03 September 2023: COMMITTEE MEETINGS
(Details are in Committee Reports below)

On Wednesday 4 October Joy and I attended the RC Mobilong meeting at the RSL Club in Murray Bridge on invitation from Jack and Jill Reddin as they finalised the Playgrounds for Mongolia Project. They expressed their appreciation for KPRs efforts in sourcing two playgrounds, helping with the packaging of the container and the financial contribution to support the transport costs. The overall cost of the Project was under $AUD20,000.

There were around 50 people attending from RCs Mobilong, Murray Bridge, Mt Barker and Kidman Park. Of particular interest was the very positive feedback from the principal players in The Veloo Foundation and RC Gerege in Mongolia. Their members unpacked the container within a week and have assembled two playgrounds. They sent a video showing this process and some of the children playing happily on the installations.

On another note, we are reminded that the World Polio Day, One Day - One Focus on ending Polio occurs on Tuesday 24 October a regular meeting night.

International Committee

International Committee discussed a number of items at our Committee Meeting on 3 October 2023, including

- Emails from Jack Reddin (RC Murray Bridge) and Peter Baur (RC Mount Barker) thanking RCKP for our input and support with the **Playgrounds for Mongolia Project.**

- Successful District Grant awarded for Ed King's **RC of Stanford Project** from his recent visit to South Africa, to support the purchase of school shoes and winter blankets for disadvantaged children and residents in Stanford

- Peter Johnson's **Thailand HIV/AIDS Orphans Project**. Peter is heading to Thailand this week and can hopefully provide us with further details for consideration on his return

- **Tanna/Vanuatu/Bridging Health Project**. There may be an opportunity for RCKP to sponsor volunteers/members to travel to Tanna as part of a project support team with Bridging Health, as a working holiday to deliver hands on support. Particularly looking at Medical and Building Trades trained people, Dates of expected Bridging Health visits are May and September 2024. Several options where KPRC could offer support were discussed.
    - Help Bridging Health with the purchase of materials or sponsorship of suitably trained people in their team
    - Broadening our thinking to include family of RCKP members and/or other local Rotary Club members

- **Any other projects**, communities in need or opportunities.
    - Rob Hughes has a contact with Rotaract Oceania who may have some projects in the Pacific Region that may need support.
    - Frank Bunnik discussed the option of doing more Birthing Kits using the model that the club used several years ago. Suggested that we could put together 2000 Birthing Kits for about $10000. This would be a project that would bring the club together and get a number of members involved in the process.

- **International Committee Guest Speakers** for May/June 2024. Frank Bunnik has a couple of potential speakers that he will approach.
    - A Major General in the Sri Lankan Army during the recent Civil War in Sri Lanka who is a Rotarian and visiting Adelaide to see his daughter here in Nov-Jan.
    - A contact who is presenting on The Neighbourhood Watch program.

