KIDMAN PARK ROTARY
XMAS 2023 DONE AND DUSTED

Whilst the theme was not fancy dress it was great to see some of our more out-landish members getting into the spirit of Xmas.

A great event excellently organised and run by our Fellowship committee lead by Shirley Roberts.

A visit by Father Bob Xmas and an Elf who was con-stantly hosting you her pants visited and distributed gifts to all members. A fun day with great fellowship and new memories.

If for some reason you are unable to fulfil your roster please arrange to swap with another Member.
Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Update on December BBQ activities

Next is Friday 15th Dec from 10.30am to 3pm. Airport Bunnings are wanting to expand into Fridays and we have been told that a Friday BBQ allocation will not reduce our Weekend Day allocation. In fact, it will likely be one Weekend day BBQ per month will be accompanied by a Friday but lesser hours apply on the Fridays. The Friday will only be 2 shifts with a total of 8 volunteers. The roster for this will be gathered up to and including the previous Tuesday KPR Meeting.

Therefore, it will be busy and productive and beneficial and manageable in December.

In between these, City of Charles Sturt (CCS) have requested to borrow our BBQ Trailer for Thursday 7th Dec.

Our Stuart Ghent is the contact and coordinator for this and it is always our goal to assist CCS whenever and wherever we can.

CCS will provide a donation to KPR. This CCS occasion will not involve any of our volunteers other than Stuart assisting CCS where required.

It is our ongoing policy to send a reminder email to all of the listed volunteers a few days prior to each BBQ event. It advises Date, Shifts, Names and times.

All BBQ dates are all recorded on our KPR ONE DRIVE events listing.

Thank you to all of our Volunteers that have enabled our BBQ activities to be outstandingly successful in 2023, which provides fantastic financial support for our wide range of Projects. In addition, key is the work that Rob Chambers does in the background for each BBQ activity.

A special thanks to all volunteers at our latest effort.

It was both financially successful and seemed enjoyable with a moderate 23C

Feedback and an update on Airport Bunnings BBQ for Xmas Fun Night and BBQ

Hi BBQ team for past two BBQ's

The Bunnings Xmas Fun Night was a very different event and likely felt different for all of us that were on roster on 7th Dec.

Bunnings supplied and paid for all Consumables of Sausages, Bread, Onions and a wide variety of soft drinks plus some ice and meal tickets for their Invitees.

Our BBQ team was for two shifts of 4 people for 2 hours each one half of a usual weekend day.

Plus to paint the full picture, other exhibitors were RFDS, Face painting, Antique Cars, Children's games area and all their helpers were all given a can of drink and sausage by our BBQ stand.. Attached are some photos of the festivities.

KPR was provided with two Bunnings Vouchers totalling $400 face value and for which we conducted a raffle. We had a Raffle Draw at the end of the evening that was drawn by Bunnings Organiser Eve and we will advise the 3 winners of their collective win sharing $200 of vouchers.

Eve has approved the other $200 Voucher to be raffled at a future KPR Meeting perhaps instead of the Joker Draw on 19th Dec.

The INTANGIBLE result from this very different occasion is connectivity.

KPR were selected by Eve as we are a safe no-fuss BBQ option for her on a critically busy night for her.

So the key goal for this event was relationship and connection for Bunnings, their key customers and KPR.

Feedback and an update on Airport Bunnings BBQ for Xmas Fun Night and BBQ

Remembering over the past 12 months KPR has received at least 5 extra cancellation BBQ dates that we have derived extra net profit of 5 @ $1400 (on average) = $7000.....resulting from us all doing the job well and you all being happy to volunteer and sometimes at short notice.

The TANGIBLE rewards from this specific Bunnings Event were a combination of the following.

Raffle Sales and Donation $100

Likely proceeds of KPR Raffle of the extra $200 Bunnings Voucher .....say $200

Bunnings extra sausages of 80 gifted by Eve now in Bookmart freezer...say $40

Extra cans of drink gifted by Eve.....say $30

Less minor KPR expenses of Ice and Raffle Books.....(15)

Total monetary gain for KPR $355

(If you wish to quantify that per hour then $355/20hrs = $18ph.)

