Last Weeks Guest Speaker

Dan Turner is a husband, father and Australian endurance athlete / adventurer.After growing up in Port Lincoln, South Australia, Dan joined the Australian at the age of 17 as a Combat Engineer, Combat Fitness Leader and Driver and included service with the United Nations in East Timor. Following discharge from the Army and after his first child Searrah was born, Dan realised he needed to continue challenging himself and has gone on to compete in many of the toughest endurance races in the world. This has included amonst others the Marathon Des Sables, recognised by the discovery channel as the toughest footrace on the planet and the Melbourne to Osaka Yacht Race, one of the toughest short-handed yacht races in the world. Dan loves the motto ' Why fit in when you were born to stand out' and wants to show his family that everything in life is achievable if you are truly committed.

This is the 5.8m yacht that Dan is going to sail around the world, via the above route. The yacht is as long as a large car. Dan is a very confident, and a brave man.

Club News:

Rob Hughes with Dan Turner.

Rob Hughes has already asked him to come back and tell us about his adventures after he completes the race and His Facebook page will have regular updates as he progresses through the race.

Our KPR Members will remember when Andrew Plastow, Head of **Ngutu Secondary College**, spoke at KPR several weeks ago.
Below is for the KK as an update on their exciting progress.

More on this later, but we of KPR could consider an evening meal in their "Gathering Place" Cafe which is work experience for their students re catering.
This could be in the format of a brief School Tour and Meal for one of our Tues Meetings....not unlike our Seaton High School experience from many years ago.

Cheers

A Year of Growth and Possibilities at Ngutu College

As we reflect on the 2024 year so far, we're thrilled to share the remarkable strides our Ngutu community has made. Our enrolments have grown to over 260 children and young people, with 47% identifying as Aboriginal or Torres Strait Islander. Our dedicated team has expanded to 86 staff, and we've proudly opened our Senior campus for Year 7 to Year 10 learners, and more recently obtained Education Standards Board approval for Year 11 & 12.

This update highlights some of the extraordinary and empowering experiences our children and young people have enjoyed this year. We hope you find our stories inspiring. We thank you for your continued support and commitment to Ngutu College.

Andrew Plastow, *Head of College*

On Friday 10th May we celebrated the Official Opening of our Senior Building attended by our young people, families, investors and supporters. The ceremony commenced with a Welcome to Country by our Elder in Residence, Uncle Moogy Sumner, followed by an address from Head of College, Andrew Plastow and one of our Senior leaders, Isabella. The Honourable Mark Butler MP, Member for Hindmarsh officially unveiled our senior Building with one of our young people Carlos joining him in cutting the ribbon.

Our Senior Building combines four general classrooms; state-of-the-art Science Lab; a connected space for specialist Arts; Advanced Technology studio where products are designed, laser etched, 3-D scanned, 3-D printed or vinyl cut; a Gallery and break-out space; Technology workshop with hand-tools, powered machines and laser cutter; along with a Community Lounge, kitchen and pavilion space.

This was a significant milestone for Ngutu's belief that our children and young people deserve high quality facilities and multiple learning pathways.

As we look ahead to next year, we're excited to complete the final phase of our Senior Campus. This crucial development will include new senior classrooms; dedicated music rooms, including recording studios; bathrooms and shower facilities; and drying room for our Kurrakas Ice Hockey team.

We'd like to invite our supporters to help us make this vision a reality. Your philanthropic support would directly enhance the learning experiences and opportunities for your young people. Imagine the impact your contribution can have in transforming our learning environment and advancing educational outcomes.

Club News:

West Beach Surf LifeSaving Club

A number of Board members attended the opening of the Lifesaving season and acknowledgement of KPR sponsorship of both the Training Room & First Aid room at West Beach Surf Lifesaving Club.
Representatives of the West Beach Community Bank were also present. They sponsored the Gym Room.

The pics show the plaques attached to the wall in each room and Co-President Ron Harris being thanked by WBSLC President Graeme Cunningham.

Members would be aware that we don't have our Dinner meetings at WBSLC due to the layout being unsuitable and the popularity of the dining / drinking spaces, but the KPR Board hold their monthly Board meetings in the Training Room.

Cheers
Wayne Comley

Theatre: “Arts Theatre” 53 Angas Street, Adelaide - Time: 7.15 pm

Show:

Voted Australia’s best television ever, “Mother and Son” picks up the story of this crazy family today.

Maggie Beare is in the early stages of dementia and her younger son Arthur reluctantly lives with her. Despite being increasing forgetful, Maggie is lucid enough to strategically manipulate Arthur, usually for something outlandish and inconvenient.

Their family is dysfunctional and Arthur’s budding love life is “on the rocks” before he gets to hand holding.

Written by the series writer, Geoffrey Atherton, it is a poignant tribute to older people. It is also about dependence, love, family, and being driven up the wall by someone you love, but never outsmart.

Directed by Jude Hines
