PRESIDENTS REPORT

PRESIDENTS REPORT 05 January 2024

Welcome to the New Year. I trust that your celebrations over the festive season were peaceful and that you had the chance to spend productive time with friends and family. Joy and I wish you all a very Happy New Year and look forward to all that 2024 brings to us.

January is Vocational Service Month.

The Most Magical Travel Club Committee are meeting this weekend to confirm a timeline for all of the tasks that need to be accomplished prior to a potential launch on 01 April2024. Task will include formal registration with SA Lotteries, setting up the RaffleLink site to operate the raffle, desiring and commissioning a logo and image, confirming sponsors and donors, promotion and advertising, setting up website, FaceBook and Instagram sites and the like. Our focus is to fund programs that support awareness and research into Mental Health and Domestic Violence. There is much to do!!

Plans for the Presidents “BBQ” which has transformed into a themed “Brazilian Night” are taking shape. Courtesy of Rob Hughes it will be held at the Cruising Yacht Club of SA premises in their well appointed BBQ area. We will advise directions and cost soon. Watch this space.

We are continuing negotiations regarding KPR’s home with regards to room accessibility, food and drink service and quality and we expect to be able to advise all members shortly about the results of these discussions.

Note that the BookMart Sale restarts from 06 January 2024 with books at $3.00 or less. Take the opportunity to share the BookMart FaceBook page with your FaceBook friends.

We acknowledge KPR founder Norm Lewis’s 107th birthday celebration. What a legend! See Warren’s report in this edition of the Krier.

We are half-way through the 39th year of the Kidman Park Rotary Club and we look forward to celebrating next year’s 40th anniversary in style. Incidentally the 2000th issue of the Kidman Krier will be published during the year as well.

Cheers
Rob S

If for some reason you are unable to fulfil your roster please arrange to swap with another Member.
Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Fire Service Leadership – Fact or Fiction?
A Churchill Fellowship Journey

Guest Speaker 9th January

A volunteer firefighter with the South Australian Country Fire Service (CFS) since 2012, Haydn has witnessed frontline leadership from some uniquely challenging perspectives, most notably during the Black Summer of 2019 - 2020 working in NSW at the Adelaide Hills - Cudlee Creek fire and the equally tragic Kangaroo Island fires, none more so. As an adult educator interested in how people learn for leadership, the lack of any nationally consistent leadership learning pathway for volunteer firefighters stood out to Haydn as a severe and systemic national capability gap.
"How can we realistically send our emergency service v

+olunteers into such stressful
situations and expect them to effectively lead teams with little or no investment towards their leadership development? That's just not right - there has to be a better way!" This thought inspired Haydn to apply for and win a 2020 Churchill Fellowship to investigate leadership learning options for volunteer emergency first responders. Between August and October 2022, he travelled to NZ, the USA, Canada, Denmark, and the Philippines to undertake this research.
This informative session will walk you through Haydn’s round-world research journey, unpacking the five themes that emerged alongside the five key areas relevant to ensuring Australian volunteer emergency service sustainability into the future.
Service has been the hallmark of Haydn's career, spanning the Australian Regular Army, the South Australia Police, and most recently, the Australian Border Force, where 2021 marked his 36th year in uniform. As a professional learning and development facilitator since 2010, he has delivered entry-level recruit and frontline supervisory leadership learning at various locations around Australia and in Papua New Guinea.
Since retiring from the ABF in 2021, Haydn has facilitated bespoke leadership learning experiences for various federal and state regulatory and emergency service agencies as a consultant. These have focused on team building and assisting leaders to sharpen their focus towards creating effective, positive, psychologically safe, and engaging working environments.

Happy Birthday Norm

Adelaide based Couturier - Lover of high fashion, travel and adventure.

Hello! My name is Jennifer Charles, and I am an Adelaide based, utterly obsessed couture seamstress. My work has taken me across the globe. My career and training began in Adelaide, before travelling overseas and swiftly landing a dream job at an Haute Couture fashion house in London. I have since returned to Adelaide and run my own business creating evening and bridal gowns.
A couple of career highlights were undoubtedly working on a gown that was worn by Angelina Jolie, as well as the indescribable buzz of travelling to Paris Fashion Week on several occasions. One day I hope to work at Dior in the Paris atelier. I look forward to sharing my story with you all.
