Club News:

Rotary Kidman Park

Co-President Ron

A reminder that any member who is unable to meet their roster commitments, be it for meeting duties, Bookmart or Meals on Wheels should attempt to arrange a swap instead of just announcing that they cannot do it, except in the case of sudden illness or other extenuating circumstances. It should not go back to the persons arranging rosters to have to fill these vacancies.

Ron

Our guest speaker, Dr Neil McFarlane with Rob Hughes above, spoke about Climate Change, particularly related to South Australia. Dr McFarlane showed numerous slides whilst he talked and he held the attention of all Rotarians. Unfortunately I don't have access to the presentation and cant show or in anyway relate the detail of his presentation with his accuracy.

What I can say is the outcome of his presentation to me was disturbing. With the question to be asked: can the predicted future trends of Climate Change be altered, positively? If not, then for future generations the world will be a threatening and scary place.

Club News:

Rotary Kidman Park

Dot points collected in a flurry during the presentation: E&OE applies.

* SA already +1.5°, middle Australia +1.6°

* SA temperature increase higher than the Australian average

* 1.8° to 2.8° if all not done to mitigate temperature increases

* +2° a problem for us all

* +3° very difficult to get back to normal temperatures

* Dr McFarlane believes we have lost +1.5° and are on track for +1.75°/1.8°

* He believes Australia is on track for 2° to 3°, if a lot of work not done, globally

*South Australia can expect:

- Higher temperatures
- More dangerous fire weather
- Drier, with more time in drought
- Warm & more acidic oceans
- Rising sea levels
- More intense heavy rainfall events - flash floods

* SA spring rains down -17%

* Transition to renewables and/or low emission generation of energy critical worldwide

* Doomsday scenario's - left out, too depressing

* Good news - Dr McFarlane believes there was an inflection point last year with the CO_2 tonnes emitted coming down. The problem being is the cumulative effect.

* SA doing a good job in reducing CO_2 tonnes emitted. He did say transport is perhaps our biggest issue to solve/reduce.

* Climate Change is a world problem

Club News:

Rotary Kidman Park

Hi Warren, can you please distribute this information to your team.

The Pink and Blue team are proud to announce **$105,360** as the final total of proceeds raised as a result of our 2025 event. That's well over **$740,00** raised across 13 events!

And, in some very exciting news, our event was recently announced as the **2025 South Australian Community Event of the Year**, with our team attending an event at Government House last Thursday evening to receive the award. We share this recognition with you, our valued partners, along with and all the volunteers and participants that come together to make the Pink and Blue a very special community occasion. Thanks.

Please find all the updated information in the close out report attached.

100% of proceeds raised are evenly distributed between Prostate Cancer Foundation of Australia and St Andrews Hospital Breast Care Unit, supporting funding for the following projects:

St Andrews Hospital Foundation

Pink & Blue Nurse for 2025

The "Pink and Blue Nurse" is a unique role within the breast care unit created by funding from the Pink and Blue event. An additional breast care team member will enable St Andrew's to provide essential education and support in our off-site chemotherapy suite. This role began after our 2023 event and will continue into 2025 supported by funding from this year's event.

Prostate Cancer Foundation of Australia (PCFA) 2024

Funds raised for PCFA from Pink and Blue 2025 will be dedicated to a co funding partnership between PCFA and ANZUP for new prostate cancer clinical.

Our funding will be directed towards projects where recruitment is currently focussed in SA. These trials are the WOMBAT, NINJA OR ANZ adapt trials

Thank you for your support and making these life changing initiatives possible.

Looking ahead…..

Club News:

Rotary Kidman Park

We are yet to confirm a date for next year. When that happens, you will be the first to know. As an important partner of our event, we look forward to your continued support in 2026 and welcome any feedback from this year's event.

Now we all take a small well-earned break! I expect to be back in contact with you at about the mid-point of the year when we get started on Pink and Blue for 2026.

Together we can make a difference

Kind Regards

Anne and Paul…. on behalf of the Pink and Blue Team

Jayco Caravans coming Special Event….and KPR role with it

KPR have been requested to host a BBQ at a coming Jayco Special Event.
In short it is referred to as an EXPO which Jayco plans to run annually hereafter, presuming the success for the coming weekend of 5th and 6th April.
The event in full is titled the "OPEN Road/Outdoor SHOW". It will be open on both the Sat and Sun between 9am and 4pm and it is FREE.
There will be exhibits by other linked Brand Partners such as ARB, Coast to Coast, Xtend Outdoors, RV Life Club.
Jayco are hoping for 1000 visitors for each of the two days.

