Westward Ho Update

Kidman Parkers.....some very good news!!

We have recently received an email listing of suggested Meal Options (23 in number) for our KPR Meetings.

It was from our Westward Ho Venue per Chef Paul and General Manager Steve Freeling

This is a pleasing and proactive path by Chef Paul.

We forwarded that Meal Options list for feedback to our Chris Branson who has deep experience in the catering and venue areas and to

our 24/25 Co-Presidents Karen Feind and Ron Harris as well..

All were positive about the list and Chris has suggested that a few more Chicken options could be added, which has since been done.

The Meal Options list will be used by Chef Paul to choose our 2 meal options each week.

We have been advised that on special club occasions with due notice that we could make our own selection of the 2 options for that special occasion.

The Meal Options list is provided for your information.

The feedback on meals over the past several weeks has been notably positive with some members saying that the last 2 weeks have been the best meals

in their memory at Westward Ho. Clearly, recently appointed Chef Paul has brought about this change.

Chef Paul addressed our KPR Meeting 2 weeks ago and his extent of experience in Cheffing is very impressive and mostly in handling big groups.

Chef Paul has taken the Westward Ho role as partial retirement and we (and Westward Ho) are fortunate that has taken that role.

Rest assured we are in very experienced and professional hands. Chef Paul works at Westward Ho several days each week handling lunches and events.

We will still be Alternate Drop as that enables our pricing of $25, which, as you would be aware, is significantly less expensive than meals in alternative venues.

The serving of meals to tables at similar times is also now improved, which enables swapping of meals if desired.....be prepared to promptly speak your mind as the meals

arrive as the majority of members will likely be happy with either choice and will be prepared to swap.

It has been pleasing to see increased numbers attending in recent weeks. Not sure if that is related to Chef Paul's good work?

Warren

If for some reason you are unable to fulfil your roster please arrange to swap with another Member.
Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Bookmart Defibrillator update

The Bookmart defibrillator is now located in a St Johns cabinet under the verandah and adjacent to the northern entrance to the Bookmart. The cabinet door is alarmed and the defibrillator is fitted with a GPS tracker. If the defibrillator is moved the tracker can send a text to up to 5 phones. The ambulance can also find the defibrillator in the case of an emergency. The AED cabinet is also covered by a security camera. The AED we purchased is fully automatic with audio instructions so no training is needed to operate the unit to perform an emergency rescue. Importantly the AED is located in a public space and is available to all members of the public 24/7.

We have 1500 leaflets to distribute to local residences and businesses as part of an awareness campaign. The leaflets also publicise Bookmart and promote the Rotary club of Kidman Park.

The cost of the project was $ 2,942, however we were fortunate to be awarded a community grant of $ 1,500 from the Bendigo Bank at West Beach and the balance of $ 1,442 was funded from the project account. Over the coming weeks we will be looking for volunteers to help distribute the leaflets in the streets adjacent to the Bookmart. The leaflets will be in bundles of 80-120 so it will only take 30 – 60 minutes to deliver a bundle.

International Committee Report

The International Committee discussed current developments around some existing projects.
- We have committed to helping deconstruct any further playgrounds in the western suburbs for the Overseas Playground Relocation project.
- Peter Johnson will be visiting Thailand again in July and would like to provide KPRC with an update as guest speaker at a meeting in Mid August 2024.
- An update will be sought from Bridging Health regarding the Tanna Vanuatu project.

We also discussed and actioned three District Grant proposals for coming projects that need to be submitted in the next couple of months
- The preparation of Birthing Kits through the Zonta organisation
- Assisting the RC of Rockhampton Fitzroy with the provision of water wells in Cambodia
- Further assistance to RC of Stanford in South Africa with shoes and blankets for disadvantaged people in the community and whether we can use the Shelter Bags as an option to help this community.
