From the Co-President

Many thanks to Warren Hobbs for quick action when informed that Chef Paul was ill and so Westward Ho could not provide meals. Not ideal but everyone seemed happy with range of pizzas provided. Committees were able to keep up with planned activities.
Reminder that AGM is in 2 weeks so looking for a strong turnout to secure the future of the Club.

Ron

Bookmart

The Bookmart committee agreed that there would be a 1 week book sale from Saturday 23-30 November. Currently we have an over abundance of books and we need to make more room for new stock.

The last day of Bookmart will be open will be on Saturday 21st December and we will reopen on Saturday 11th January 2025.

The air conditioner will be installed on 3 December.

A Christmas tree will go up on Wednesday
13th November and the Girl Guides have agreed to decorate the tree for us.
We are also organising for a lucky dip of books for kids under 10 to be under the tree.

We also need to focus on redirecting books in good condition destined for kitty litter to other in need organisations.

Currently we are sending some kids books to the Smith family and educational books to Lesotho.

More to follow in the New Year.
Chris.

Community Committee Snippets

Some matters discussed at our Community Committee Meeting on Tues 12th Nov. It was pleasing that we had 8 of our Community Committee attend this Meeting.

1. The SA Sea Rescue Squadron (SASRS) visit last Tues was very successful in many dimensions. Show and tell increased our knowledge of what it is and does. **Since then we have had contact with Commodore John Burrow** which resulted in a suggestion if we can help financially then best to hold that over for a month by which time they will know about the success or otherwise of a Grant to cover Maritime Uniforms.
Don McCulloch is our link per his Bookmart service and then his 47 years of service with SASRS. We have discussed the occasional need for their excellent Anchorage Room when the Westward Ho venue is not available to us due their own club needs. This is rare but generally happens around once per quarter. KPR would not have to pay SASRS Room Hire due to our support to them.

2. We circulated a BBQ Roster for our next two Bunnings BBQ's. Those dates are Sunday week 24th Nov and then Boxing Day holiday 26th Dec. If any KK readers have 2.5 hours spare on Boxing Day then that would be helpful. Shifts are 8.45am to 11.30, then 11.30 to 2pm then 2pm to 4.30. **Please contact me 0411 744740 if you or a friend can help on that more challenging date.** Our club will raise funds for our key projects of around $1400 net profit from that single BBQ opportunity.

3. Meals on Wheels (MOW) is running smoothly through the good work of Dale Kentish.

4. Chris Branson reported that our Venue of Westward Ho is working out well for us and the meals and service have been excellent per Chef Paul and the Service team led by Megan.

This is aided by ongoing liaison work by Chris Branson advising weekly numbers plus ongoing deepening of our Westward Ho and KPR relationship. Our Speaker next Tues 19th Nov is Colin Anderson who is Manager of Westward Ho. Colin is talking about his life's journey up to and including Westward Ho. Colin is Scottish by birth and has had an interesting journey. Colin plays off a Golf Handicap of 4 so he is highly skilled on the Golf Course as well. We will be joined by some members of Westward Ho who also want to hear Colin's story. This is a KPR event not to be missed!!

5. Our Barbara Wheatcroft and our Committee are looking at an April 2025 date to trigger an Australia Rotary Health (ARH) Charity Walk. We are keen to have 40 KPR Rotarians and friends do a fun walk of 5 to 10 km and we all get some per km personal Sponsors eg our Grandkids and kids. Is that paying it back or forward?? We could wrap it around a post-walk bbq not unlike our Riesling Trail experience....but closer to home. If you have some ideas see Barbara and we can make this materialise for some fun and some key Sponsorship funds for Australia Rotary Health.
ARH do excellent work in diverse areas. As an example close to home, ARH run the SA Indigenous Health Scholarship supporter program and KPR supports Hannah Hughes who is a qualified Dental Hygienist who is now studying Medicine and is keen to exhort other Indigenous students to follow her lead, as she has a goal of assisting Aboriginal Communities once qualified.