However I repeat this event was all about relationship.

To do these type of events for Airport Bunnings is all part of the big picture.

In addition to this, our last Bunnings event for 2023 is next Friday 15th Dec from 10.45am to 2.15pm.

It is for 2 shorter shifts of 1hr 45 min with only 3 volunteers on each shift. It is scaled back as midweek is a much less busy period.

I will circulate a Volunteer Roster this Tues night to gather a few further names.

However, it is also part of the bigger Bunnings picture. If we want the high profit weekend days (with some extra valuable cancellations) then we need to be aware of the big picture.

On behalf of KPR, thank you for your ongoing understanding and support. It is making a critical difference for funding of our various KPR projects.

Cheers and thanks / Warren Hobbs

Fire Service Leadership – Fact or Fiction?
A Churchill Fellowship Journey

Guest Speaker 9th January

A volunteer firefighter with the South Australian Country Fire Service (CFS) since 2012, Haydn has witnessed frontline leadership from some uniquely challenging perspectives, most notably during the Black Summer of 2019 - 2020 working in NSW at the Adelaide Hills - Cudlee Creek fire and the equally tragic Kangaroo Island fires, none more so. As an adult educator interested in how people learn for leadership, the lack of any nationally consistent leadership learning pathway for volunteer firefighters stood out to Haydn as a severe and systemic national capability gap.
"How can we realistically send our emergency service v

+olunteers into such stressful
situations and expect them to effectively lead teams with little or no investment towards their leadership development? That's just not right - there has to be a better way!" This thought inspired Haydn to apply for and win a 2020 Churchill Fellowship to investigate leadership learning options for volunteer emergency first responders. Between August and October 2022, he travelled to NZ, the USA, Canada, Denmark, and the Philippines to undertake this research.
This informative session will walk you through Haydn’s round-world research journey, unpacking the five themes that emerged alongside the five key areas relevant to ensuring Australian volunteer emergency service sustainability into the future.
Service has been the hallmark of Haydn's career, spanning the Australian Regular Army, the South Australia Police, and most recently, the Australian Border Force, where 2021 marked his 36th year in uniform. As a professional learning and development facilitator since 2010, he has delivered entry-level recruit and frontline supervisory leadership learning at various locations around Australia and in Papua New Guinea.
Since retiring from the ABF in 2021, Haydn has facilitated bespoke leadership learning experiences for various federal and state regulatory and emergency service agencies as a consultant. These have focused on team building and assisting leaders to sharpen their focus towards creating effective, positive, psychologically safe, and engaging working environments.

The Joker Draw for Tuesday 5 December.

In one of the most hotly contested Joker Draws in living memory, the floor challenged the accounting ability of one of our most imminent accountants as to the value of the jackpot. The matter was resolved with the following declaration from the Treasure, “I will pay what I deem to be the correct amount in our books.”
After what was a hilarious 10 minutes Stuart Ghent won the nightly draw but did not draw the Joker.

Any bodies guess what the jackpot will be next week.

A Little Poem For The Old Is Gold

Another year has passed and
we're all a litte older, last summer
felt hotter now winter seems
much colder.

There was a time not long ago
When life was quite a blast. Now I fully
understand about 'Living in the Past'

We used to go to parties, picnics
and lunches.Now we stay at home
prefering snacks to brunches

We used to go out dinning,
and could'nt get our fill. Now we ask for
take away, come home and take a pill.

We used to often travel to places
near and far. Now we get restless
syndrome from riding in the car.

That, my friend how life is, and now
my tale is told.So, enjoy each day and
live it up before you get too old.

With a gift today, you can help supply filters that clean people's drinking water, protect children from diseases like polio, help families replace livestock after disasters, and supply medical equipment that gives newborns a healthy start.

Please consider giving the gift of Rotary today so that together, we can keep Doing Good in the World.
