President's Report:

Rotary Kidman Park

WAYNE COMLEY and ROB STOCKER

17 October 2023:

One of Rotary's objectives is to encourage members to engage and develop confidence in public speaking.

A reminder of Meeting Duties responsibilities:

- **Furniture**
  - setting up the furniture prior to the meeting and putting it away after the meeting. Sometimes, someone other than the person(s) rostered on, who is/(are) at the meeting early will do the setting up, but if you are rostered then please make sure that it is all set up and put away properly.
- **Attendance**
  - Frank Bunnik seems to be permanently attached to this role (he organises replacements when he is unable to do so).
- **Chair**
  - making the meeting run smoothly and controlling unnecessary noise and discussion during the times when members are reporting and especially when Guest Speakers are delivering their presentations. The Chair is usually the person who has organised, and will therefore introduce, the Guest Speaker and conduct the Question Time.
- **MC**
  - following the schedule outlined in each week's Running Sheet; introducing the President(s) and Directors for their reports; announcing: Meals on Wheels, BookMart and Meetings Duties Rosters for the upcoming week, Members and Partners Birthdays, Wedding anniversaries, and Club Anniversaries; and closing the meeting.
- **Welcome**
  - welcoming members, particularly the guest speaker, handing badges to members as they arrive, retrieving them at the end of the meeting, and returning the badges box to the storage cupboard.
- **Joker Draw**
  - selling the tickets to members, recording the ticket sales made, allocating 1/3 of money to the Joker "Pot" and 1/3 of money to the Club, handing this 2/3 of the money to the Treasurer, making Joker Draw related announcements, arranging Guest Speaker/ member to draw the ticket from the barrel and giving 1/3 of money to the winning ticket holder.

REGIONALISATION PILOT SURVEY

Co-President Wayne has emailed the Regionalisation Pilot Club Member Survey to each member. This as an urgent request for your feedback so that our Club's opinion can be put forward. Please return your survey forms by Tuesday 24 October either by return email or as hardcopy at the meeting.

GUEST SPEAKER

It was a pleasure to hear Guest Speaker Ian McDonald's talk "Exploring Nature's Enigmatic Wonder: The Mesmerising Journey of Strange Creatures from the Sargasso Sea; Unraveling Amazing Electrical Discoveries and solving Aristotle's Conundrum (well nearly!)". From a thoroughly researched background Ian helped us explore the life cycle of the European Eel, first studied by Aristotle more than 2500 years ago. This unique animal begins life in the Sargasso Sea off the Bermuda Coast. As salt-water living tiny larva millions then swim some 5000 kms to become a fresh-water living adult eel with a life span of over 50 years. Returning to the Sargasso Sea as adults, they spawn millions of larva. But here is the catch (or Aristotle's conundrum): no-one, even after long term intensive studies has ever seen an adult eel with male reproductive organs!! How do they do it is the question that has failed to be answered for over 2500 years

MT LOFTY BRUNCH

Congratulations to Shirley Roberts and the Fellowship Team who organised the Brunch outing at the Mt Lofty Summit Cafe. Around 20 members gathered at 11:00 to enjoy a late breakfast/early lunch. The food was tasty and sufficient, the company excellent and the view intermittent between clear views of Adelaide City and clear views of misty fog that did nothing to deter members from lively conversation welcoming surroundings.

FELLOWSHIP EVENT: TREASURE ISLAND Saturday 18 November

The theatre is at 53 Angas Street, Adelaide and the show starts at 7.30 pm.
31 people have indicated they will be attending. Ian Roberts will issue tickets prior.
Prior to the show, 28 of those are dining at the Wakefield Hotel at 78 Wakefield Street.

Please arrive at the hotel between 5.30 and 5.45 to order your meal and drinks.

🍷 We can't be late for the show 🙏.

Please contact Ian Roberts with any queries - Mobile: 0413 646 265

So Close

A group of KPR members play golf at the Patawalonga each Thursday morning, teeing off at 7.00 am

Last Thursday Chris Weyland was so close to scoring a HOLE IN ONE on the second Par 3 hole.

Only one of the group (Ian Roberts) has ever scored a Hole in One but it was so long ago no one remembers.

Ian has since stopped playing reckoning that he has achieved the ultimate goal.

Service Above Self Award

Rotary's Service Above Self Award honours Rotarians — and now also Rotaractors — who help others by volunteering their time and talents. If you know someone who has demonstrated exemplary service, encourage their governor to nominate them for the Service Above Self Award, one of Rotary International's highest distinctions in service, by 31 October. Only district governors can nominate candidates for this award, and up to 150 recipients are selected each year.

It will be PARTY TIME for all those getting along to the coming Conference!!!!

the dates for your calendar….arrive Fri arvo 15th March 2024 and the conference finishes at 2pm on Sunday 17th.

some great accommodation has been sourced for our KPR group attending. This is at the Berri Riverside Holiday Park. All the below accomm is held over and covers two nights stay and is in the same area in the Holiday Park. Berri is an easy 10-15 min car pool from Loxton where the conference is being held.
There is no available accomm in Loxton but our Berri accomm below is a far better option.
Three 3 Bedroom apartments (all ground floor) cost is $70 per person per night….each apt has a BBQ and a large living area. Also one single Bedroom Cabin cost is $145 per night.
Plus 3 Powered sites for those with caravans around $45 per night.

This is a fabulous Holiday Park. Check out the Park Site Map on
https://www.berriholidaypark.com.au
Then "About Us" then scroll down to "Park Site Map"
Affordable and currently available and held over for KPR for the next fortnight.
Please consider your desired accomm and Warren and Karen will handle follow up with the Venue for our Group. If you wish to have Share Room accomm then please let us know.
The bookings can be easily extended before or after the 15th and 16th if anyone chooses so.

The Conference is well organised and the Running Sheet and Speakers are outlined on the Conference Website
https://2024loxton.au
The Speakers and Program are impressive and has a special Riverland bent.
Most attendees will likely book for the General Sessions ($220pp) and the Sat night Gala Dinner ($60pp). Partners can choose to not Register for General Sessions if they are keener on the holiday away.
The Registration process is on the Website above and is a simple process.
See us if you want any assistance.

The Conference Chair expects that around 500 people will attend.
Adelaide to Loxton is 256km (around 2hr 46min)
We will ask the question at KPR meetings over the next 2 weeks as to which KPR Members and Partners are wishing to attend. We will regularly gather the interested group to keep them up to date with developments on the Conference. Anyone wishing to travel with others then please discuss that around.

If you prefer please email your interest in the Conference to
Warren.hobbs53@gmail.com or
kmlxena@gmail.com