6.Pink & Blue (re Breast Cancer & Prostate Cancer) Event is programmed for Sunday 9th Feb 2025. Anne Cameron from Pink & Blue is our Guest speaker on Tues 10th Dec to update us on the coming program. Our Dale Kentish has inserted an article into the City of Charles Sturt Publication in the Kaleidoscope section so the broader community is alerted to the event and our role in it.

7. KPR has ongoing links with several organisations that do have young leaders that could be advantaged with Rotary and related leadership courses eg Rotary Youth Leadership Awards, RYPEN, RY Drivers Awareness, InterACT which assists leadership in Secondary Schools, Operation Flinders etc.
The Organisations that we overlap with that may have such needs may be Ngutu Indigenous Secondary School (at Woodville North), Westward Ho Golf Club, West Beach SLSC, SA Sea Rescue Squadron etc. Our KPR Community Committee will work with our KPR Vocational and Youth Committee led by Steve Redden

8.We have been approached by Colin Anderson and John Sigal who is Chair of the Westward Ho Social Committee about having a special Tuesday Meeting hosted by the major sponsor of Westward Ho which is Amadio Wines handled personally by Paul Amadio. Amadio Wines have a strong profile in the SA Wine Industry. The Meeting would be held as a Wine Tasting format and with background on the Industry. The KPR Board have agreed to this event and a date of Tues 15th April 2025 has been set. It is also planned that we also invite other Rotary Clubs that we have links to. Our Venue is expandable to enable that increase in numbers.

Take-aways from Airport Bunnings Info session held Mon 11th Nov, 2024

These were some comments relevant to us from our Organiser Eve made at the Compulsory Info Session.
Our attendees were John Jackson, David Taylor and Warren Hobbs

Customers and sales have been higher in Spring hence we may need to order slightly more consumables (Memo: That has not been our experience)

Must keep fire extinguisher and Fire Blanket visible and accessible at all times. Everyone to be aware of the location of these

If anyone smells gas then report it to Bunnings helper immediately and exit from Gazebo

Only Bunnings staff are to touch or turn on or off the gas bottle

If a Club or Charity wishes to cancel the BBQ date then 2 weeks notice is appreciated

There is no set temperature level for extreme weather. The Club or Charity makes that decision for their particular volunteers. A RYOBI Battery operated fan is available on request.

There must be at least 3 Volunteers operating the BBQ at all times

Beef Sausages are the most favoured choice (not chicken or other options)

Onion sandwiches for a vegetarian option does satisfy some customers....or the Bunnings cafe can supply dietary needs for customers unhappy with our offering

There can be one different captain for each of the 3 Shifts

Slices of bread can go in fat container which absorbs a lot of the fat.

Henley and Grange Cricket Club is doing the Bunnings Xmas occasion this year with matching Bunnings vouchers. That is a good outcome for us.

Do gazebo zips up on outside, so the rear of the tent is kept away from hot BBQ.

The large numbers of Clubs and charities results in each receiving BBQ dates of only 4 per year. Our KPR history has been one each month, sometimes more.
Our sustainable optimum re our Volunteer numbers is around one BBQ per month.

the large Bunning sites say Mile End may have a higher net profit of $2000 to $3000 but Clubs may only get one or two BBQs a year....so careful what you wish for.
Our postcode 5024 dictates the Bunnings that we are tied to is Airport Bunnings and we should be content with that outcome and what we are offered.

