## From Co-President's Karen Feind. & Ron Harris:

Lots of interesting things at our meeting on Tuesday 10th.
Our Guest Speaker Ian gave us fascinating background stories about the establishment of the South Australian Colony (2 of the principle founders did their work from prisons!), and Port Adelaide. Early arrivals had to walk through the mud and slush at "Port Misery" which was roughly where the northern end of West Lakes is now.
We also met our RYLA nominee, Heidi and look forward to hearing about her experience later. Ros and Andrew Degaris from Rotary West Lakes brought Italian exchange student Samuel. (see separate email from Wayne Comley regarding Sam's birthday party)
Kevin Tiggemann says Jason Dunstone's talk next week about Adelaide over the last 20 years is not to be missed!

## Visit with Norm Lewis

It was enjoyable to visit Norm Lewis today (Wed 11th Sep). As we all know, Norm was the Founder of KPR as designated by Henley Beach Rotary Club
The protocol for a visit into Southern Cross Care is now minimal.
No Covid test is needed, no mask is required unless you wish. Still need to sign in at the Counter, and then sign out on departure
It is best to ring ph 8353 3044 before visiting to ensure Norm will not be at lunch. I have found just prior to lunch at 11.30am is a good time
to see Norm ....lunch follows at Noon. Norm was in bed but dressed today, and in good spirits.

Norm was pretty alert and mentally switched on. We spoke about his past and third trip to Antarctica when he was 90years old.
Norm shared that he had travelled by a Cruise ship, which used South America as the step off point to Antarctica.

I had taken along the placemat that David and Anne Simpson had organised for all attendees at our recent KPR 40th Anniversary.
It was the yellow sheet with blue borders that listed all the Officebearers and all Charter Members from KPR Charter Presentation
held on Sat 18th August 1984 at the Shandon Hotel. Norm knew all of that factual info.

I then read out all the original Charter Members' names out to him. You could see his face light up with recognition as each separate name was mentioned.
Norm remembered all, other than a few of the names. No surprise as he probably personally sourced most of the Charter Members.
He loved to hear more about the 40th Anniversary of KPR that David and Anne had planned and coordinated with fantastic video and photographic
memories of all for all. It was sad that Norm's health prevented him attending the 40th Anniversary, and the possible risk of infection being outside of Southern Cross Care.

Norm also talked about the visits by his daughter Joan, plus regular visits from Henley Beach Rotary Club members and visits by KPR crew....Tom, Wayne, David,
Browny and others.

Norm is well on his way from 107yo to 108 which happens on coming Xmas Eve. If you happen to be feeling some of your own aged-related aches and pains, then spare a thought
for Norm being 20 to 30 years older than most of us. We all better get in shape for any possible trip to the Antarctica when we are 90yo. All the best with that!!

If you get the chance to visit Norm at Southern Cross Care then please do so ....it is now a simple process....and Norm will love you for it.

Where do the computer typeface characters go when you delete them? Well, the characters go to different places, depending on whom you ask.

The Buddhist explanation: If a character has lived rightly, and its karma is good, then after it has been deleted it will be reincarnated as a completely different, higher-placed character. For instance, those funny characters located above the numbers on a typical keyboard will become numbers, all numbers will graduate to become letters, and lower-case letters will reach the pinnacle and become upper-case.

PETA's (People for the Ethical Treatment of Animals) explanation: You've been DELETING them??? Can't you hear them SCREAMING???

She said he said, or was it he said she said?

Do you remember the most stupid thing your've ever said?

I do…..

## Advanced Notice Meal & Theatre Night - 23rd November 2024

Meal at: “Saracens’s Head Hotel 82 Carrington Street, Adelaide - Time: 5.30 pm
Theatre: “Arts Theatre” 53 Angas Street, Adelaide - Time: 7.15 pm

Show:

Voted Australia’s best television ever, “Mother and Son” picks up the story of this crazy family today.

Maggie Beare is in the early stages of dementia and her younger son Arthur reluctantly lives with her. Despite being increasing forgetful, Maggie is lucid enough to strategically manipulate Arthur, usually for something outlandish and inconvenient.

Their family is dysfunctional and Arthur’s budding love life is “on the rocks” before he gets to hand holding.

Written by the series writer, Geoffrey Atherton, it is a poignant tribute to older people. It is also about dependence, love, family, and being driven up the wall by someone you love, but never outsmart.

Directed by Jude Hines
