Snapshots from visit to Parliament House.

A bit of background info that we learnt from our visit to Parliament House.

We had the pleasure of Zoe Bettison, ithe Minister for Tourism and Multicultural Affairs as our guide.

Zoe is the niece of Shirley Roberts and a second cousin of Bob Hawke.

A second selection of misfit sitting the operation bench thankfully not running our state.

Henley High Trampoline Project

Hi Kidman Park Rotarians.

Firstly, apologies for the delay in update. What a busy term!

I wanted to send an update on our trampoline. We LOVE it. There is not a single student who hasn't used the trampoline and many of our students use it multiple times a day for regulation and/or simply fun!

I would like to highlight that we have two students use the trampoline as part of their daily morning routine and we have seen a noticeable difference in their levels of regulation following this movement opportunity. They return to class in a more 'ready to learn' state, and are encouraged to complete work tasks as a jump on the trampoline is seen as a reward and preferred activity.

In addition to this, the trampoline offers our intellectually disabled, and physically disabled students, a chance to care for a valued piece of equipment here at school, whilst teaching them rules and responsibility.

Please find attached some photos. Would absolutely love to have you come out and take a look whenever suits you.

Thanks

SHELTER BAGS from KPR for HOMELESS YOUTH IN WESTERN SUBURBS

It was the culmination of our KPR Vocational Committee Project this morning.

Steve Redden and Warren Hobbs collected 40 Shelter Bags from Gawler Light Rotary Club at Donations in Kind at Edinburgh.

Gawler Light RC is Steve's former Rotary Club prior to his family shifting into the West Beach area and Steve then transferring to KPRC.

It was like old home week at DIK for Steve collecting the Shelter Bags, with those in attendance being DGE Marie (ML) Lees, David Cockshell and several other Club Members

of Gawler Light RC all assisting with rolling up the Shelter Bags sourced from South Africa. There is also a separate Quilt /Blanket from DIK (per Fortescue Mining Co) that

accompanies each Bag. Various other Rotary Clubs were collecting bags for distribution....Seaford, Glenelg, Murray Bridge, Playford, Gawler Light....in total 300 bags.

Plus we were treated to a Bacon and Egg Sandwich (some had more than 1) and a juice

All Shelter Bags are screen printed with Rotary D9510 and when delivered to the distributing Welfare Agency, the Bags will have the Agency phone number printed

onto each bag and a code number designating the person who has been allocated the Shelter Bag, in case any of the bags are passed in or go missing then found.

The Agency that we are using for Distribution of the Bags is the Adelaide North West Homelessness Alliance(ANWHA). In particular, the Alliance Exec Officer is Heather Renton.

She will coordinate the distribution through 7 Agencies (e.g. Anglicare, Salvos, Centacare etc). Heather deals ongoing with rough sleepers and is directly connected to ensure

that the our KPR Shelter Bags will be allocated as we determined, **designated to go Minors, Indigenous etc in need and emphasis will be given to Homeless in the Western Suburbs**

which is broadly in the borders of City of Charles Sturt where our KPRC has very close links.

As a statistical guide, ANWHA has assisted 6,600 homeless people over the past 12 months (which only covers Northern and Western Suburbs of Adelaide and this number has increased by 54%

since the previous year.ie the need is currently huge and growing exponentially.

The cost to KPR of 40 Shelter Bags is $3600 which is $90 each bag. We have been fortunate that the Rotary Foundation have contributed one half of this through a Grant

(well done Rob Chambers in making that Grant happen). This is only possible due to our KPR annual contribution to the Rotary Foundation.

This project also appears that it may be an appropriate fit to consider use of some funds from our KPR Charitable Trust, for which the funds are intended for minors who are disadvantaged.

Our KPR Charitable Trust Board will consider this in due course.

This is a great Vocational and Youth Committee project that has evolved from Steve Redden's past links with Gawler Light RC.

The Gawler Light RC committed for 300 Shelter Bags when ordered back in November (when we also ordered 40 from that batch) and they are delivered just in time for

the Adelaide weather turning cold just as we speak. They handle that order for numerous other Rotary Clubs in D9510.

The Gawler Light RC has advised today that they are aiming for this project to continue each year hereafter and it is a great opportunity for KPR

to make an increasing difference in this space in the geographic areas that we choose and in the age brackets that we choose.

It is interesting to reflect the difference that Donations in Kind has made to various projects that KPR have undertaken in the past

all the shelving and other initial set up needs for our KPR Bookmart in 2019

our Container contents that our KPR International Committee led by Tom Bunnik freighted to Vanuatu two years ago

and now the Shelter Bags and Quilts as a Gawler Light / DIK initiative

The DIK coordinator David Cockshell asked after the progress of our Bookmart and we were delighted to update him on its great success.

Bunnings BBQ Update.

Hi all at KPR

Below is the latest from Eve at Airport Bunnings re BBQs in the coming periods.

For KPR Community Service Committee

Hello,

I wanted to say a HUGE thank you to all of our wonderful Community Groups!

Our primary concern, thoughts and hopes for a swift recovery have been with and remain, with the community group members who were injured during the fire that occurred on Easter Saturday at our community BBQ.

The past month has been a challenging and busy month for us all.

I thank all of our valued groups for their ongoing patience and support while we navigate the developing situation and the procurement of a new BBQ.

I have been in contact individually with all of the groups whose BBQs have been cancelled due to the situation.

At this time the information I have re the new BBQ is it will be here in time for the BBQs in May to proceed as planned.

If there is any change to the situation that are beyond my control I will inform the affected groups as soon as I possibly can.

Again, thank you all for your patience, I have been awaiting more concrete information before doing a group update, I'm sorry it must be very frustrating for you all as well.

Kind Regards

Eve Livingston-Fairley

Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Rotary Volunteers Meals on Wheels Protocol Meals on Wheels Kitchen.

Charles Sturt Meals on Wheels kitchen is situated at the

Rear of Festival Function Centre, 292 Findon Road, Findon in carpark.

You report to the supervisor, enter the kitchen through the door on the left of the building as you look at it. This is the tea room area. Please be at the kitchen no later than 10.50am for departure at 11.00 am. Phone number is 0407603637 (Grace Giles).

The Rotary volunteer drives their own vehicle taking a Meals on Wheels volunteer out on the round to deliver meals to recipients.

Rotarian is not required to help with meal preparation.

Rotarian helps the MOW volunteer put the meal boxes into the vehicle.

Rotarian is the driver who provides his own vehicle to take MOW volunteer to recipients homes and will usually know the round.

The Meals on Wheels volunteer will accompany the Rotarian volunteer on the delivery round.

The Rotarian volunteer can help the Meals on Wheels volunteer deliver the meals to the recipients. This depends on how the MOW volunteer works.

The MOW volunteer will put meal into a basket for the recipient , so Rotarian volunteer can either remain in vehicle or go in to meet recipient.

The typical shift will take approximately 1 1/2 to 2 hours depending on the number of recipients.

A current Police Check is required by volunteers to visit the aged in their homes. Your Rotary police Clearance will be ok.

The volunteer does not have to show proof of Covid or Flu vaccination, obviously it is preferable if you have had the vaccination.

If you have a breakdown or accident the MOW volunteer will call for a taxi and will continue on the remainder of the round and return to the kitchen afterwards. You are left to deal with the issues with your vehicle as you see fit to do.
