Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

KPR Dinner Meeting Venue Pathway..... an update from the Board

The Board has requested that I update members on the pathway of Meeting Venue considerations. Clearly, the suitability of our Dinner Meeting Venue ongoing is critical for us. I outlined this last Tuesday night at our meeting.

As we are all aware West Beach Surf Lifesaving Club have constructed new Clubrooms, a process that has taken 2 years. WBSLC was our meeting venue for over 15 years and there was an expectation that we would return there.

Members will recall that in early April we had a Tuesday social evening in the WBSLSC Bistro area and a number of issues became apparent: - including the inability to segregate from the general public also using the venue, noise level and delays in serving food.

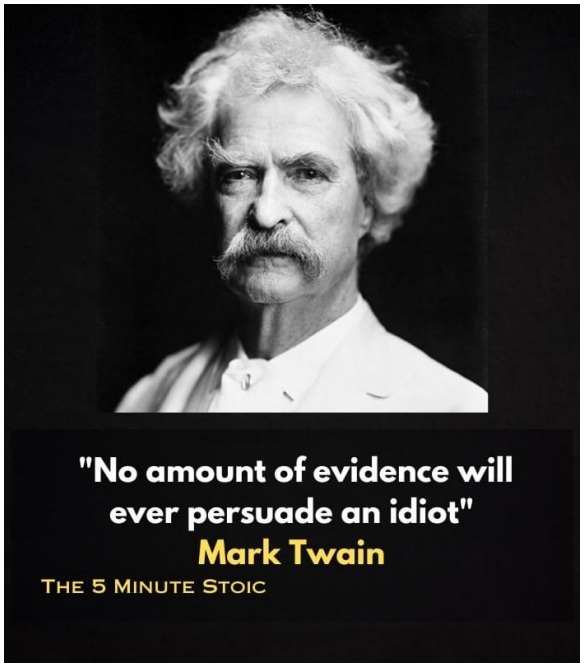

Members may be aware that KPR have Sponsored both the Training Room and the First Aid Room in the new Clubrooms and several Board Members inspected the training Room to access its suitability for our Dinner Meetings.

Unfortunately the training room is not available in the evening as WBSLC uses the space for their training sessions, which have been delayed by the two year building process.

The Training Room is also too small to comfortably accommodate 35 plus and currently does not allow Alcohol to be consumed.

Co-President Wayne Comley suggested the Training Room would be suitable for KPR Board meetings and after discussion with WBSLC we held our Board meeting there on Thursday 30th May. Since the Training Room is available during the day we have arranged to hold future monthly Board meetings in the Training Room between 3.00 pm – 6.00 pm

No Room Hire applies due to our Long term Relationship and Sponsorship.

MEETING VENUE PATHWAY CONTINUED

Westward Ho is our current venue and is suitable in most aspects more than any other that we have considered. The key ongoing issue has been the food options and quality.

This has been substantially resolved with the introduction of Chef Paul and the Alternate Drop, which although not ideal, is practical and assists meal production and keeps our meal price down.

We consider that Westward Ho is an excellent Venue for our dinner meetings considering the size of the room, expandability, good team service, new Chef Paul and now food options and quality,

It is a separate facility with no adjacent meetings, close parking, tables format, price point, AV and microphones are reasonable, availability of a storage area/cupboard.

Westward Ho has been chosen by our incoming Co-Presidents to be the location for our coming Changeover....over two other quality Venues.

Westward Ho has a new General Manager Colin Anderson commencing on 17th June. Former Manager Steve Freeling is taking his family by caravan around Australia for the next 12 months.

Incoming Co-Presidents Karen Feind and Ron Harris, Chris Branson and myself will meet with Colin Anderson soon after he starts, for broad directional discussions. Our Board are aware of the need to have a WIN : WIN relationship with Westward Ho.

Westward Ho have some planned Building Improvements and an associated Timeline. There are photos in the Clubrooms on the way to our storage cupboard.

Worth a look at the photos and projected improvements and timing. It will enhance the site with minimal disruption as it develops the existing building footprint.

If this update leads to any further questions then please contact me.

You will appreciate this can be a difficult matter to discuss diplomatically while we are gathered at Westward Ho.

For the KPR Board

Sam Dunning our guest Speaker last week.

His “Life Story: in business was in interesting insight into the trials and tribulations of running your own business.

The loyalty of his staff to him during Corvid and beyond is remarkable,

The fact that he predominately uses more mature staff was a revelation.

Thanks Sam for a very interesting presentation.

How is Norm Lewis going?

Last report about Norm two weeks ago was that he had Covid and was struggling and .that PPE protection was required to visit him.

I rang Southern Cross Care last Tuesday and asked the Receptionist about Norm's current health.

.She knew that Norms daughter Jo was visiting at that time so I was put through to Jo.

Jo said that even though Norm had Covid previously, his symptoms had been very minor, and he is now tracking reasonably well considering his 107 years..

In fact she put Norm on the phone and Norm was very lucid and aware. We discussed a variety of matters including KPR aspects.

Back talking to Jo, she emphasized that to visit Norm now, there is only a mask and Covid test required .....no PPE.

Jo was away next week, so she was keen if anyone is able to visit Norm next Monday then that will assist her.

Since then, David Simpson and Peter Brown have mentioned that they are likely to visit Norm on Monday.

If you get the opportunity to visit Norm, he will appreciate it greatly and you will have an informative discussion with our great Founder.

(Memo: Norm travelled to Antarctica for the third time when he was 92 yo.....now that is impressive form by our Founder)

Cheers

Warren Hobbs
