Rain or Shine 0ur BBQ teams come through.

Hi BBQ Team Volunteers

Thanks to you all for your efforts with the Bunnings BBQ today (29th June).

We have been stretched on this occasion with two of our team away with Covid at late timing.

As we are all aware, if we are not well we need to stay away and we then need to plan around that.

John Jackson came in at late notice with collecting our onions and then assisting with Shift #1 covering sickness, then the Bunnik

boys helped cover sickness in our Shift #2. Then in Shift #3 we were able to free up a member due to unwellness at home.

It indicates that we do need to fill the 2 Reserves positions as it will assist covering late changes.

It was a cold and wet day and our expectation was that sales would be down as Bunnings custom would likely be less than usual.

Not so as confirmed by the Bunnings staff referring to being flat out busy most of the day. Our BBQ numbers also confirm that.

Total Sales	$1818(Card $1116 and cash $702)
Expenses	489
Net Profit	$1329

All told, a very successful day supplementing our KPR future projects....on quite a testing day in view of weather and illness.

Included in the above numbers is a gift of $100 from a Sydney visitor towards our Rotary projects.

It is part of our overall result as if we were not there on site then it would not have happened.

As always our Rob Chambers helps this all run smoothly with his work behind the scenes.

The new BBQ and tent supplied by Bunnings is now an improved and does help us achieve a better result for customers and ourselves

Well done and thanks to you all.

Cheers

Warren

Torrens to Darlington Project

Following on from the presentation last Tuesday on the Torrens to Darlington Project, Duran and Scott Cooper have forwarded some links for further information and any further comments from members. Please include these in the Krier this week (hopefully we can do this in a way that the links remain unbroken).

Regards

Rob Hughes

If for some reason you are unable to fulfil your roster please arrange to swap with another Member.
Please do not contact the Bulletin Editor - other than to advise you have swapped with someone.

A REMINDER: When you are the person responsible for introducing the Guest Speaker, please contact them well before the meeting to "touch base". Remind them of the date, starting time and venue of our meeting. Ask them for a bio and photo to appear in the Kidman Krier. In addition should they require a computer (or bring their own), cables, a roving or lapel microphone, etc., for their presentation, make sure that you determine their exact requirements and advise the member scheduled for Furniture. On the night, welcome them at the door upon their arrival, buy them a drink and introduce them to the president and other members at the pre-dinner gathering. During their presentation, take notes that capture the essence of their talk and send that to the Editor for that week's edition of the Kidman Krier.

If you have a breakdown or accident the MOW volunteer will call a taxi and will continue on the remainder of the round and return to the kitchen afterwards. You are left to deal with your vehicle issues as you see fit

Rotary Volunteers Meals on Wheels Protocol

Charles Sturt Meals on Wheels kitchen is situated at the Rear of **Festival Function Centre, 292 Findon Road, Findon in carpark.**

You report to the supervisor, enter the kitchen through the door on the left of the building as you look at it. This is the tea room area. Please be at the kitchen no later than 10.50am for departure at 11.00 am. Phone number is 0407603637 (Grace Giles).

The Rotary volunteer drives their own vehicle taking a Meals on Wheels volunteer out on the round to deliver meals to recipients.

Rotarian is not required to help with meal preparation. Rotarian helps the MOW volunteer put the meal boxes into the vehicle.

Rotarian is the driver who provides his own vehicle to take MOW volunteer to recipients homes and will usually know the round.

The Meals on Wheels volunteer will accompany the Rotarian volunteer on the delivery round.

The Rotarian volunteer can help the Meals on Wheels volunteer deliver the meals to the recipients. This depends on how the MOW volunteer works.

The MOW volunteer will put meal into a basket for the recipient , so Rotarian volunteer can either remain in vehicle or go in to meet recipient.

The typical shift will take approximately 1 1/2 to 2 hours depending on the number of recipients.

A current Police Check is required by volunteers to visit the aged in their homes. Your Rotary police Clearance will be ok.

The volunteer does not have to show proof of Covid or Flu vaccination, obviously it is preferable if you have had the vaccination.

If you have a breakdown or accident the MOW volunteer will call for a taxi and will continue on the remainder of the round and return to the kitchen afterwards. You are left to deal with the issues with your vehicle as you see fit to do.
