Upcoming event

Hi Kidman Parkers

We have a fantastic opportunity to have a Vocational visit to the recently opened premises of Jayco, on the corner of Tapleys Hill Road and West Beach Road.

I was fortunate to attend their recent Launch day and it is a huge and interesting premises right on our doorstep at West Beach.

At a guess, they would have a total of over 100 caravans, motor homes or camper trailers on site.

The site Manager Kelly Dunk is keen to have our KPRC attend on Tuesday 16th April from 6.30pm to 8pm. It will replace our weekly meeting on that night.

Family and friends are welcome but we will need to know rough numbers so we can advise Jayco leading up to the night.

I will circulate a Round Robin at our coming meetings. And no.....you will not have to buy a caravan before you leave!!

I am meeting with Kelly next week and the detail of our visit will be sorted then, but please put the date in your calendars now.

We will know more about precise arrival time, parking, pizzas or similar, and drinks after that meeting with Kelly.

This evening replaces our previously planned attendee feedback on the D9510 Conference evening. We will cover that with a few 5 minute segments at some coming meetings.

This is a chance to find out what is going on within our nearby area. This is the biggest such Caravan site in the Southern Hemisphere.

It will be a whistle stop tour, some commentary and a brief video.

So all you need to do now is put the date in your calendar and ask the question of family and friends if they wish to come along and share the experience.

Cheers

Warren Hobbs

For KPR Community Committee

Report BBQ team from last Thurs night and Sat at Airport Bunnings

Thanks to you all for your roles.

Again, these dates were very successful financially which progresses our KPR projects....plus there is always a positive enjoyment factor.

We all play an important role in making this happen and for KPR to be able to accept the offers made by Organiser Eve of Airport Bunnings.

Eve is aware that we can make these BBQ days happen smoothly and hence the ongoing offers we receive.

The Special Pre-Easter Fun Evening on Thurs 21st March was done as support for Eve and Airport Bunnings for their special night.

We have had a few learnings from that especially with the customer payment method being quite unwieldy per Bunnings chosen method..

Our KPR financial gain was a $300 Bunnings Voucher which we can cash up plus we had oversupply of unsold sausages, bread and onions and drinks covered by Bunnings

which we were able to keep which has assisted our next BBQ on 23rd Mar by saving costs of around $250.

The numbers for Sat 23rd March including our cost savings were excellent....

Total Sales $1909 (Card $1164 and cash $745)

Expenses around $386 (with cost savings from prev BBQ)

Net Profit $1523

Thanks again for your collective contribution to these two financially successful and fun days. A special thanks to John Jackson who covered coordination in my absence

on Sat 23rd March ....and Jacko and team achieved our best ever Sales and Net Profit numbers. Well done all !! We sold out of Sausages and Bread just prior to close which is a first for the past 12 months.

And thanks ongoing to our BBQ stalwart Rob Chambers who was strongly involved in both these BBQ dates, plus each and every past BBQ.

You would recall that our next BBQ date is Easter Monday 1st April.

A few weeks ago, we gathered names of volunteers who are available on that Easter date and we will gather your choices of Shift times tomorrow night. The shifts are for 2.5 hours.

There is a long break before our next BBQ after that which is on Sat 27th April

Cheers and thanks

Warren

IMPORTANT NOTICE

CHANGE OF VENUE

It was announced that **we have been advised by Westward Ho that we are not able to have our usual Venue on Tues 9th April.**

As a result of this, our Co-Presidents were agreeable to seeing if we could hold that Committees Meetings Evening at the West Beach Surf Life Saving Club new premises.

Our past contact at WBSLSC Kate Taylor has **arranged a booking on Tues 9th APRIL for 6 tables of 6 people each located inside the building at the southern end.**

This date coincides with our Committees Evening and it will also be a social evening for us as a group to enjoy their new facilities, sample the meals and the relative cost.

If we can please be seated within our Committee Groups as usual, so we can have discussion within our Committee Groups.

We are not intending for our KPR Group to be segregated from other patrons with partitions and we are not planning any use of Microphone or Audio Visual.

We would order our meal off their standard Menu and each of us would go to the counter to order and pay individually. We should advise your table number and that we are from the Rotary tables so they can serve all our meals at around 6.45pm as normal.

Our Booked period for the tables starts at 5.30pm that evening to allow individuals time to order your meal.

Our booked time will finish at 8.30pm(with the meeting likely finished by 8pm as usual)

If you wish to arrive nearer 6pm as usual then that is OK.

