Rotary Kidman Park

Co-President Ron

Rob Hughes was working at our Bookmart last Tuesday when a customer asked questions about the `business. It turned out that the customer was Councillor Nicole Mazeika. Rob explained the plan to upgrade the small western sheds to accommodate the BBQ trailer. Nicole was very interested and suggested that we should apply for funds from her Discretionary Ward Allowance, which can provide up to $5000 for approved projects. We will definitely pursue this. (We have enquired about Council assistance to upgrade the sheds, but the response was that the sheds were built by the Scouts and do not belong to the Council.)

Also, a big thank you to David Simpson and Chris Branson for organising a wonderful day with the visits to St Mathews Anglican Church at Hamilton and Anlaby sheep station (though it is much more than that). An excellent day, thoroughly enjoyed by all.

Ron

Jayco Caravans coming Special Event....and KPR role with it

KPR have been requested to host a BBQ at a coming Jayco Special Event.
In short it is referred to as an EXPO which Jayco plans to run annually hereafter, presuming the success for the coming weekend of 5th and 6th April.
The event in full is titled the "OPEN Road/Outdoor SHOW". It will be open on both the Sat and Sun between 9am and 4pm and it is FREE.
There will be exhibits by other linked Brand Partners such as ARB, Coast to Coast, Xtend Outdoors, RV Life Club.
Jayco are hoping for 1000 visitors for each of the two days.

We have been asked to host the BBQ using our KPR BBQ Trailer which will be set up near the Jayco premises entrance at West Beach Road.
The Expo Co-Coordinator, Jade Walsh provided the following detail at a recent meeting with David Taylor and Warren Hobbs.
The bbq format will be KPR handling our own purchasing of Sausages, Onions, Bread and cans of Softdrink.
Our sales pricing will be applied the same as we charge at Airport Bunnings. .

Our terms of participation have been expanded by us having a separate and adjacent display of Bookmart Books at the display table near the BBQ area.
Jade has commented that his guesstimate is that 80% of Caravanners are passionate readers.

Club News:

Rotary Kidman Park

Hence the reason for our Book Display with complimentary Bookmarks that detail the address and opening hours of Bookmart.
These books will be sold for a gold coin donation into an honesty box at the display table.
Subject to KPR Board approval at our next Board Meeting , all BBQ net profit and Book gold coin donations will be contributed directly to
"Drought Relief for SA Farmers".....this Rotary Project goal is 1000 bales of hay sourced from Victoria to our SA farms in desperate need.
We will have signage up at our BBQ area and Book Display referencing our support with all net proceeds going to the SA Drought Relief Project.
Jayco are also pleased with the relevancy of this Project to their Caravanners customer base.

Many of our KPR members will remember our successful visit to Jayco in April last year. We had a group of 70 attendees tour the Jayco site and were given an update on the history and goals of Jayco, our recent West Beach neighbour.
Jade has extended a warm welcome to our KPR members and family and friends to visit the Jayco site during the Expo anytime on either day between 9am to 4pm. Repeating that attendance is FREE.
There will be ongoing scheduled activities on both days such as Cooking Demos, Safe Towing Info, ARB 4x4 must haves, Influence Life on the Road.
Check out their website link. And come down for a look and learn about the Caravan world.

www.jaycoadelaide.com.au

We have most of the BBQ Round Robin filled....thankyou to all participating. and our Book Display table will be easily self-managed, with occasional support by our adjacent BBQ team.
Our BBQ will be operating during dining periods of 10.15am to 2.45pm on both days which lessens our Roster needs.

From the Roving KK Reporter

Rob Hughes reported that Barry Tennant from the RC of Rockhampton had confirmed that the 6 fresh water wells that KPR are sponsoring have been drilled and are currently being fitted out.

The wells will be more than a welcome addition to the villages in Cambodia. a worthwhile project.

Youth Options Program

Past District Governor Doug Layng, a Board member of the Youth Options Program, was our guest Speaker. He spoke as follows:

The Youth Options program in South Australia is an initiative designed to provide support and opportunities for young people to navigate the challenges they face and to help them achieve their personal, educational, and employment goals. This program reflects the South Australian government's commitment to fostering a supportive environment where young people can thrive and transition smoothly into adulthood.

At its core, the Youth Options program aims to address the diverse needs of young people, particularly those who experience barriers to education and employment. It is designed to be inclusive and accessible, ensuring that all young individuals, regardless of their background or circumstances, have the opportunity to participate.

Youth Options recognise the complexities that many of our service users face which are identified collectively as highly vulnerable and disadvantaged with participation reflecting:

Indigenous 9%
State Care 15%
Disability 52%
Low literacy and numeracy 30%
Learning difficulties 42%
Bullied at school 18%
Social anxiety 34%
Family dysfunction 27%
Domestic violence 10%
Mental health concerns 40%

Without our help, these young people face uncertain futures with unstable lives. By tapping into their interests and passions, we help them discover their strengths and develop valuable skills essential to learn, earn, and live.

