Hi Kidman Parkers

Norm Lewis was in good spirits and quite lucid when I visited last Tuesday at Southern Cross Care at West Beach.

Clearly Norm has his good and bad days like us all but my visit to Norm on this occasion was very positive and enjoyable.....and he loved it.

It had been a while since I had been last.

There are still some visiting requirements.... a Covid Test (can be done at home) and then Q&A at reception about your health re the visit and a temperature check.

All quite simple and can be done on site and they have plenty of RATS tests there.

Norm was delighted to hear about what is happening in KPR and what projects we are involved with.....and who is doing what.

He is very aware of all the names mentioned and you can see he is all smiles when he is thinking of the person behind the name.

Norm is still very clear in his understanding of KPR and Henley Beach RC and his Probus Club. He is always pleased to get visitors and he does have a steady

stream of Visitors. Our Tom Bunnik is a constant and several from Henley Beach RC catch up regularly and our Kel Burke from KPR and Probus is frequently visiting.

Because we had Karuna as Speaker that evening at KPR about his homeland of Mauritius, I asked Norm whether he had ever been to Mauritius.

I expected that Norm was unlikely to have visited. there. You can imagine my surprise when Norm replied that he had visited Mauritius for two weeks to help with the

setting up of a Rotary Club there, and had also been to nearby larger island of Madagascar also on Rotary business. Plus he has also visited most countries in the south and central Africa.

That's in addition to his 4 visits to Antarctica over the years.

Yep.....you can still learn a lot from a discussion with our Norm.

He is disappointed that he cannot visit clubs outside Southern Cross due to the risk of bringing illness from outside to inside Southern Cross.

But he will always welcome your visit to catch up with him at Southern Cross. In fact, he will love it.

Best to ring Southern Cross before going in.....visits are best late morning or early afternoon.....and no visiting is possible on weekends when staffing is less.

At reception, they advised that Norm was a VIR (Very Important Resident) as at 107 yo, he is the oldest Resident at Southern Cross West Beach, so they are focussed

on Norm retaining his good health.

Cheers

Warren

Dear Rotary Club President / Secretary

South Australia Police Officer of the Year 2024

The South Australia Police Officer of the Year Award has been a major annual vocational project of the Rotary Club of Unley each year since 1978.

The annual award recognises an outstanding and committed police officer who: displays high standards of professionalism; performs significant acts of courtesy, kindness, understanding or courage; or handles a complex and difficult situation with humanity. This may include significant off duty community volunteering.

SAPOL continues to serve the community with distinction and a worthy Police Officer may be known to you, your club's members and their acquaintances.

Our search for the SA Police Officer of the Year for 2024 opens with **nominations beginning on the 27st May 2024 and will close on Friday 12th July**

Note that the award will also apply for years prior to 2024.

Your club's support is sought to spread the word throughout your local area. Nominations are received from organisations, service clubs, community groups and individuals from across the State of South Australia. In the past we have received excellent nominations from Rotary clubs across the State. All nominations will be considered by the Club and, following consultation with the Commissioner of Police, a recipient will be selected.

With the printable Poster attached, which publicise the event, can you forward it to your members and arrange, if possible, to have it displayed in prominent locations visible to the general public.

