Club News:

A reminder to all members that if for any reason you cannot fulfill your rostered duty you must arrange for someone else to replace you - either by swapping or general begging.
All of the dinner meeting duties are important for the good running of the club, as are the Bookmart and Meals on Wheels rosters.
Advance notice - the club AGM will be held on 26th November and all positions will be vacant. Please consider how you can contribute to the leadership.

Show:

Voted Australia’s best television ever, “Mother and Son” picks up the story of this crazy family today.

Maggie Beare is in the early stages of dementia and her younger son Arthur reluctantly lives with her. Despite being increasing forgetful, Maggie is lucid enough to strategically manipulate Arthur, usually for something outlandish and inconvenient.

Their family is dysfunctional and Arthur’s budding love life is “on the rocks” before he gets to hand holding.

Written by the series writer, Geoffrey Atherton, it is a poignant tribute to older people. It is also about dependence, love, family, and being driven up the wall by someone you love, but never outsmart.

Directed by Jude Hines
