From Co-President's Karen Feind. & Ron Harris:

Lots of good ideas floated around the room at Committee meetings this week.
I ask all members to consider new avenues of service to the Club as Rob Chambers will not continue as Treasurer after this year. Similarly Ian Roberts will not continue as Auditor. Thanks to both for their valuable service over the years. Have a chat with Rob or Ian to find out if you can help.

Meals on Wheels Update
Thank you to everyone who had nominated to be part of our roster supporting Meals on Wheels this year, it makes the coordinator job so much easier when there are so many volunteers.

Recently I had a conversation with Grace, the coordinator at Meals on Wheels. She wanted me to pass on her gratitude for the support of our members who drive their volunteers. During our conversation she reminded me that KPR have magnetic signs available to attach to the vehicles used, which can publicise our support for the community during our shifts. She also mentioned that there may be unfamiliar support volunteers on some occasions and they may have different needs re loading/ unloading the car and going into client's homes, please continue to ask if you are paired with someone new to you.
I will continue to send out draft email with roster a month in advance to allow for timely negotiation re shift swapping if necessary.

Subject: Re: BBQ numbers and thanks to BBQ Team

Hi Kidman Parkers

Thanks to all of our Volunteers today who managed to balance their Fathers Day and our Bunnings BBQ commitment.

Special mention to David Taylor who covered for Rob Chambers for bringing our necessary supplies, then assist with set up and then the clean up and

clean up of utensils at home after.

The day being Fathers Day caused unknowns both in likely customer numbers and our volunteers availability.

The customers of Bunnings were still reasonable on this Fathers Day occasion, as we can see from the sales below, and our Volunteer numbers were strong.

Several of our BBQ regulars were understandably unavailable, but several others stepped up and made the day and result possible.

The numbers were as follows which under the circumstances were quite pleasing in deriving a solid income that helps support our numerous KPR projects.

Card Sales	$939
Cash Sales (excl float)	$570
Total Sales	$1509
Less Expenses	$450
Net Profit	$1059

KPR being able to make this Fathers Day work continues to shore up our KPR credibility with Eve, the Activity Organiser of Adelaide Airport Bunnings.

Thankyou to our Volunteers today all contributing to make this happen in difficult circumstances.

Cheers and thanks

Warren

Manager of Westward Ho, Colin Anderson has been requested (at suggestion of our Board) to be our Guest Speaker on 19th Nov. He was delighted to be asked.
Also an Invitation for Colin to invite any of interested Westward Ho members on that occasion....given they likely live locally and some may have an interest in volunteering.
 Also at the request of our Board (via an excellent suggestion by Wayne Comley) that we forward relevant detail of our Speaker Program to Colin so that he can consider what he may wish to attend and any of his Membership similarly. eg Speakers on West Beach Parks, Sea Rescue,
Pink and Blue, Dan Turner(international yatchsman), Colins own presentation etc It is a tantalising Speaker Program that we have!!

Charity Walk email report by Barbara Wheatcroft...timing after April 2025. More later.

Ngutu Indigenous College ....Principal Andrew Plastow is Guest Speaker on 24th Sept....David Taylor and Warren Hobbs visited on site at Woodville North in the CCS Council area.

Membership Growth Strategy

Dear Fellow Rotarians,

The following documents are designed to see the success of Rotary.
To increase impact, member engagement, growth and collaboration a strategic plan has been drafted.
Please read the accompanying documents and feel free to provide your valuable feedback.
When we have a consensus as a club this plan will be addressed at board level to be actioned.

There is an element in the plan that we can start applying now, for free.
Please volunteer a fraction of your time per week, on social media, and make an immediate difference on the impact your efforts achieve with every project.
Involve your partner to double our impact and remember sharing an article with a comment helps our ranking, far greater than just liking it.
Please follow our fellow clubs in Group 4 as this will give Rotary a significant ranking increase.
If we lead by example, other clubs will have the opportunity to expand and grow, to become a force in the community, matching that of Kidman Park Rotary Club.
As your RCL, I thank you in advance for your support with our home ground advantage, we can make a difference..
In service, your Rotary Community Leader.

The Power Of Your Partner

The phrase "The Power of Your Partner" resonates strongly within the Rotary community, reflecting the significance of collaboration, partnerships, and collective action to achieve lasting impact. Rotary's strategic initiatives emphasize the value of working together, both within Rotary and with external partners, to enhance the reach and effectiveness of projects. Here's how the concept of partnership is crucial in various contexts within Rotary:

1. Collaboration Among Clubs: Rotary Community Leaders (RCLs) are encouraged to facilitate collaboration among clubs within their Rotary Community Groups (RCGs) and across other groups. This collaboration allows clubs to pool resources, share knowledge, and execute larger-scale projects that they might not have been able to handle alone .

2. Strategic Partnerships: Rotary's regionalization efforts and action plans emphasize building partnerships with government bodies, large corporations, NGOs, and other stakeholders. These partnerships help Rotary clubs expand their impact and bring about more significant, sustainable change in communities .

3. Enhancing Member Engagement and Experience: The power of partnership also extends to the internal dynamics of Rotary clubs. Engaging members, making them feel part of a collective effort, and ensuring they have meaningful roles within the club strengthens the club's overall effectiveness and member satisfaction .

4. Joint Fundraising and Projects: Partnerships within and between clubs can lead to joint fundraising efforts and collaborative projects. These joint efforts are not only more resource-efficient but also help in uniting different clubs under common goals, thus fostering a stronger Rotary identity and community spirit .

5. Cross-Community and Cultural Collaboration: The ability to work across different cultural and linguistic communities is highlighted as an important aspect of leadership within Rotary. Leaders are expected to leverage the strengths of diverse groups to achieve the goals of their community groups and the broader Rotary mission .

In essence, "The Power of Your Partner" in Rotary underscores that through effective partnerships, whether internal or external, local or global, Rotary can magnify its impact, enhance member experience, and better serve communities.

Voted Australia’s best television ever, “Mother and Son” picks up the story of this crazy family today.

Maggie Beare is in the early stages of dementia and her younger son Arthur reluctantly lives with her. Despite being increasing forgetful, Maggie is lucid enough to strategically manipulate Arthur, usually for something outlandish and inconvenient.

Their family is dysfunctional and Arthur’s budding love life is “on the rocks” before he gets to hand holding.

Written by the series writer, Geoffrey Atherton, it is a poignant tribute to older people. It is also about dependence, love, family, and being driven up the wall by someone you love, but never outsmart.

THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO
