WBSLSC Defibrillator update

West Beach SLSC

The WBSLSC community defibrillator is now located in a 'Heart of the Nation' outdoor cabinet on the northern wall adjacent to the access ramp at the new West Beach Surf Lifesaving Club.
The cabinet door is alarmed and the defibrillator is fitted with a GPS tracker. If the defibrillator is moved the tracker can send a text to up to 5 phones. The ambulance can also find the defibrillator in the case of an emergency.
The AED cabinet is also covered by cctv. The AED we purchased is fully automatic with audio instructions so no training is needed to operate the unit to perform an emergency rescue.
Importantly the AED is located in a public space and is available to all members of the public 24/7.
We have 2000 leaflets to distribute to local residences and businesses as part of an awareness campaign. The leaflets also publicise the Rotary Bookmart and promote the Rotary Club of Kidman Park. Leaflets were provided by Matt Cowdrey OAM. MP, Member for Colton.
The cost of the project was $ 2,942, however we were fortunate to be awarded a 'Discretionary Ward Allowance' of $1,650 from the City of Charles Sturt and the balance was funded with a grant from The Rotary Foundation District 9510. The Rotary Bookmart and the Rotary Club of Kidman Park are extremely grateful to all of our sponsors. Rotary Bookmart has recently installed a similar 'community defibrillator' at the Rotary Bookmart at Smith Reserve Woodville West.