One of the key aspects of the program is its focus on education. Recognizing that education is a fundamental building block for future success, Youth Options provides pathways and support for young people to engage with learning. The program offers tailored plans that help individuals re-engage with education, whether it's through traditional school settings, vocational training, or alternative education pathways. By understanding each person's unique circumstances and aspirations, the program aims to provide the most suitable educational support.

In addition to education, the Youth Options program emphasises employment readiness. For many young people, transitioning into the workforce is a significant challenge. To address this, the program provides job readiness training, career counseling, and work experience opportunities. By partnering with local businesses and industries, Youth Options creates avenues for real-world experience, helping young individuals gain the skills and confidence needed to secure employment.

Moreover, the program recognises the importance of life skills in the overall development of young people. Therefore, it offers various workshops and support

services aimed at building personal development skills such as communication, problem-solving, and financial literacy. These life skills are crucial as they empower young people to make informed decisions and become active, contributing members of society.

Youth Options also plays a critical role in providing support through mentorship and counselling services. Mentors work closely with participants to offer guidance, motivation, and encouragement, helping them to set and achieve realistic goals. Additionally, counseling services address the emotional and mental health needs of young people, providing a safe space for them to express their concerns and work through personal challenges.

Ultimately, the success of the Youth Options program in South Australia hinges on its holistic approach. By addressing educational, vocational, and personal development needs, the program ensures that young people are equipped not only to pursue employment but also to lead fulfilling and independent lives.

Through its comprehensive support structure, Youth Options plays a pivotal role in shaping the futures of young South Australians, contributing to their overall wellbeing and integration into society. As it continues to evolve, this program remains a testament to the power of targeted youth support in achieving long-term positive outcomes for individuals and the community at large.

Speaker: Neil McFarlane

Topic: Climate Change Explained

Dr Neil McFarlane is the Director of Special Projects **Climate** in the Department for Environment and Water (DEW) based in Adelaide, South Australia. His knowledge and expertise in **climate** change, renewable energy and disaster risk management culminates into the core work of climate mitigation and adaptation for the Government of South Australia.

Previously he worked for the Green **Climate** Fund in the Republic of Korea as the Deputy Director and Adaptation Coordinator. He spent several years in the United Nations Office for Disaster Reduction in Geneva where he coordinated the international agreement on the *2015-2030 Sendai Framework for Disaster Risk Reduction*. He also spent one year in 2023-24 as the Senior Advisor on **Climate Change** to the Prime Minister of Fiji.

Dr McFarlane is an experienced executive overseeing policy and projects related to **climate**, emissions reduction and disaster risk management at local, national and international level. He holds a PhD in Development Economics from Deakin University.

This is an evening you should not miss!

RESILIENCE FIRST AID™ STARTER TRAINING

Rotary District 9510

Rotary Club of Elizabeth

Discover Connected Resilience with RFAST's transformative **3-hour workshop**, designed to equip you with essential tools and strategies for fostering mental well-being in yourself and others.

WHY ATTEND RESILIENCE FIRST AID STARTER TRAINING (**RFAST**)?

Delve into the evolving world of **mental health prevention** and learn how to create a supportive environment through **psychosocial hazard awareness**.

Join us to unlock your potential in promoting resilience and embark on a journey of personal growth and empowerment for the betterment of your community, workplace, and personal life.

Included in RFAST:

- **RFAST Participant Workbook** – Summary of the workshop content, space for notes, plus your own Active Strength analysis and personal Resilience Action Plan
- **Completion Certificate** – Useful for evidence of ongoing professional development marking 2 hours of attended training

Training Outcomes:

By participating in RFAST's workshop, you will:

- Develop an appreciation for mental health prevention strategies
- Understand the significance of supporting resilience in others
- Enhance your ability to recognise when someone needs resilience support
- Identify your strengths and create a resilience action plan

Curriculum Overview:

The RFAST workshop covers the following topics:

- The evolution of mental health towards prevention, emerging trends in therapies, and new approaches
- The importance of psychosocial hazard awareness and your role in promoting a healthy environment
- The concept of Connected Resilience and strategies for cultivating it
- The six resilience domains, including their highs, lows, and risk factor awareness
- Identifying your unique strengths and creating a tailored resilience action plan

RFAST Summary:

3-hour workshop Purpose:

- Preventative approach to mental health
- Develop a culture of resilience
- Psychosocial hazard awareness training
- Understand resilience & create an action plan

Open to anyone

Formats:

- Live - trainer led

Fees: **$20 Booking Fee**

All Inclusive

RFAST

Trainer(s): **David Moran & Graham Lucas**
