President's Report:

Rotary Kidman Park

From Co-Presidents: Wayne Comley & Rob Stocker

Last meeting 26th September:

Peter Taylor from West Beach Surf Lifesaving Club (W.B.S.L.C.) spoke passionately about a program called "On the Same Wave".

W.B.S.L.C has been working in partnership with Surf Lifesaving S.A. since January 2007 to help reduce beach fatalities and injuries particularly amongst migrants and refugees, as many have never seen or swam in the ocean.
The On The Same Wave program is designed to engage with people from culturally diverse backgrounds and provide them with potentially lifesaving surf safety training in their primary language.

W.B.S.L.C. has worked with Thebarton Senior College, the only college in South Australia providing an intensive English language acquisition course for newly arrived adult migrants and refugee students.
W.B.S.L.C. has been training students to become members of the life saving family by providing training in First Aid, Resuscitation and most importantly to achieve the Bronze Medallion.
The first group took 18 months to reach their goal, which was a a significant achievement as many had never been in an ocean before arriving in Australia and could not swim before participating in the program.

It was great to see past President Alison Harris attend the meeting. Alison has a passion for Diversity and Inclusion and the topic resonated with her

OCTOBER IS MENTAL HEALTH MONTH

Australian Rotary Health (ARH) is:

- the leader in Non-Government Funding for research into Mental Illness. As Rotarians, this is something we can be proud of, and it also covers the need for supporting crisis at our own back door where **Sadly, 1 in 5 Australians will suffer 1 form of Mental Health Issue in any year.**

- a registered Charity, fully endorsed by Rotary International, with an enviable track record. And thanks to our many volunteers, along with interest earned from our investments, **we can give 100% of our donations to our research programs.**

- **In August last year** at a Symposium in Sydney, Australian Rotary Health announced its re-defined **focus area of Mental Health Research to between the ages of 0 – 12.**

Our **District 9510 ARH Committee has again organised a Spring Wine Offer** which has many benefits. Our extensive list gives you and your friends access to quality branded wines that most likely you already purchase from an outlet, but through our order, the prices are heavily reduced.

The benefit to the purchasers is reduced price.

The benefit to ARH is that based on orders, our wine merchant will donate to Australian Rotary Health - $36 per dozen of labelled wines, and $24 per dozen for cleanskins.

The benefit to your Club is that the orders will be matched to the respective Rotary Clubs that have participated in this campaign, and ARH will record your Club's share of that donation as part of your ARH fundraising this year.

The orders will close on Tuesday 31 October 2023, so please ensure that the completed orders are returned to me by email to john@jcampbell.com.au by that date. We expect that your orders will be **available for pick-up on Monday 13th November 2023**.

Says No To Domestic Violence

Rotary District 9510

Rotary District 9510 – South Australia – District Committee

An invitation for you and your organisation to join us in a Parade

Hello

Rotary District 9510 in South Australia is seeking you and your organisation's support, by joining with us on **Saturday 25th November 2023**. This will be our inaugural annual peaceful Parade walk from **Victoria Square** to the **Pioneer Women's Memorial Gardens** (next to the Torrens Parade Ground) to raise awareness of Domestic Violence and Coercive Control. We also wish to demonstrate our united determination to support the diverse range of Domestic Violence support services in South Australia.

The Parade will start at **10am**, taking about 30 minutes to stroll 1.2km down King William Street where some key partners will address attendees to share their views.
We aim to have coffee and food vans to encourage attendees to stay a while to mix'n'mingle with fellow walkers. Share stories. Make a new friend. Learn. Connect in Peace.

Importantly, we would like your organisation to **register swiftly to be a Group walking in the Parade**. Following that, we will ask you to encourage your staff; volunteers; customers and supporters, to walk behind your lead banner to promote your organisation and its educational messages.

Group registration close on 16th Oct. Please see the accompanying flyer for more details.
or click this link : http://e.mybookingmanager.com/Say-No-To-DV-Parade-GROUP-registrations
or visit our Parade website : www.**Stop**CoerciveControl.au

The Public (individual walkers) will be able to register **for FREE**.

Rotary Says No to Domestic Violence is actually not new. For about 5 years in other Rotary Districts around Australia, New Zealand and surrounding islands, Rotary has been running awareness programmes. Now in 2023, it's South Australia's opportunity to shine. And we've passionate people to make it happen.

Although many individual Rotary clubs in South Australia have been assisting local Councils and Domestic Violence organisation for a long time, we would now like to spearhead this united walk to attract the wider community and the media. We are here to support your organisation!

Collectively, lets continue to reduce domestic violence for females, males and children through this general awareness and educational Parade. Let's continue to make our society better.

So, please do register your organisation by 16th October and then encourage fellow workers and supporters to walk. Show your support. It's a low-cost event with the potential to do so much good.

This is a chance for all of us to make a peaceful, non-confrontational statement on Domestic Violence, while educating the wider community, particularly in recognising Coercive Control.

I urge you to register for the walk via our web site – see below – invite all to join us.
