Co-President's Report:

Rotary Kidman Park

GUEST SPEAKER

Kim Farley from Backpack for Kids SA remembered the commitment that Kidman Park Rotary had made in past years as he was introduced as Guest Speaker by Frank Bunnik.

Kim spoke about the genesis of Backpacks for Kids SA from humble beginnings in a backyard garage. He explained how, with the help of many valued volunteers, the organisation has grown into the well-recognised enterprise it now is. Having delivered over 87,000 backpacks as well as family packs, anchor packs and house packs, it is serving those in our community who are disadvantaged by the circumstances in which they live.

The clients of Backpacks for Kids SA come from the courts, children and adults who are escaping domestic violence, economic uncertainty, loss of housing/ homelessness.

The different packs contain essential items such as educational materials, clothes, personal hygiene items, furniture, cooking implements, crockery and cutlery, etc to help clients get on their feet.

Frank is keen for members of KPR to again provide hands-on support.

Thank you to the members who completed the Rotary Zone 8 Regionalisation Pilot - Community Group Survey.

I expect that members may like to know how their thoughts aligned with or varied from other members, so I have summarised the results and included them in this edition of the Club Bulletin.

The results will be forwarded to the Regionalisation Committee.

D9510 CONFERENCE AT LOXTON from Fri 15th March to Sunday 17th March 2024

It will be PARTY TIME for all those getting along to the coming Conference!!!!

the dates for your calendar….arrive Fri arvo 15th March 2024 and the conference finishes at 2pm on Sunday 17th.

some great accommodation has been sourced for our KPR group attending. This is at the Berri Riverside Holiday Park. All the below accomm is held over and covers two nights stay and is in the same area in the Holiday Park. Berri is an easy 10-15 min car pool from Loxton where the conference is being held.
There is no available accomm in Loxton but our Berri accomm below is a far better option.
Three 3 Bedroom apartments (all ground floor) cost is $70 per person per night….each apt has a BBQ and a large living area. Also one single Bedroom Cabin cost is $145 per night.
Plus 3 Powered sites for those with caravans around $45 per night.

This is a fabulous Holiday Park. Check out the Park Site Map on
https://www.berriholidaypark.com.au
Then "About Us" then scroll down to "Park Site Map"
Affordable and currently available and held over for KPR for the next fortnight.
Please consider your desired accomm and Warren and Karen will handle follow up with the Venue for our Group. If you wish to have Share Room accomm then please let us know.
The bookings can be easily extended before or after the 15th and 16th if anyone chooses so.

The Conference is well organised and the Running Sheet and Speakers are outlined on the Conference Website
https://2024loxton.au
The Speakers and Program are impressive and has a special Riverland bent.
Most attendees will likely book for the General Sessions ($220pp) and the Sat night Gala Dinner ($60pp). Partners can choose to not Register for General Sessions if they are keener on the holiday away.
The Registration process is on the Website above and is a simple process.
See us if you want any assistance.

The Conference Chair expects that around 500 people will attend.
Adelaide to Loxton is 256km (around 2hr 46min)
We will ask the question at KPR meetings over the next 2 weeks as to which KPR Members and Partners are wishing to attend. We will regularly gather the interested group to keep them up to date with developments on the Conference. Anyone wishing to travel with others then please discuss that around.

If you prefer please email your interest in the Conference to
Warren.hobbs53@gmail.com or
kmlxena@gmail.com