If ever a Club or Charity is low on Volunteers and is in need of an extra, then Eve will find a Bunnings Staff member to do the BBQ role for the Charity

KPR Community Committee

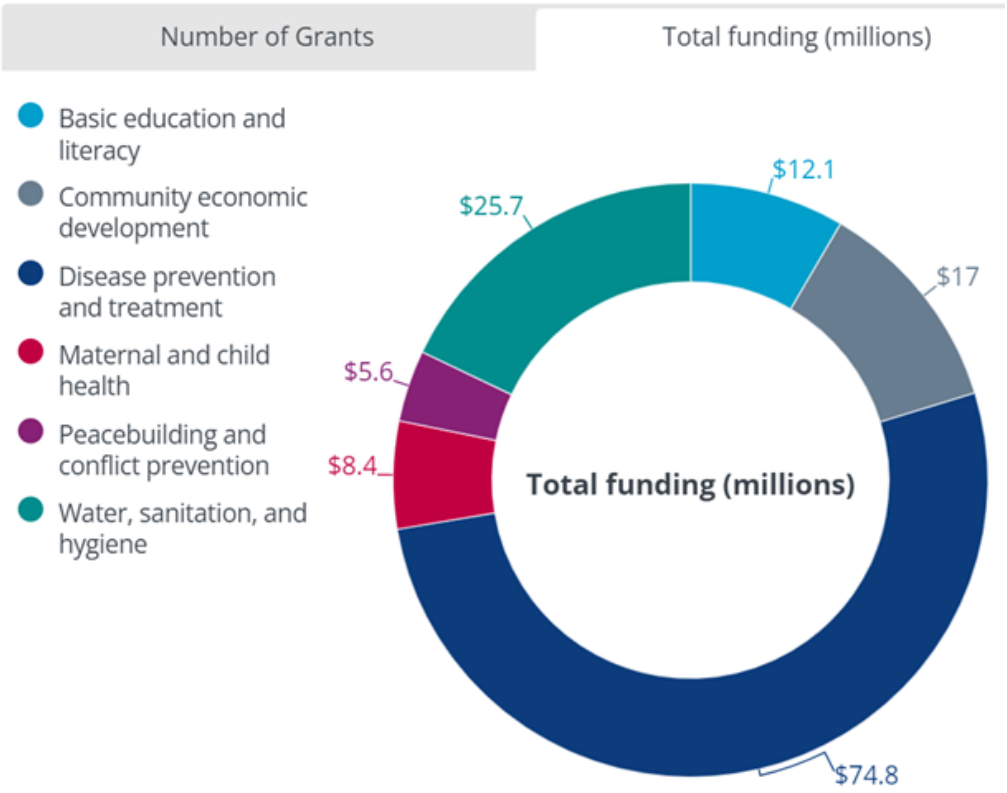

The Rotary Foundation is the charitable arm of Rotary International, dedicated to supporting the global service initiatives of its members. Established in 1917, the Foundation transforms donations into sustainable projects across the globe, focusing on Rotary's key areas of focus: promoting peace, fighting disease, providing clean water, supporting education, improving health, growing local economies, and protecting the environment.

The Foundation manages and funds numerous initiatives, including the notable PolioPlus program, which has played a pivotal role in the near-eradication of polio worldwide. Through the Global Grants program, the Foundation provides substantial support to large-scale international projects that align with Rotary's areas of focus. Additionally, District Grants allow for localised projects that address specific community needs.

The Foundation's unique approach emphasises sustainable solutions, collaboration, and

