PINK & BLUE - SUNDAY 9 FEBRUARY 2025

The Pink Swim, which began in 2013, has grown from its initial focus on breast cancer support to include supporting both breast and prostate cancer research and care. Run entirely by a passionate group of volunteers, the event has expanded to feature a walk and a run, broadening its impact and making it accessible to all, including four legged friends.

Over the years, funds raised have supported:

- Breast Cancer Network of Australia
- National Breast Cancer Foundation
- Cancer Council of SA
- Prostate Cancer Foundation Australia
- St Andrews Hospital Breast Care Unit

We donate 100% of ticket proceeds equally between our breast and prostate cancer beneficiaries. To date, we have raised over $625,000, which has contributed to:

Research, including the Evolution Program with PCFA's trial involving two South Australian men

The purchase of a Gamma Probe, aiding breast surgeons in identifying sentinel lymph nodes during biopsies

Establishing a Breast Cancer Patient Lounge

Developing a Breast Cancer Treatment Room and Drain Bags, a private facility for patient counselling, dressing changes, wound and drain care, and provision of post-operative garments, prostheses, and surgical aids

For more information, please contact us at pinkandblue@westbeachslsc.com.au.

HISTORY OF THE PINK AND BLUE

Originally named the Pink Swim, the event launched in 2013 following the introduction of compulsory high-vis pink vests for surf lifesavers during training and in the water. After several members were diagnosed with breast cancer that year, we decided to replace the pink vests with pink caps and solicit donations in support. The inaugural event saw 80 swimmers participate, sparking significant interest and leading to the expansion into the event we know today.

Over a decade later our event has grown from strength to strength and attracts participants from all over the state and beyond.

Our guest speaker, Anne Cameron from the West Beach Surf Life Saving Club with Warren Hobbs.
Anne updated KPR on the forthcoming Pink & Blue, Swim, Walk or Run event on the 9th February 2025.

To all future KPR Bunnings BBQ Volunteers

We had recently been advised at a Bunnings BBQ Info evening that Bunnings does not have a Heat or Weather Policy in respect of their BBQ operation
and they advised that it is up to the respective Community Groups and Clubs to prepare and utilise their own Heat Policy.
As a result the following has been compiled with reference to D9510 Insurance Officer and we have requested feedback from our BBQ team, KPR Co-Presidents and our Board Members.

We have also had a recent false alarm caused by an initial weather prediction 5 days prior being 42C, which 2 days prior reduced to a comfortable 30C.
As a result we cancelled our 26th Dec BBQ due to inaccurate 5 day weather forecasting. This was also time consuming and frustrating, likely also for Bunnings.
Eve as our Organiser of Bunnings BBQ is quite content with our update Policy (as below) with it being her suggestion that we use a 2 day prior cancellation policy to ensure more likely accurate weather forecasting.

We have two coming dates in 2025 that have been accepted by KPR and we have confirmed to Bunnings. Those are Sat 25th Jan and Sat 15th Feb.
Please note these in your calendars.

HEAT POLICY OF KIDMAN PARK ROTARY FOR BUNNINGS BBQ ACTIVITIES:
To safeguard the Health and Safety of our Bunnings BBQ Volunteers, the following Heat Policy is recommended:-
Based on the forecast temperature for the allocated BBQ day (from the forecast of BOM for Adelaide Airport 2 days prior), **if the predicted temperature is 38C or more** then it is to be our policy that it would be inappropriate for KPR to operate the BBQ on that day. Our decision would be advised by email or phone to the Bunnings Organiser, Eve, 48 hours prior to the day that we were rostered. This does make our ordering of BBQ consumables difficult but still handlable.

If the predicted temperature is 35C to 37C we may likely consider starting at the usual 8.30am but may finish by 2pm on that day. This enables the cooler period in the morning to be used and a lesser shift time for all. For the hotter time of day from 2pm we will be packed up and off-site. We would advise Eve of this situation 2 days prior.
Our usual finish time is 4.15pm

Our BBQ Volunteers at all times will have their individual choice prior to the day to decide if the conditions will be too severe for their individual participation and to advise our KPR coordinator promptly of that situation.

We believe this will clarify the situation and assist KPR and Bunnings to deal with weather issues in practical terms.

Cheers, Warren Hobbs, Chair Community Committee
