Bulletin Editor

Paul Denley - Email: denleyp@gmail.com

Club News:

Wayne Comley reported that several members had received emails purportedly from Karen, who had previously said that she had been hacked. There is more of this happening all the time and it pays to look carefully at all emails.
In a similar vein Jenny Harris received a "blog" extolling the virtues of Kidman Park Rotary -how it does great work in the community with members also having fun together. It was so plausible that we considered sharing it with the club. Jenny's son rang and said that he had taken details from Jenny's annual report and made the blog using artificial intelligence.
Again be careful about what you see.

Ngutu College Principan Andrew Plastow with Rotarian David Taylor

Club News:

Rotary Kidman Park

Principal Andrew Plastow gave a an enthusiastic and detailed presentation of how the College came in being and how it is being run today.

Ngutu College is an indépendant, not for profit, socially-just college on Kaurna Country in Woodville North, South Australia.

Learning opportunities acknowledge and engage the individuality of all children and young people in an experimental environment in which Aboriginal acknowledges are seamlessly integrated with formal curriculum.

From 2024 we offer Kindergarten to Year 10, progressing year by year towards K- 12 by 2026.

Your Ed. would encourage all to check out Ngutu College Website.

Next Weeks Guest Speaker - Trevor McGuirk

Trevor spent 34 years as a teacher with the Education Department of SA and in the last 10 years of his teaching career he was appointed Principal at Clare Primary School and Seacliff Primary School. After leaving the Education Department he worked in the grain industry for two years with the then SA Cooperative Bulking Handling, spent four years as Manager of Fundraising for Scouts SA, and finally spent three years as Director of Development at Unity
College at Murray Bridge.

Trevor has travelled extensively overseas to Europe, (five times), Alaska, Fiji (twice including as a RAWCS volunteer), New Zealand (twice), China, and Peru (six times).

In 2008 Trevor spent eight weeks as a volunteer in Cusco, Peru with an organisation called Peru's Challenge. In November 2009 he returned to Cusco to distribute Christmas gifts to children who live in poverty in the Andes Mountains near Cusco. The opportunity to do more for these children and their families arose on that trip. Then in August 2011 he organised for a group of Rotarians and their partners to travel to Cusco as part of an exchange program.

In 2015 Trevor travelled to Peru to investigate how a sustainable health care project could be implemented, and in 2017 travelled again to Peru to implement a project having

successfully applied for a Global Grant approved in November 2016. In 2018 he travelled to Peru to collaborate with the Rotary Club of Cusco to view at first hand aspects of the project and to write the report required by RI after 12 months of progress.

Trevor was President of the Rotary Club of Stirling Rotary in 2010/2011 and is presently President of the Rotary Club of Unley. He was named a Paul Harris Fellow in 2011 with a sapphire pin in July 2018. He is a member of the District 9520 Friendship Exchange Committee. And has been Chair of the District 9520 International Services since 2017.

In addition to initiating a Matching Grant and a Global Grant, Trevor has established the "Kids of Cusco Project" – a humanitarian project with the objective of improving the education and health of children - and has raised over $56,000 through funds raising activities.

District Governor 24-25 Marie-louise Lees

Marie-louise, mostly known as M-l, is a certified professional engineer with an Honours Degree in Chemical Engineering from the University of Adelaide. Her career has been in the upstream oil & gas industry working as both a Process and Petroleum Reservoir Engineer for over 30 years. M-l currently works part-time as Senior Associate for EnergyQuest, a boutique independent industry consultant.

Since August 2017 M-l has also worked for Taylor & Forgie Funeral directors in Gawler in the administration team. This work has presented new challenges requiring some very different skills and has been a journey of significant personal growth.

M-l and Graham live at Cockatoo Valley with their two indoor cats, Plasmo and Skittles, and 6 outdoor chickens. Our three sons Tim, Harry & Ethan have flown the nest.

M-l joined the Rotary Club of Gawler in Nov 2012 and moved to Rotary Club of Gawler Light in July 2020.

At the Rotary Club of Gawler M-l served as Director Vocational Service 2015/16, Club Administration/President Elect 2016/17, President in 2017/18, Secretary 2018/19 and 2019/20. At the Rotary Club of Gawler Light M-l was President 2021/22 and Youth Director 2022/23.

At a District level M-l was 2019/20 District Conference Chair. This conference was planned

to be held in Whyalla, but disappointingly COVID intervened, and it was cancelled three weeks prior to the event. We did salvage something from all the planning and held a virtual conference.

M-I has held several other roles on district committees including National Youth Science Forum (NYSF) Committee Chair for one year and served on NYSF committee for several years, Australian Rotary Health committee for 2018/19 and 2019/20, the District 9510 Redistricting Committee as Secretary and then committee member and the District Foundation Committee since 2016 initially as Paul Harris Society representative and most recently as District Rotary Foundation Chair. M-I is also leading a team in the Zone 8 Regionalisation Pilot Establishment team.

M-I's passion for Rotary was ignited by the ability of Rotarians to contribute to world peace and community development at a local, national, and international level largely through The Rotary Foundation, Rotary's Charity. M-I is a Paul Harris Society member and Rotary Foundation Major Donor.

Some other fun facts. Graham and M-I own a B&B "The Peppers Cottage" in Burra. During covid M-I learnt to bake sour dough bread. Keeping the sour dough starter in good shape and baking delicious loaves serval times a week remains an ongoing joy. In 2015 to celebrate her 50th Birthday M-I with her sister walked 780 km of the Camino De Santiago from St Jean De Pied De Porte to Santiago De Compostela in Spain. A truly life changing journey. From this stemmed a love of long walks, but only if there is a comfortable bed at the end of the day. Some walks M-I has done include the Three Capes in Tasmania, The Milford and Routeburn tracks in New Zealand and the gruelling Tour Du Mont Blanc a 170km walk with 9,000m elevation change which passes through France, Italy and Switzerland. The Larapinta Trail is on the bucket list.

Some snippets from roving KK reporter in Finland.
The photo of the park bench is BBQ Finland style. Check out the swinging bbq tray over the flames….plus every mustard and topping you ever thought of.
The Haapajarvi Rotary Club welcomed Helen as a Rotary Youth Exchange student in 1970.
The Rotary Club disbanded 4 years ago due to aging members and no suitable venue for meetings.
Their welcome last week for Helen, myself and daughter Lee was above and beyond. Helen was the special guest for their regathering meeting.
A great night of memories and then resumed later that night at the local hotel.
Have a look at the Rotary flags ….bottom right is KPR flag from a previous visit of Helens.
A few more photos later

Cheers from Haapajarvi

This table of Rotary flags was the welcome table for Helens revisit to this club that hosted her as RYE in 1970. KPR flag bottom right which Helen took on a previous visit. Really warm welcome even tho club was disbanded 4 years ago due aging members and lack of a venue. Town population reducing. Great memories for Helen and the members.

Beautiful countryside

Show:

Voted Australia’s best television ever, “Mother and Son” picks up the story of this crazy family today.

Maggie Beare is in the early stages of dementia and her younger son Arthur reluctantly lives with her. Despite being increasing forgetful, Maggie is lucid enough to strategically manipulate Arthur, usually for something outlandish and inconvenient.

Their family is dysfunctional and Arthur’s budding love life is “on the rocks” before he gets to hand holding.

Written by the series writer, Geoffrey Atherton, it is a poignant tribute to older people. It is also about dependence, love, family, and being driven up the wall by someone you love, but never outsmart.

Directed by Jude Hines

THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO ALL CONCERNED?