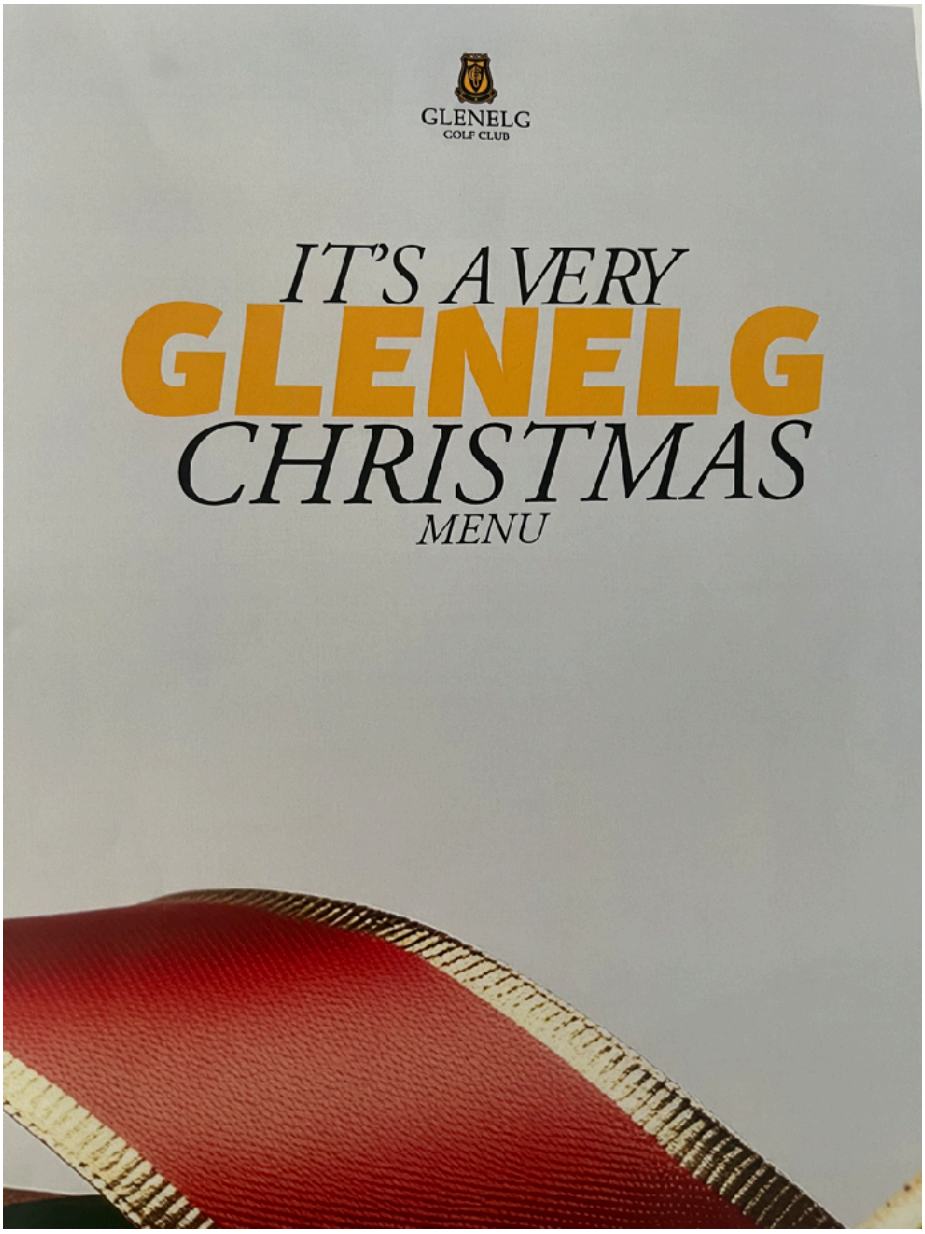

and community involvement, ensuring that projects are not only effective but also long-lasting. Donations to the Foundation are carefully utilised, maintaining a high standard of financial accountability and transparency. This diligent management has earned the Foundation recognition as one of the most trustworthy and impactful charitable organisations globally. Rotarians, along with their worldwide network of partners, leverage the Foundation's resources to address critical issues and create positive change both locally and internationally.

Show:

Voted Australia’s best television ever, “Mother and Son” picks up the story of this crazy family today.

Maggie Beare is in the early stages of dementia and her younger son Arthur reluctantly lives with her. Despite being increasing forgetful, Maggie is lucid enough to strategically manipulate Arthur, usually for something outlandish and inconvenient.

Their family is dysfunctional and Arthur’s budding love life is “on the rocks” before he gets to hand holding.

Written by the series writer, Geoffrey Atherton, it is a poignant tribute to older people. It is also about dependence, love, family, and being driven up the wall by someone you love, but never outsmart.

Directed by Jude Hines

THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO ALL CONCERNED?
