# Co-President's Report:

Rotary Kidman Park

## GUEST SPEAKER

Our Guest Speaker, Tony Elliott, unravelled an enthralling mystery for us as he unfolded the intriguing story of the Mystery Somerton Body or what has become known as The Somerton Man.

Various investigators from police, coroner's office, other researchers and the general public have tried to piece together the sparse number of clues in order to solve one of South Australia's (indeed Australia's) most baffling deaths. Clothing without labels, a suitcase not collected, DNA testing, the "clue" from the Rubaiyat of Omar Khayyam (Taman Shud meaning The End) and multiple press stories over the decades since the discovery of the body in December 1948, have failed to shed light on The Mystery Somerton Body.

## PLAYGROUNDS for MONGOLIA

Two playgrounds have been installed in the Kindergartens on either side of a rubbish tip in Ulan Bataan, Mongolia. The Veloo Foundation and RC Gerege sent a YouTube video of the installation and children playing on one of the Charles Sturt City Council playgrounds:

## The Monday Morning Walkers Group

Every Monday morning, several members walk the foreshore somewhere between Grange and West Beach in an attempt to increase fitness and/or maintain a healthy body. After the walk the participants meet at the Sunnyside Cafe for a welcome cup of coffee and discussion designed to solve the world's problems. They are joined by a few others who enjoy the company, the inspirational conversation and, of course, the coffee. Some are able to bring appropriate transport for their return journey, as seen below.

# The Conference is well organised and the Running Sheet and Speakers are outlined on the Conference Website
https://2024loxton.au
The Speakers and Program are impressive and has a special Riverland bent.
Most attendees will likely book for the General Sessions ($220pp) and the Sat night Gala Dinner ($60pp).
Partners can choose to not Register for General Sessions if they are keener on the holiday away.
The Registration process is on the Website above and is a simple process.
See us if you want any assistance.
The Conference Chair expects that around 500 people will attend.
Adelaide to Loxton is 256km (around 2hr 46min)
We will ask the question at KPR meetings over the next 2 weeks as to which KPR Members and Partners are wishing to attend. We will regularly gather the interested group to keep them up to date with developments on the Conference. Anyone wishing to travel with others then please discuss that around.

If you prefer please email your interest in the Conference to
