Upcoming Guest Speakers

Alison Harris

Tuesday March 26th

Hi Everyone,
Alison will be talking about her life to the club on Tuesday 26th March.

In preparation of her talk she has asked if anyone would like to ask her a question beforehand.
She wants them to be anonymously done.
Could you please send me the questions and I will pass them onto Alison?
This will give her time to think about them before the night.

Thanks,

IMPORTANT NOTICE

CHANGE OF VENUE

It was announced that **we have been advised by Westward Ho that we are not able to have our usual Venue on Tues 9th April.**

As a result of this, our Co-Presidents were agreeable to seeing if we could hold that Committees Meetings Evening at the West Beach Surf Life Saving Club new premises.

Our past contact at WBSLSC Kate Taylor has **arranged a booking on Tues 9th APRIL for 6 tables of 6 people each located inside the building at the southern end.**

This date coincides with our Committees Evening and it will also be a social evening for us as a group to enjoy their new facilities, sample the meals and the relative cost.

If we can please be seated within our Committee Groups as usual, so we can have discussion within our Committee Groups.

We are not intending for our KPR Group to be segregated from other patrons with partitions and we are not planning any use of Microphone or Audio Visual.

We would order our meal off their standard Menu and each of us would go to the counter to order and pay individually. We should advise your table number and that we are from the Rotary tables so they can serve all our meals at around 6.45pm as normal.

Our Booked period for the tables starts at 5.30pm that evening to allow individuals time to order your meal.

Our booked time will finish at 8.30pm(with the meeting likely finished by 8pm as usual)

If you wish to arrive nearer 6pm as usual then that is OK.

For the meetings after this 9th April we will revert to Westward Ho. We will then in May as a Club Members and KPR Board, we will consider our Venue options.

Advance notice of fellowship Functions.

Visit to Parliament House
23 April 2024 @ 1pm followed by afternoon Tea at 2pm

Lunch at TAFE Regency “Tiros” Restaurant May 3rd @12:30pm

Guess who’s coming to dinner Saturday 15th June.
Home hosting places required.
Please contact a fellowship committee member if you can help.

Summary of your guest speaker
Reine Hobbs' presentation.
Breast Screening.

Reine Hobbs BSSA Guest speaker

On 27th February our guest speaker Reine Hobbs spoke to us about Breast screen South Australia (BSSA) .Reine, a Radiographer, is the Ultrasound and Assessment Manager at the dedicated Assessment clinic of BSSA located in Wakefield St Adelaide.
Reine gave us the overview of why bi-anneal breast screening is recommended for all asymptomatic women aged between 50 and 74 years (highest risk years for breast cancer). Research shows that this reduces this cohort of women's chances of dying from breast cancer by 40%.
The incidence of new breast cancers in all women in Australia today is 320 per 100,000.It is the most commonly diagnosed cancer in Australian women .Breast screening is low dose mammography identifying small changes in breast tissue in asymptomatic women that may be early signs of breast cancer .
Reine informed us that around 100,000 women a year in SA are screened by BSSA. Mobile screening vans travel to country ,rural and remote locations within the state.
Breast screening in SA commenced in 1989 with a pilot study at QEH This successful study led to the Screening and Assessment clinic being opened in Wayville and the National Program for Breast screening commencing in 1991.
The process and procedures of Breast screening were explained . What happens after mammograms if changes are noticed and further investigations are needed. In every 100 women attending breast screen approximately 1 will have a cancer diagnosis of approximately 6 women being recalled.
Breast density ,a measure of the amount of glandular tissue in the breast ,was explained and what the categories of ABC and D mean.
A great talk giving us a much clearer picture of the worth of Breast screening. BSSA is a free service saving lives.

If for some reason you are unable to fulfil your roster please arrange to swap with another Member.
Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.
