Guest Speaker 25th June 2024

Scott Cooper
Director of Project Planning and Interfaces

The T2D Project is the final 10.5Km section of the North-South Corridor, and will complete 78km of non-stop, traffic light-free motorway between Gawler and Old Noarlunga. Drivers will be able to bypass 21 sets of traffic lights as they travel through two separate tunnels, connected by an open motorway.

This project is likely to affect all of us in the western suburbs of Adelaide over the next 5 years or more.

Scott will specifically address:

1. What will be the impact on businesses in the Western Suburbs?
2. Project Design Overview
3. Broader network upgrades
4. After the lecture, Q&A

All Welcome, bring a guest, it will be an interesting topic and I'm sure it will affect all of us!

Club Change Over

If for some reason you are unable to fulfil your roster please arrange to swap with another Member.
Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

THAT'S NOT MY JOB!

This is a story about four people named: **Everybody**, **Somebody**, **Anybody** and **Nobody**. There was an important job to be done and **Everybody** was sure that **Somebody** would do it. **Anybody** could have done it, but **Nobody** did it. **Somebody** got angry about that, because it was **Everybody's** job. **Everybody** thought **Anybody** could do it, but **Nobody** realised that **Everybody** wouldn't do it. It ended up that **Everybody** blamed **Somebody** when **Nobody** did what **Anybody** could have done.
