## Unexpected publicity for the Difibrillator we installed at West Beach Surf Lifesaving Club

**West Beach Coastal News: August, 2024, No 19.**

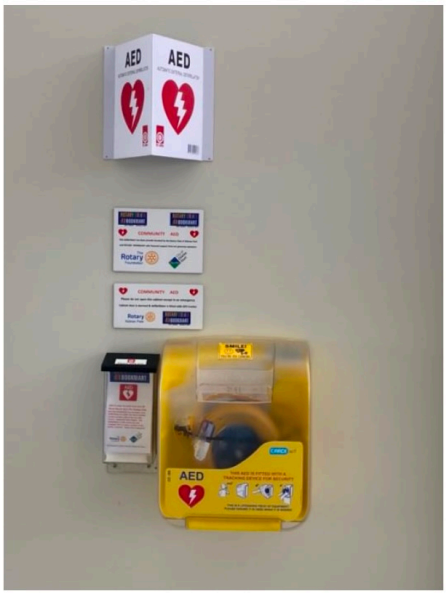

The attached photos are from the local West Beach Coastal News newsletter which covers coastal issues (11 pages) and is distributed to about 1000 people.

The Editor received our leaflet in his letterbox and decided to promote our project.

## SWITCHED ON !

The solar panels at the Bookmart are now installed and giving us free power on sunny days.

On Friday the smart meter will be installed so we can export excess kw to the grid.

The total cost of the system was $4,060 and we received a grant from the City of Charles Sturt for $3,000. Now that's a good deal. Our usual quarterly bill is around $400 so the payback period is only 8 months.

Show:

Voted Australia’s best television ever, “Mother and Son” picks up the story of this crazy family today.

Maggie Beare is in the early stages of dementia and her younger son Arthur reluctantly lives with her. Despite being increasing forgetful, Maggie is lucid enough to strategically manipulate Arthur, usually for something outlandish and inconvenient.

Their family is dysfunctional and Arthur’s budding love life is “on the rocks” before he gets to hand holding.

Written by the series writer, Geoffrey Atherton, it is a poignant tribute to older people. It is also about dependence, love, family, and being driven up the wall by someone you love, but never outsmart.

Directed by Jude Hines

## Club Bulletin Editor position:

Are there any budding journalists amongst you, just looking for the opportunity to get a start?

This could be the break you've been waiting for.

We need someone to take on the KPR Bulletin Editor role.

Robert Ryan has unfortunately stepped back from the position and we thank him for his contribution over the past 12 months.

The Bulletin is the primary source of information to Club members and besides compiling the information the Bulletin Editor has the opportunity to add their own personality to the way the information is displayed.

Most members would be aware that I have filled in for Robert Ryan recently; and was the Bulletin Editor for a number of years (including winning the District Award for Best Club Bulletin in 2015-2016), when I introduced Cartoon style jokes and even a couple of restaurant reviews (per Ian Roberts).

Whilst I use Apple's "Pages" to produce the bulletin I have also used Microsoft "Word" and will help the successful applicant to get started with either applications.

Contact me if you want some more information before diving in.

Have you checked the Club Website lately ?
You can use your Smartphone camera.
Focus on the QR code and when a yellow frame appears at the corners of the QR code the website address appears in a yellow strip. Click on that and you can access the website without typing in the web address.

## Stocktake / Working Bee:

**6th September at Bookmart -** Time to be advised

Club assets include:-
The BBQ Trailer, Cooking and Storage items, Gas Bottles, Fold up tables, Aprons, the Pop up Gazebo etc.

A stocktake will also provide the opportunity to check the condition and some items may be a bit tired.
e.g. the lettering on the Pop up Gazebo is peeling off.

Most of the Club's assets are currently stored in the shed at Bookmart, but members may have accumulated some at their home and this will provide the opportunity to return them.