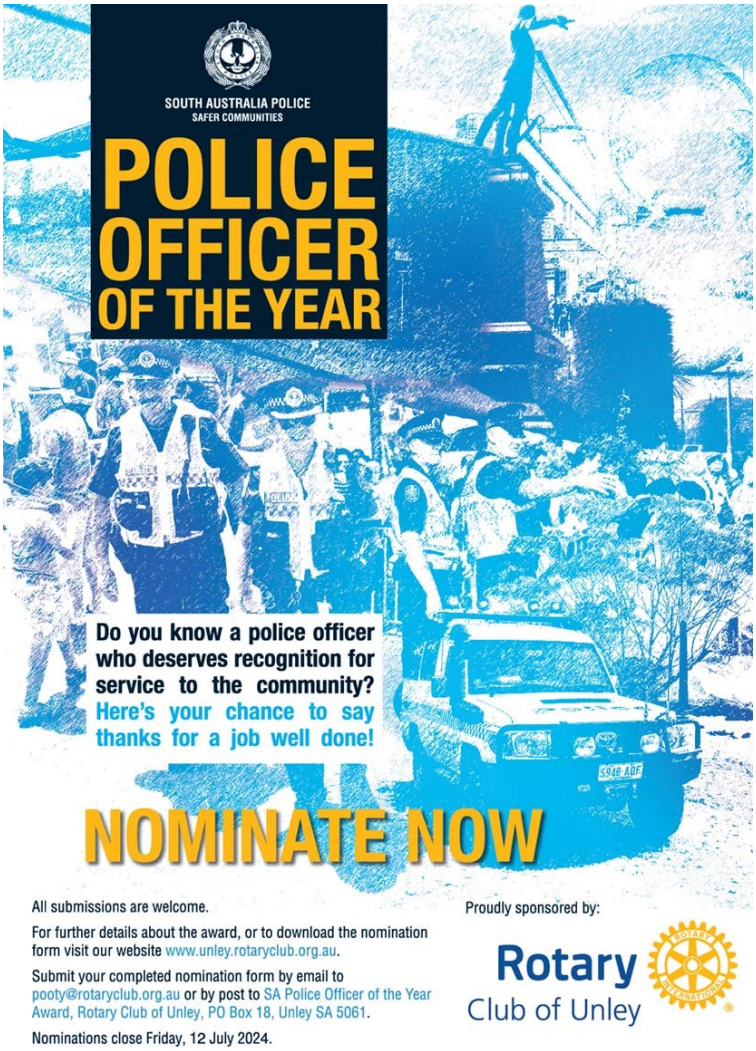

Details of the award and nomination form may be found on the Unley Rotary website at http://www.unleyrotary.org.au.

This award will again be presented at a public ceremony at the Royal Adelaide Show on the 6th September 2024. This venue has brought to Rotary significant media exposure through radio interviews, television, and print. Members of your club are most welcome to at-++ tend the event. If you have any queries, please do not hesitate to contact me.

We look forward to receiving any Nominations from your communities.

Yours in Rotary,

BBQ's ARE BACK AT BUNNINGS

Hi Kidman Parkers

It was great to finally get back to our Airport Bunnings BBQ activity.

You will recall that the BBQ operation has been suspended since the accident on 30th March with another Community Group.

The BBQ and tent has had to be replaced in total. The replacement is a much improved version with reduced hazards.

Smaller tables hence less tripping risk, the gas bottle has a gas alarm attached and the BBQ hood is no more hence is far improved.

It is now separate units..... the BBQ is separate from the sink and storage area so the two units are easier to handle and with no risk to fingers on the close.

Plus all Community Groups operating the BBQ are on each occasion assisted and guided through set up by Eve, so the format is clear and safe from the start of the day.

Our team today was John Jackson, Bob Hudson, Jenny Filsell, Steve Redden, David Taylor, Kevin Tiggemann, Peter Brown, Tom Bunnik, Chris Branson,

John Christo, Paul Denley, David Simpson and Robert Ryan. Special mention to Rob Chambers who covers so many aspects both before the BBQ day then at set up

and then the clean up at home after.

Ordering of 600 sausages, 27 loaves of bread and 12 kg of sliced onions and 100 cans of drink was about right with only 2 packets of sausages left over which are kept

in the freezer at Bookmart till next BBQ. And the left over cans live to be sold on a future day.

It is an inexact science that rarely turns out that close.

The numbers today were excellent as follows. This is an income that helps support KPR projects strongly, so when we have 2 months without our Bunnings BBQ fundraiser it is noticeable.

Card Sales	$1109
Cash Sales (excl float)	750
Total Sales	$1859
Less Expenses	510
Net Profit	$1349

The Activity Organiser of Adelaide Airport Bunnings is Eve Livingston-Fairley.

Eve is a strong advocate of our KPR BBQ team getting the job done safely, reliably and efficiently. All this allows Eve to get on with her actual team role at Bunnings.

BBQ's CONTINUED

Thanks to all of our KPR BBQ team that continue to volunteer whenever you are able. It is a large portion of our membership that volunteer for this role

and that is both necessary and appreciated. We are on a short notice list with Eve of Bunnings that will sometimes see us offered a date if another Community Club

have had to cancel their booking. It may not always be convenient but it is a valuable opportunity for our various projects.