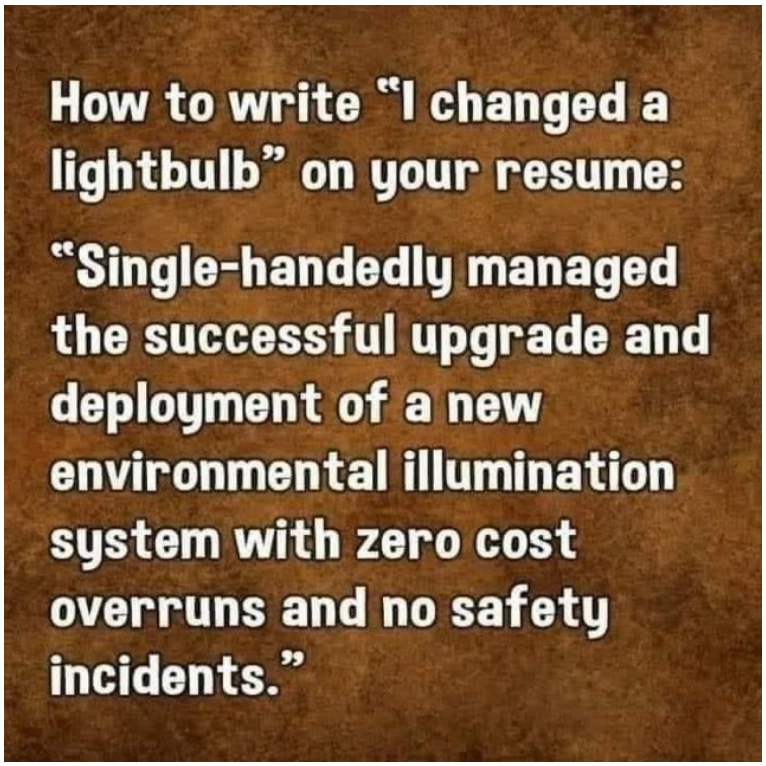

For the meetings after this 9th April we will revert to Westward Ho. We will then in May as a Club Members and KPR Board, we will consider our Venue options.

A motley crew of would be fitness gurus rewarding them themselves for their efforts

A PIECE OF HISTORY UP FOR SALE..

WESTWOOD HO

I had a call from the Westward Ho General Manager Steve Freeling on Thursday this week after our Meeting when Alison Harris was our Guest Speaker.

We had 10 more attendees along last Tuesday as a result of Alison speaking, **which was an excellent outcome**, with several partners along, as well as some of our volunteers from Bookmart.

These extra numbers were unexpected and took our attendees from 30 to 40 which caused some catering readjustments.

I usually call Steve Freeling of Westward Ho if numbers are likely greater than normal so they can set for more places at the tables and provide

for more meals. I was not expecting that there would be a significant increase in numbers, hence I did not advise and as a result catering was insufficient on the night.

Below is a reminder of the actions needed, so the Chef and Kitchen team are alert to likely attendee numbers and hence tables and chairs and meal numbers are appropriate

for the expected attendees. We need to help them to do the best possible job for us. And the Venue will always try to enable the best outcome for us for the matter at hand.

The actions that Steve and I spoke of and agreed are as follows

I will text Steve Freeling with expected numbers by noon each Friday. This is an estimated number.

if any dietary meals are in those numbers (other than our usual weekly dietary meals) then I need to be texted with the necessary detail so I can advise the Venue

by noon on the previous Fri .We cannot expect that a dietary meal can be ordered on the night.

our members are requested to use the Bell which is always on the east end of the bar if they need bar service, if the Bar staff are not behind the bar.

The Bar staff are likely helping in the Kitchen. We should not enter the Kitchen area.

#f our members have any concerns relating to the Venue on the evening itself then please pass those verbally on to me and I will follow up, rather than our members taking issue

directly with the Westward Ho team.

#f you are aware that your Partner or a Guest will be attending, then please email or text me by noon on the Friday prior to the Tues meeting, so I can provide a realistic estimate of

overall expected numbers to the Venue.

In summary, we are always pleased to have Partners and Guests attend whatever meetings they wish, and we will always want them to experience appropriate

service levels. Hence we need to advise the Venue of close estimated numbers for the evening meeting. Generally it is fine if the numbers are within 2 or 3 either way.

It is pleasing that the quality of the meals has improved significantly with the appointment of a new Chef Paul who has over 30 years experience.

We have also requested that burgers or sausages are not to be included in the meals selection which will have a positive impact.

Warren Hobbs.

If for some reason you are unable to fulfil your roster please arrange to swap with another Member.
Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.
