humanity".

Following the visit most of us ventured to Vili's Café for a meal. It was interesting experience. The Café was packed and they also seemed to have a lot of Uber Eats transactions.

Thank you to the fellowship Committee members who organised the visit.

RYPEN: (Rotary Youth Program of Enrichment – for young people aged 14-17)

We are sponsoring a student, Mohammad Yasin Saberi, to attend the camp at Woodhouse Activity Centre in the Adelaide Hills, from Friday 1st September to Sunday 3rd September.

We'll endeavour to get Yasin to attend a future Dinner meeting to give some feedback on the experience.

District Grant Applications:

Rob Chambers has submitted Applications for District Grants. Applications have been submitted for: -

- Equipment for the new West Beach Surf Lifesaving Club
- Purchase of Shelterbags for Homeless
- Defribillators for both our Bookmart and WBSLC
- Winter Warmers project, in conjunction with The Rotary Club of Stanford, South Africa.
- If successful the Grant money should enable KPR to make meaningfull contributions to our community

Thought for the week

Those who look only to the past or the present
are certain to miss the future. '

Something to Ponder

An Airbus 380 is on its way across the Atlantic.
It flies consistently at 800 km/h at 30,000 feet, when suddenly a Eurofighter with a Tempo Mach 2 appears.

The pilot of the fighter jet slows down, flies alongside the Airbus and greets the pilot of the passenger plane by radio: "Airbus, boring flight isn't it? Now have a look here!"
He rolls his jet on its back, accelerates, breaks through the sound barrier, rises rapidly to a dizzying height, and then swoops down almost to sea level in a breathtaking dive. He loops back next to the Airbus and asks: "Well, how was that?"

The Airbus pilot answers: "Very impressive, but watch this!"
The jet pilot watches the Airbus, but nothing happens. It continues to fly straight, at the same speed. After 15 minutes, the Airbus pilot radios, "Well, how was that?

Confused, the jet pilot asks, "What did you do?"

The AirBus pilot laughs and says: "I got up, stretched my legs, walked to the back of the aircraft to use the washroom, then got a cup of coffee and a chocolate fudge pastry."

The moral of the story is: When you're young, speed and adrenaline seems to be great. But as you get older and wiser, you learn that comfort and peace are more important.

This is called S.O.S.: Slower, Older and Smarter.
Dedicated to all my senior friends ~
it's time to slow down and enjoy the rest of the trip

KK News Hound

Norm Lewis is well. I visited Norm last week....Tom and Kel have also visited recently.

Norm is in good health and is still very clear in his mind. He loves to hear what's going on at KPR and who did what and when.

I happened to read in a recent Advertiser article that Norm has some competition in the age stakes. There is a lady who is 111 yo in SA and guess where

she is living....at Southern Cross Care at West Beach where Norm is resident.

Just a reminder that a visit to see Norm is now very simple.....no pre-booking a time, some on -screen simple questions....Name , address etc.

No Covid test and no mask. Norm will be delighted to see and hear you. Car parking at the front is close by....location on Burbridge Road at West Beach (opposite Apex Park)

Best time for Norm's energy levels is early afternoon, but at any other times daughter Joan advises that you should just wake Norm up as he would not want to miss your visit.

For health reasons for the Southern Cross facility, it is best that Norm does not travel to meet with larger groups like Rotary Clubs or Probus, but it is fine for several people to visit Norm at the one time.

KARINA to visit us on Tues 12th Sept

You would remember that Lisa Clutterham was our KPR outgoing Rotary Exchange Student in 2005 to Brazil..

Lisa spoke by Zoom to our KPR Meeting last year.

Father Mike Clutterham rang recently to say that Karina who was our incoming Rotary Exchange Student from Brazil in 2006, is visiting Adelaide shortly and we have arranged that

she will visit KPR on Tues 12th Sept. That date is scheduled as a Committees night which will continue to apply, but our Co-Presidents have agreed to find a spare 10 min for Karina to

address us and tell us what she has done over the past 17 years....yes, it has been that long!!!

The Clutterham family have been quite close with Karina over the years....and they home hosted Karina in 2006 for 4 months as part of the KPR Youth Exchange project.

Karina will arrive by 6pm that night so there will be time before and after the meeting to catch up with Karina.

JOKER DRAW

Joker Draw

No Joker draw this week due to visit to

Holocaust Museum.

The KK Newshound has been out on the beach between Henley and Grange jetties.

The photo is of an ELECTRIC Surfboard. There is a rumour that our Frank Bunnik has been exploring possibilities for next years Pink and Blue Swim.

For the purists, it works like a Hovercraft perched just above the water surface and the WINGED KEEL retains balance.

Apparently steering is the challenge .....so our Frank could end up in Edithburgh

Rotary Volunteers Meals on Wheels Protocol

Charles Sturt Meals on Wheels kitchen is situated at the Rear of **Festival Function Centre, 292 Findon Road, Findon in carpark.**

You report to the supervisor, enter the kitchen through the door on the left of the building as you look at it. This is the tea room area. Please be at the kitchen no later than 10.50am for departure at 11.00 am. Phone number is 0407603637 (Grace Giles).

The Rotary volunteer drives their own vehicle taking a Meals on Wheels volunteer out on the round to deliver meals to recipients.

Rotarian is not required to help with meal preparation. Rotarian helps the MOW volunteer put the meal boxes into the vehicle.

Rotarian is the driver who provides his own vehicle to take MOW volunteer to recipients homes and will usually know the round.

The Meals on Wheels volunteer will accompany the Rotarian volunteer on the delivery round.

The Rotarian volunteer can help the Meals on Wheels volunteer deliver the meals to the recipients. This depends on how the MOW volunteer works.

The MOW volunteer will put meal into a basket for the recipient , so Rotarian volunteer can either remain in vehicle or go in to meet recipient.

The typical shift will take approximately 1 1/2 to 2 hours depending on the number of recipients.

A current Police Check is required by volunteers to visit the aged in their homes. Your Rotary police Clearance will be ok.

The volunteer does not have to show proof of Covid or Flu vaccination, obviously it is preferable if you have had the vaccination.

If you have a breakdown or accident the MOW volunteer will call for a taxi and will continue on the remainder of the round and return to the kitchen afterwards. You are left to deal with the issues with your vehicle as you see fit to do.
