Wayne Comley **Email:** waynecomley@icloud.com

Club News:

Rotary Kidman Park

From Co-President - Ron Harris

23 July 1984 was the Charter date for the Rotary Club of Kidman Park so this week saw the 40th anniversary of that occasion. We will celebrate further on Tuesday 20th August, and the remaining Charter Members will bring us memories of the years.

Next week we will hear from Guest Speaker Kate Taylor on the subject of Ultrasound units for Cambodia. Partners and friends are always welcome and this should be of interest to many.

From Club Secretary / Administration Committee Chair - Wayne Comley

Westward Ho Golf Club have advised the price we are charged for our Dinner meeting meals will increase by $2.00 to $27.00 effective next meeting 30th August.
Whilst no one welcomes price rises this is the first increase in three years, and most members would agree the meal quality at Westward Ho Golf Club. has improved dramatically since the new chef started.

The Club Board determines the amount members are charged at Dinner meetings as there are some other costs incurred in addition to the direct meal cost.
Note: -

- The Club pays for the Guest Speaker's meal and a gift (usually a bottle of wine).
- Previous Club Board's determined the Members pay a couple of dollars over the cost charged by WBSLC / Westward Ho Golf Club to contribute to these meeting costs.
- Westward Ho Golf Club charges KPR for a minimum 30 meals, which means we have to cover the balance when there are less than 30 diners at a Dinner meeting.
- Some alternative venues charge a Room Hire fee in addition to meal cost.

From Fellowship Committee Chair - Chris Hughes

The Fellowship Committee are keen to kick off the new Rotary year and have scheduled a casual lunch.

Date:	Sunday 11th August	Time: 12.30 pm
Venue:	Grange Hotel	489 Esplanade, Grange
	A la Carte menu - Pay on the day for food & Drinks	
	Round Robin to be circulated at next couple of meetings	

From Club Treasurer - Rob Chambers

Defibrillator letterbox drop awareness campaign.

Next week I will bring new leaflets and maps to letterbox drop at West Beach for awareness for the WBSLSC defibrillator. Each package will contain about 80 leaflets and a map of your area, which will generally be only one block. This is an excellent job for the grand children or team up with another member followed by coffee at a local café. If you have leftover leaflets then please put them in my letterbox at 10 Cottesloe St, West Beach

- **Membership Subscription is now due.** Payment by July 31 would be appreciated.

The Club's Board has kept subs at $200 in recognition of all the hard work done by members.

If you pay by EFT we will save $150 in credit card / Eftpos fees.
Plus: Book keeping is easier as we will have a record of everyone who has paid.

Rob Chambers 0418 804 066

Next Week's Guest Speaker: Kate Taylor

Topic: The 2H Project - Saving lives with portable ultrasound kits in rural Cambodia:

This program is in keeping with the **stated objective of RI to save Mothers and Children.**

Fundamentally the project aims to improve the survival rate of mothers and new born babies in Cambodia. The maternal mortality rate in Cambodia (MMR) is 160/100,000 live births. In Australia, its 7/ 100 000 live births.

Kate is an experienced South Australian Midwife who initiated the program in support of Cambodian mothers in 2006. Her personal interactions with mothers and in the training of local Cambodian support workers has resulted in seeing the mortality rates decline. Currently, their training improves the maternal care for a population of 400,000 people. Results of the ultra sound pilot project Jan-Dec 2023, were 1988 ultrasound scans, 8745 antenatal appointments, 1528 healthy births, 209 emergency referrals, an 11% increase in antenatal care and zero maternal deaths.

Her next task is to extend the 2h program into the more remote areas of Cambodia. To do that she needs some specialised equipment and to train the personnel to use it. In other words there are two components to the program.

Firstly, she needs to purchase five sets of equipment including an ultra sound scanner to connect to I Pad for display purposes. One total set of equipment for the user is $4000.

Secondly, there is the need to train people to use said equipment. Funds for the training of personnel is being sought from other sources.

OBSTETRIC ULTRASOUND PROGRAM - MONDULKIRI

Overview

Target populations: 5 health centres and communities have been selected - Ou Am, Pechr Chenda, Bu Chri, Kaev Seima and Me Mang (41,324 population - approximately 850 births/annum)

Target participants: 3-5 midwives per health centre
Proposed start date: Sep 2024
Project Duration: 12 months

Technical input
Peter Coombs, Sonographer In-charge, Monash Health, Victoria, Australia will be the technical-lead for the project. Volunteer sonographers from Monash Health will provide pro bono training and mentoring to participants via 3 x face-to-face intensives, online learning platforms and webinar-based workshops.

Project aims/objectives
To reduce the rates of maternal death and injury in Cambodia, the program aims to attract increased numbers of women receiving antenatal care at their local health centre and to identify early any potential childbirth and pregnancy-related complications.

Key Deliverables
Portable ultrasound devices and iPads
Training curriculum and materials
Up-skilled midwives proficient in using ultrasound technology
Research opportunities
Professional development at targeted local health centres
Improved maternal health care/outcomes

Budget
The estimated budget for this project is $49,736.
Costs include equipment purchases, 12-month training program, project management and monitoring and evaluation

Timeline/Key Milestones
Funding secured - Aug 2024
MOU with Mondulkiri PHD - Jan 2024
Pre-program survey - Feb 2024
Baseline data collection - Feb 2024
Start-up meeting - Feb 2024
First 'face-to-face' intensive - Sep 2024

Rotary Kidman Park

Last week's Guest Speaker's Topic: - Homes for Homes

Homes for Homes is an innovative funding model to increase the supply of social and affordable housing.

How it works:

- Property owners agree to make a voluntary tax deductible donation to Homes for Homes when they sell their property. The donation is the equivalent of 0.1% of the property's sale price. (0.1% on a $750,000.00 property = $750.00
- When a property is registered with Homes for Homes we add a caveat or administrative advice in Queensland to the title. The caveat or administrative advice simply acts as a gentle reminder of the promise to donate when the owner decides to sell the property.
- The property remains registered with Homes for Homes indefinitely, encouraging all future property owners to make a donation when they sell the property.
- Homes for Homes is voluntary. At any time the property owner can choose to withdraw their property from Homes for Homes.
- Renters can participate by donating 0.1% of their monthly rent to homes for Homes (0.1% of of $2,000.00 monthly rent = $2.00 monthly donation

Funds raised will benefit all:

Homes for Homes is a new source of funding, not a builder. Donationsraised are granted to experienced organisations that specialise in creating social & affordable housing.

When sufficient funds have been raised in a state or territory, registered organisations will be invited to submit funding applications for projects in that state or territory.

Grant proposals will be reviewed against published funding guidelines by specialist investment and state / territory specific housing advisory groups and the Homes for Homes board, with the objective of maximising benefits from funds invested.

Homes for Homes is on track to raise over $1 billion of new funding over the next 30m years.

Created for Australia:

The Homes for Homes model is based on a similar, successful program operated by Lennar, one of Americas largest home builders.

Developed from learnings from the Lennar model, Homes for Homes has been established in Australia by The Big Issue, an independent not-for-profit social enterprise that provides sustainable solutions to assist Australians experiencing homelessness and dis-advantage to earn an income an build their capacity to help themselves.