**Volunteers needed** - the stocktake should not be a difficult task.

## Snippets for KK from our KPR Community Committee Meeting held 13th August

Some of the matters discussed by our Community Committee were as follows

1. Our Bunnings BBQ has 4 dates upcoming....the first is on Fathers Day 1st Sept. We have been chosen given capacity and past performance.
Our volunteer numbers from our circulated roster are coming together but still need some further support and finalisation. The other upcoming dates are Sat 26/10, Sun 24/11 and then the smoky on Thursday 26/12 which is Boxing Day with plenty of time to work through the latter.
All are key fundraising opportunities for our numerous KPR Projects of $1300 net profit per those 4 BBQ dates.
Thank you for the ongoing support of all our BBQ volunteers.

2. Some key Speakers have been put in place. eg Tues 29th Oct. Manager of West Beach Parks Kate Anderson who will tell us what WBP is and does and what developments are upcoming in future months and years. Some of these affect KPR directly with the refurbs of Westward Ho over the next 2 years. The 29th Oct will likely be a Business Networking Evening given its key relevance to KPR and our local area. Several of our Speakers have been sourced by our Stuart Ghent, who clearly has access to interesting and topical speakers.

3. Another key upcoming Speaker is Anne Cameron on 3rd Dec who will update us on Pink and Blue activities to occur in Feb 2025. KPR is in the second year of our commitment to Pink and Blue, being a Charity which supports key community health needs of Breast Cancer and Prostate Cancer.

4. Our Meals on Wheels activities are being well coordinated by Dale Kentish. Our MOW Volunteers will soon receive an email from Dale outlining some key protocols.

5. Our catering communication with our Venue of Westward Ho is being coordinated by Chris Branson through to their General Manager Colin Anderson.
Our link to Westward Ho including quality of meals is at its strongest point out of our past 3 to 4 year history with them.

6. There is a Community Grants link to a simple PowerPoint which references the history and process of Rotary Foundation Grants.
This can enable accreditation to those who access the link.
Grants for 24/25 need to be applied for over the next few weeks. Community Committee have no imminent projects that can fit that timing.

