From Co-President's Karen Feind. & Ron Harris:

What an amazing night. Looking back 40 years was a trip down memory lane for many but for a lot of newer members it was a look into the past of projects and strong friendships that have developed endured 40 years.

A video of Norm wishing the club a Happy 40th Birthday was quite special. He created this club and 3 others from Henley Beach Rotary Club. He gathered together a random group of people who didn't know each other and through President David and Anne Simpson had groups of people around to their place regularly to get to know each other.

Our 6 original members, David, Kel, Bob, Kevin, Grant and Rob, entertained us with their favourite memories, projects and adventures, which was supported by photos and videos.

Many thanks to David and Anne who put together the videos and music and to everyone who contributed material (evidence) of all the good times had over the years.

There was lots of laughter throughout the night and by the happy smiles, with good food, good company may the next 40years be just as good.

Karen and Ron

Some pics from the KPR 40th Birthday meeting

Kevin Mullins recounting a trip some Rotarians took on Kevin's boat.

Rather than go across the gulf to Port Vincent the group decided to travel down to Maslin Beach and moor offshore whilst Kel Burke stripped down to buy Icecreams from a vendor on the beach. His lily white backside stood out from the tanned regulars.

Kel Burke proudly displaying his jacket from when KPR helped at the Adelaide Grand Prix. Jacket features dignitary's signatures, including Sir Jack Brabham's signature on right hand shoulder.

Stocktake / Working Bee: **6th September at Bookmart -** Time to be advised

Club assets include:-
The BBQ Trailer, Cooking and Storage items, Gas Bottles, Fold up tables, Aprons, the Pop up Gazebo etc.

A stocktake will also provide the opportunity to check the condition and some items may be a bit tired.
e.g. the lettering on the Pop up Gazebo is peeling off.

Most of the Club's assets are currently stored in the shed at Bookmart, but members may have accumulated some at their home and this will provide the opportunity to return them.

Volunteers needed -
the stocktake should not be a difficult task.

BOOKMART and the "COMMUNITY STREET LIBRARY"

The Bookmart committee have adopted Rob Chambers idea to boost our community profile and hopefully our book sales.

Here's the plan: There are approximately 70 'Street Libraries' in the western suburbs and they operate like a free book exchange located on the street corner, park or playground. (Take a book and leave a book.) My idea is to place quality surplus books donated from the Bookmart in those boxes. Each book will have our bookmark inserted and a sticker on the front to recognise our donation. We would also place a bundle of our bookmarks in the box for people to take. The people who visit these 'Street Libraries' have an interest in books which will cause them to visit our Bookmart.

Club Members Janet Johnson & Jenny Harris and Bookmart Volunteers Ann Nagy, Jeannie & Dawn have each volunteers to deliver culled books to Street Libraries in the vicinity of their homes.