We have been asked to host the BBQ using our KPR BBQ Trailer which will be set up near the Jayco premises entrance at West Beach Road.
The Expo Co-Coordinator, Jade Walsh provided the following detail at a recent meeting with David Taylor and Warren Hobbs.
The bbq format will be KPR handling our own purchasing of Sausages, Onions, Bread and cans of Softdrink.
Our sales pricing will be applied the same as we charge at Airport Bunnings. .

Our terms of participation have been expanded by us having a separate and adjacent display of Bookmart Books at the display table near the BBQ area.

Club News:

Jade has commented that his guesstimate is that 80% of Caravanners are passionate readers.
Hence the reason for our Book Display with complimentary Bookmarks that detail the address and opening hours of Bookmart.
These books will be sold for a gold coin donation into an honesty box at the display table.
Subject to KPR Board approval at our next Board Meeting , all BBQ net profit and Book gold coin donations will be contributed directly to
"Drought Relief for SA Farmers".....this Rotary Project goal is 1000 bales of hay sourced from Victoria to our SA farms in desperate need.
We will have signage up at our BBQ area and Book Display referencing our support with all net proceeds going to the SA Drought Relief Project.
Jayco are also pleased with the relevancy of this Project to their Caravanners customer base.

Many of our KPR members will remember our successful visit to Jayco in April last year. We had a group of 70 attendees tour the Jayco site and were given an update on the history and goals of Jayco, our recent West Beach neighbour.
Jade has extended a warm welcome to our KPR members and family and friends to visit the Jayco site during the Expo anytime on either day between 9am to 4pm.
Repeating that attendance is FREE.
There will be ongoing scheduled activities on both days such as Cooking Demos, Safe Towing Info, ARB 4x4 must haves, Influence Life on the Road.
Check out their website link. And come down for a look and learn about the Caravan world.

www.jaycoadelaide.com.au

We have most of the BBQ Round Robin filled....thankyou to all participating. and our Book Display table will be easily self-managed, with occasional support by our adjacent BBQ team.
Our BBQ will be operating during dining periods of 10.15am to 2.45pm on both days which lessens our Roster needs.

RESILIENCE FIRST AID™ STARTER TRAINING

Rotary District 9510

Rotary Club of Elizabeth

Discover Connected Resilience with RFAST's transformative **3-hour workshop**, designed to equip you with essential tools and strategies for fostering mental well-being in yourself and others.

WHY ATTEND RESILIENCE FIRST AID STARTER TRAINING (**RFAST**)?

Delve into the evolving world of **mental health prevention** and learn how to create a supportive environment through **psychosocial hazard awareness**.

Join us to unlock your potential in promoting resilience and embark on a journey of personal growth and empowerment for the betterment of your community, workplace, and personal life.

Included in RFAST:

- **RFAST Participant Workbook** – Summary of the workshop content, space for notes, plus your own Active Strength analysis and personal Resilience Action Plan
- **Completion Certificate** – Useful for evidence of ongoing professional development marking 2 hours of attended training

Training Outcomes:

By participating in RFAST's workshop, you will:

- Develop an appreciation for mental health prevention strategies
- Understand the significance of supporting resilience in others
- Enhance your ability to recognise when someone needs resilience support
- Identify your strengths and create a resilience action plan

Curriculum Overview:

The RFAST workshop covers the following topics:

- The evolution of mental health towards prevention, emerging trends in therapies, and new approaches
- The importance of psychosocial hazard awareness and your role in promoting a healthy environment
- The concept of Connected Resilience and strategies for cultivating it
- The six resilience domains, including their highs, lows, and risk factor awareness
- Identifying your unique strengths and creating a tailored resilience action plan

RFAST Summary:

3-hour workshop Purpose:

- Preventative approach to mental health
- Develop a culture of resilience
- Psychosocial hazard awareness training
- Understand resilience & create an action plan

Open to anyone

Formats:

- Live - trainer led

Fees: **$20 Booking Fee**

All Inclusive

RFAST

Trainer(s): **David Moran & Graham Lucas**