Plus we all seem to have plenty of fun getting that job done.

Last Tuesday evening a compulsory BBQ Info Session was held at Adelaide Airport Bunnings.

It is compulsory because if your Community Group does not attend then the Club will not be given any BBQ dates.

The processes outlined are quite stringent and now must fit with the new BBQ equipment. The new rules advised by Bunnings have been circulated to our team and

we have coped fine with those changes. The total BBQ operation has to be as outlined by Bunnings.... it is not a matter for our choice.

John Jackson and I attended that Bunnings Info Night. On the circulated attendance list was around 25 Community Groups so we are fortunate to get dates of one per month with

an occasional cancellation offer as well.

Cheers and thanks

Warren

BBQ Coordination

Community Service Committee

Notes from Meeting held Tues 14th May 2024

1. Round Robin was circulated for our next Airport Bunnings BBQ on Sunday 26th May. The Roster was filled at the meeting and all Volunteers

will receive an email several days prior to the BBQ as a reminder of names, date and time. Thanks to all those who have volunteered. We have a Bunnings info /training session

next week which is being attended by John Jackson and Warren Hobbs. It is good to have the Bunnings BBQ's back and operational after the unfortunate mishap on site.

It is likely that there will be a few required updates to our BBQ protocols....more on that after the coming Bunnings Info session.

2. Our Bookmart Volunteers have been offered the opportunity to suggest any Organisations that they have passion for and that KPR may be able to provide support.

This is always subject to Community Committee and Board approval. The process may commence with a related Guest Speaker who can outline the needs of the Organisation.

An initial suggestion has been SA Sea Rescue which is nearby and provides great community support to the beachside communities and services coastlines of City of Charles Sturt

and others.

3. Our KPR Tent requires some new sign writing. This will be raised at the next Board Meeting to approve and allocate responsibility.

4. The rhetoric question was asked whether our KPR would be better recognised in public domain by a change of name to RC of West Beach or a name combining West Beach and Kidman Park.

This is a matter for the Board and then Members to consider but there have recently been indicators that the public do not know where Kidman Park is located.

5. A suggestion was received from our Committee about the merits of a KPR branded Wishing Well for coin donations(or telescope)....think Fontana di trevi de KPR. There are successful examples

of these at Airports and Parks. For discussion and a suggested proposal. Clearly the path needs to be sustainable as a pre-requisite.

6. It was raised re support for a local Football Club (Woodville West Torrens) of their Wheelchair Competition and/or their Youth Indigenous Program at grass roots level on the Aboriginal Communities..

For further discussion and likely a Speaker about the programs. Again the programs must be sustainable.

7. Links with other Rotary Clubs in our group is a Community Committee goal.. This is also a Regionalisation goal. A current KPR example is Shelterbags run in SA by RC of Gawler Light. Another example is Playgrounds regenerated to Mongolia and China.

PROBLEM SOLVING

"After being married for 50 years, I took a careful look at my wife one day and said, 'Fifty years ago we had a cheap house, a junk car, slept on a sofa bed and watched a 10-inch black and white TV, but I got to sleep with a hot 23-year-old girl every night.

Now, I have a $500,000 home, a $45,000 car, a nice big bed and a large screen TV, but I'm sleeping with a 69-year-old woman. It seems to me that you're not holding up your side of things.'

My wife is a very reasonable woman. She told me to go out and find a hot 23-year-old girl and she would make sure that I would once again be living in a cheap house, driving a junk car, sleeping on a sofa bed and watching a 10-inch black and white TV.

Aren't older women great? They really know how to solve an old guy's problems."

Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

Hi Everyone,

We will be holding our morning tea on Wednesday June 12th at 10am to say thank you to all who have helped at Bookmart.

This will give you a chance to meet others who work on different days.

It will be good if everyone brought a little plate of food to share.

We have had new people who have joined us this year.

Also, on that day we will have someone instruct us on how to work our new defibrillator.

Please let me know if you are able to come.

Thank you,

Jenny Harris
