A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Please Note: If you would like to put your name down for any rosters contact CLUB SECRETARY, Ed King.

If you are unable to fulfil your rostered role, please arrange a swap with another member before advising Ed King Edward.king3@bigpond.com and the Kidman Krier Editor Robert Ryan at rjvaryan@bigpond.com.

PRESIDENT'S REPORT 1st. September 2023

District Governor's Visit:
DG Craig Dowling visited us last Tuesday (29th August) and expanded on some of the issues presented in his video (sent to members prior to Craig's visit)

DG Craig's Big 4 for 2023-2024
• International Service – Craig reminded us that Rotary is an International organisation and asked that Club's try
to add another International Project over and above what may already be done. And / or Increase the Club's commitment to the Rotary Foundation.

• Diversity, Equity & Inclusion – Craig drew attention to the second principle of the Four Way Test Is it Fair to all ?

• Raise Awareness & Advocate against Domestic & Family Violence – Rotary Zone 8 Districts of Australia New Zealand & South Pacific Islands are combining for this project.
What can a Club do?
1. Make a Commitment
2. Identify the Club with the message. Put the Say No to Domestic Violence logo on Banners, "T" shirts etc.
3. Engage the Community to support Rotary's Message.
4. Have an Event.

• District Governor's Partner Project – Aboriginal Chronic Disease Prevention Project – The project will fund two
indigenous PHD scholars over 3.5 years. They'll be the key to developing an Aboriginal Health Care capability in prevention of Chronic disease.

DG Craig's Partner Kiki Dowling asks Clubs to commit $500.00 per Year for four years towards the cost of the project.
Note: The KPR Board approved a commitment to provide $500.00 x 4 years to the DG Partner's Project at it's last Board meeting (held on 10th August).

DG Craig also requested that members consider attending the District Conference to be held in LOXTON, his home town, between 15th – 17th March 2024. See attachment

President's report continued

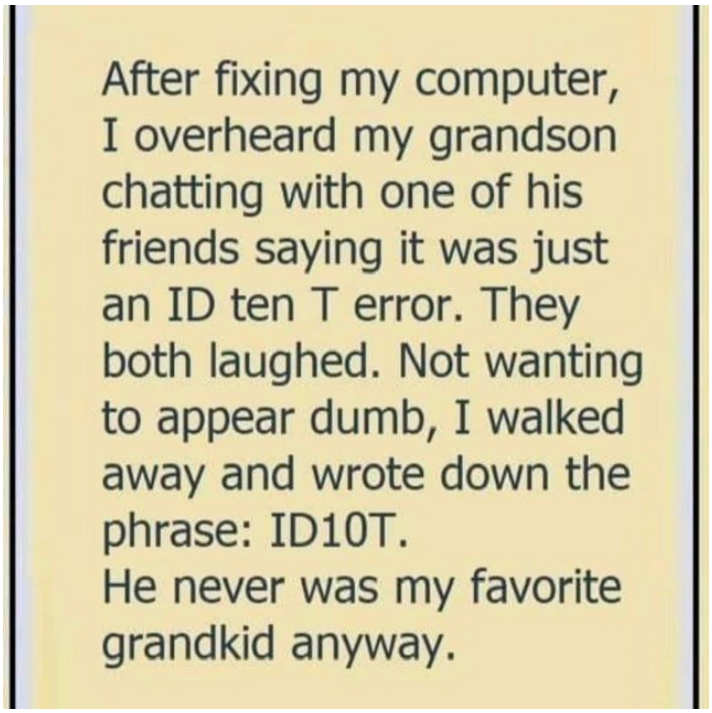

Next Week's Guest Speaker & Topic:

Anne Hayward from the Rotary Club of Albury North will be our Guest Speaker on 5th September.
Anne will be providing information on the Travel Club Fundraiser proposal.
It's a case of looking to Work Smarter Not Harder. The fundraiser has the potential to raise a significant amount of money for the Club to use for future projects.
I encourage members to attend next week's meeting to get the information first hand.

Thought for the week.

"Man cannot attempt to do right in one area of life,
while a)emp6ng wrong in yet another.
Life is one indivisible whole"

Something to Ponder

The Platypus returns to the Torrens !!

I recently received an email from Richard Bentley, Walkerville Rotary Club

I am looking to bring a group of people together in North Adelaide on Wednesday evening 20th of September to hear from Greening Adelaide who are leading this project.

I envisage they will include members of Rotary, Australian Conservation Foundation and schools along the river. A maximum of 40 people.

From Kidman Park RC I would suggest two delegates would be ideal

My understanding is there are three critical areas to get right before the first platypus is rehoused.

1. What will they eat?
2. What do we need to do to reduce pollution?
3. Is the vegetation on the bank suitable to enable the platypus to avoid predators- foxes and dogs.

How can the community help address any shortcomings?

If you are interested in being one of two delegates to a=end the mee>ng on 20th September please

let me know so I may advise Richard Bentley.

You might be interested in checking out the web for some more informa>on.

Rotary Volunteers Meals on Wheels Protocol

Charles Sturt Meals on Wheels kitchen is situated at the Rear of **Festival Function Centre, 292 Findon Road, Findon in carpark.**

You report to the supervisor, enter the kitchen through the door on the left of the building as you look at it. This is the tea room area. Please be at the kitchen no later than 10.50am for departure at 11.00 am. Phone number is 0407603637 (Grace Giles).

The Rotary volunteer drives their own vehicle taking a Meals on Wheels volunteer out on the round to deliver meals to recipients.

Rotarian is not required to help with meal preparation. Rotarian helps the MOW volunteer put the meal boxes into the vehicle.

Rotarian is the driver who provides his own vehicle to take MOW volunteer to recipients homes and will usually know the round.

The Meals on Wheels volunteer will accompany the Rotarian volunteer on the delivery round.

The Rotarian volunteer can help the Meals on Wheels volunteer deliver the meals to the recipients. This depends on how the MOW volunteer works.

The MOW volunteer will put meal into a basket for the recipient , so Rotarian volunteer can either remain in vehicle or go in to meet recipient.

The typical shift will take approximately 1 1/2 to 2 hours depending on the number of recipients.

A current Police Check is required by volunteers to visit the aged in their homes. Your Rotary police Clearance will be ok.

The volunteer does not have to show proof of Covid or Flu vaccination, obviously it is preferable if you have had the vaccination.

If you have a breakdown or accident the MOW volunteer will call for a taxi and will continue on the remainder of the round and return to the kitchen afterwards. You are left to deal with the issues with your vehicle as you see fit to do.