Rob Hughes, International Director, Ph 0427 907710

Community Service Committee

1. Strengthen ties with WBSC….Rob C has put a proposal to WBSC.
2. Local Project with Vocational Committee….Steve Redden is considering AFL Max as a Venue for a coming RYLA, Operation Flinders etc. c/f
3. Links with other Rotary clubs…this will likely evolve from quarterly Area 7 Meetings coordinated by Area Governor. c/f
4. Foodbank project….Foodbank box in similar place in room as last year. Special thanks to Ann Branson for prep of Box. We agreed to followup the Manager of Woolworths Hilton re whether they are happy to support a Foodbank Box for Customer Donations. WH to followup
5. Consider Backpacks for SA Kids. Initially with Rachel as a Speaker and initial contact with close link of Frank Bunnik. This is a suitable project as a Bunnings BBQ beneficiary.
6. Consider Morning Trips to Bookmart by elderly residents groups in our area. Initial path is to determine whether there is any interest from Retirement Village Lifestyle Coordinators. WH to prepare an email to be sent canvassing whether there is any external interest of Villages, initially with Rebecca (Lifestyle Coord) of Uniting SA with 6 Villages. Phone discussion was positive with Rebecca with Marg Sargent as a Centre of Influence. Once we determine if there is any interest, KPR Bookmart Committee can then consider whether that interest and financial path is viable and desired. It is recognised that visits would need support of other Club Members in handling the “BookClub” visits.
7. On going BBQ dates at Bunnings are positive… Sun 8th Oct , and Friday 3rd Nov TBC. Followed up Bunnings re next Q and re-affirming available for cancellations.
8. Shelter Bags discussed. Given that we have received a RI Foundation Grant we can increase our order. We did so up from 30 to 40 to be confirmed at Board. 40 @ $90 = $3600. Adelaide & North West Homelessness Alliance is in place. Ordering of 40 Shelterbags from RC of Gawler Light. When and by whom. See Steve Redden re who orders.
9. PHF suggestions from our Community Services Committee. Each Committee Member to consider who….inside or outside KPR.
10. John Jackson raised supporting CFS Brigade in coming Fire Season. Contact from Ron Harris may provide a link to a Brigade as a Guest Speaker to see how we could assist and if appropriate.

Warren Hobbs, Community Service Committee

Bunnings (Airport) donated Books for Bookmart

Condensed version of email correspondence between Warren Hobbs and Adelaide Airport Activities Organiser.

Michelle.....we collected the 8 boxes of books on Sat 23rd Sept ....popular titles and all the books in excellent condition....and we delivered them to Bookmart same day.

These books will be very helpful for our Bookmart and they are much appreciated.

Your team have been very generous in the donation of the strong titles and the excellent condition of their books.

A big thankyou to yourself and your Adelaide Airport Bunnings team for your above and beyond support of our Rotary Bookmart.

By way of background, our Bookmart is located at Smith Reserve Hall, Gawler street, Woodville West SA 5011. All our sales proceeds go to Charities both local and international.

All Projects must be sustainable.

Some examples of local charities that we support are Shelterbags for the Homeless (with focus on the Western suburbs), Donations to Pink and Blue which enables research into Breast Cancer and Prostate Cancer, Rotary Youth Leadership, Operation Flinders, Defibrillators, Epilepsy SA, Downs Syndrome SA and International Projects of Medical Supplies and freight to Vanuatu, Birthing Kits etc. The amounts we contribute to some of these are increased significantly by successful Grant applications.

And this is supported by our significant income from regular Adelaide Airport Bunnings Sausage Sizzles.

Over the last 4 years our Rotary Club has donated through fundraising and Grants over $211,000 to various local and overseas Charities.

Hi Warren,

Thank you for your time on the phone today.

We are delighted we were able to help the Rotary bookmart. Your club provides invaluable support to so many worthy causes and We are pleased to be able to assist you in raising funds.

Kind Regards

Eve Livingston-Fairley

OCTOBER IS MENTAL HEALTH MONTH

Australian Rotary Health (ARH) is:

District 9510 ARH Committee has again organised a Spring Wine Offer which has many benefits. Our extensive list gives you and your friends access to quality branded wines that most likely you already purchase from an outlet, but through our order, the prices are heavily reduced.

The benefit to the purchasers is reduced price.

The benefit to ARH is that based on orders, our wine merchant will donate to Australian Rotary Health - $36 per dozen of labelled wines, and $24 per dozen for cleanskins.

The benefit to your Club is that the orders will be matched to the respective Rotary Clubs that have participated in this campaign, and ARH will record your Club's share of that donation as part of your ARH fundraising this year.

The orders will close on Tuesday 31 October 2023, so please ensure that the completed orders are returned to me by email to john@jcampbell.com.au by that date. We expect that your orders will be **available for pick-up on Monday 13th November 2023**.

Do you want to replenish your wine stocks for Christmas?
There is a range of wines to select from including: -

- Four sparkling wines
- Six whites wines or Rose'
- Eight Red wines
