To all a Merry Christmas and a Safe and Healthy New Year

We're now in London with our son Jarrad and his family, after 4 days in Singapore and 4 days in Amsterdam.
I don't think it will be a white Christmas here but it will be the first we have spent with our Grand-children.
Wishing everyone a Merry Christmas.
Cheers Annie & Wayne

Joy, Rob and daughter Emma extend to you all a peaceful and joyous Christmas and a prosperous New Year."

PRESIDENTS REPORT 12 December 2023

For the last two weeks, we have been fortunate to have Guest Speakers whose passion for their respective commitments was very evident.

Anne Cameron from the West Beach Surf Lifesaving Club spoke to us on 05 December about the upcoming Pink and Blue Swim that raises much needed funds for research into Breast and Prostate cancer. As with last year's event her committee hopes to continue the established trend of increasing funds raised to top $500,000 - an ambitious but realisable target. There will be opportunities for participants to engage in various swim and walk categories to test their fitness and contribute to a worthwhile cause.

This week Merylin Russell from Interplast told us of the continuing strong relationship between Rotary and the Interplast organisation that raises funds to help Australian specialist surgeons conduct life-changing operations on people especially children from the Asia-Pacific region. She cited some of the issues that face children with cleft palates and serious burns who are ostracised including the mental and physical anguish they face and the rapid turn-around once surgery has been completed. Another important aspect of these programs is training medical officers residing in countries of this region to be able to conduct such surgeries themselves.

Ed King spoke about the great work that ROMAC does in a similar space to the Interplast initiative. We hope to arrange for a speaker in the New Year to explain exactly what ROMAC achieves.

Warren gave us an update on the Bunnings BBQ proposed for 15 December and the results from previous BBQs that have given great returns in both monetary and relationship terms.

Kevin Tiggemann reminded us that next weeks meeting (19 December) is the last for 2023 and is a Business Network meeting. He encouraged us to come to hear Chris McHugh who is an Australian Olympic Beach Volleyball competitor and to bring along associates, neighbours et al. More details are shown later in this issue of the Krier.

If for some reason you are unable to fulfil your roster please arrange to swap with another Member.
Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Fire Service Leadership – Fact or Fiction?
A Churchill Fellowship Journey

Guest Speaker 9th January

A volunteer firefighter with the South Australian Country Fire Service (CFS) since 2012, Haydn has witnessed frontline leadership from some uniquely challenging perspectives, most notably during the Black Summer of 2019 - 2020 working in NSW at the Adelaide Hills - Cudlee Creek fire and the equally tragic Kangaroo Island fires, none more so. As an adult educator interested in how people learn for leadership, the lack of any nationally consistent leadership learning pathway for volunteer firefighters stood out to Haydn as a severe and systemic national capability gap.
"How can we realistically send our emergency service v

+olunteers into such stressful
situations and expect them to effectively lead teams with little or no investment towards their leadership development? That's just not right - there has to be a better way!" This thought inspired Haydn to apply for and win a 2020 Churchill Fellowship to investigate leadership learning options for volunteer emergency first responders. Between August and October 2022, he travelled to NZ, the USA, Canada, Denmark, and the Philippines to undertake this research.
This informative session will walk you through Haydn’s round-world research journey, unpacking the five themes that emerged alongside the five key areas relevant to ensuring Australian volunteer emergency service sustainability into the future.
Service has been the hallmark of Haydn's career, spanning the Australian Regular Army, the South Australia Police, and most recently, the Australian Border Force, where 2021 marked his 36th year in uniform. As a professional learning and development facilitator since 2010, he has delivered entry-level recruit and frontline supervisory leadership learning at various locations around Australia and in Papua New Guinea.
Since retiring from the ABF in 2021, Haydn has facilitated bespoke leadership learning experiences for various federal and state regulatory and emergency service agencies as a consultant. These have focused on team building and assisting leaders to sharpen their focus towards creating effective, positive, psychologically safe, and engaging working environments.

I have since returned to Adelaide and run my own business creating evening and bridal gowns.
A couple of career highlights were undoubtedly working on a gown that was worn by Angelina Jolie, as well as the indescribable buzz of travelling to Paris Fashion Week on several occasions. One day I hope to work at Dior in the Paris atelier. I look forward to sharing my story with you all.

Tickets are $45.00 per person (Plus booking fee) with maximum table groups of 10.