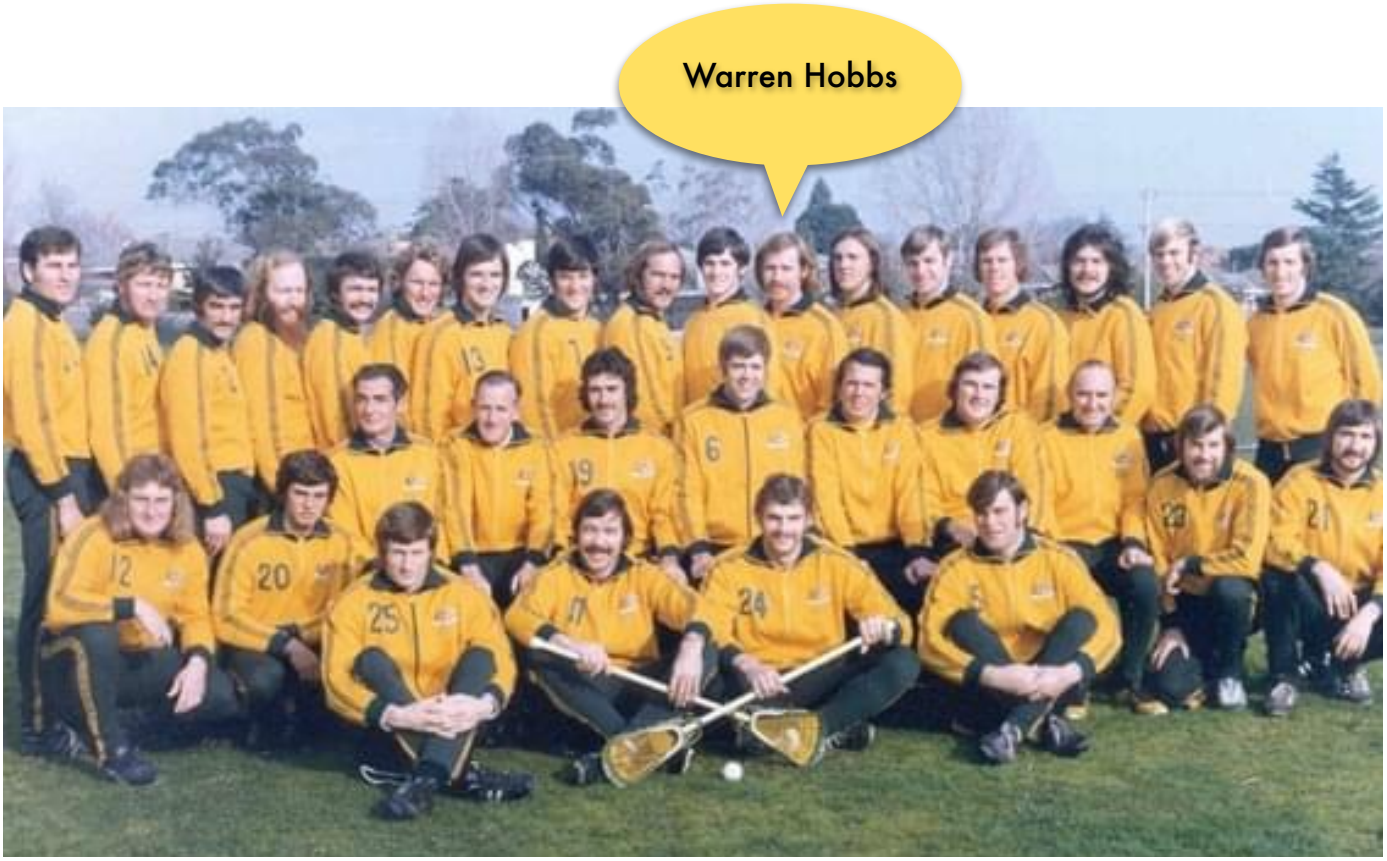

7. Australian Rotary Health may be represented and supported by a KPR Lift the Lid on Mental Health Walk.
The timing to fit with other KPR Events may be April 2025. This may be handled by TryBooking system with our Walkers seeking Sponsorship.
This may be similar to our past success with the Riesling Trail walk. The coming event would be a smaller version of the past event.
Barbara Wheatcroft together with our Community Committee will move this event forward.

8. Our Committee has had contact via Bookmart from Ngutu Indigenous College located in the same region as Bookmart.....Woodville North.
A KPR delegation of David Taylor and Warren Hobbs are being hosted at the College this Friday 16th August. This may lead to further discussions and possible support after our Community Committee and then the KPR Board determine the ultimate path. Watch this space!!

Chair 24/25 KPR Community Committee

## REMINDERS

## Bunnings BBQ date:

Airport Bunnings have allocated KPR : -

**Sunday 1st September (Father's Day)**

**Volunteers needed**

Please check with your family and advise Warren Hobbs ASAP if you can help on 1st September

## Defibrillator letterbox drop awareness campaign:

If you collected a bundle of leaflets from your table at the previous week's meeting please endeavour to distribute the leaflets as soon as possible so that West Beach residents are aware that there is defibrillator at WBSLC.

Each package contains about 80 leaflets and a map of the area for distribution, which will generally be only one block. This is an excellent job for the grand children or team up with another member followed by coffee at a local café.

If you have leftover leaflets then please put them in Rob Chamber's letterbox at 10 Cottesloe St, West Beach

## Membership Subscription is now due: Prompt payment would be appreciated.

The Club's Board has kept subs at $200 in recognition of all the hard work done by members.

If you pay by EFT we will save $150 in credit card / Eftpos fees.
Plus: Book keeping is easier as we will have a record of everyone who has paid.
