From the Co-President

Good turnout of approx 50 for the wine tasting on Tuesday, including some from Westward Ho, several friends and partners. It was interesting to hear the Amadio story, and there was an excellent range of wines to taste, capped off by the privilege to taste "the world's best cabernet".
Special Thank you to Warren Hobbs for arranging the event and Amadio sponsorship

Ron

Amadio Wines Partners ….Wine tasting Event held Tuesday 15th April

This event was in lieu of a weekly Tuesday Meeting that had been in the planning since December.
It was at the suggestion of the Westward Ho (WWHo) Social Director John Sigal and Gen Manager Colin Anderson.
Out of this planning path has evolved Sponsorship discussions for KPR, which has resulted in Amadio Wines as Gifts for our Guest Speakers for
a full 12 month period. Over 12 months this will save KPR over $800 this year and likely per annum, if the sponsorship continues after 12 months.

So Tuesday night was an excellent opportunity to hear more about the Amadio Winery and their wines and to do a taste test.
Danniel Amadio, owner and operator of Amadio Wines, was proud and passionate about the business that he has built up and the Wine quality that has enabled that..
Danniel's team on the evening was Michael Calderisi and Sebastien Amadio.

Danniel took us through the White Wines of Pecorino(which was a real surprise packet), together with the Pinot Grigio and the Chardonnay.
Reliable table captains were appointed for each table to share tasting portions of their table mates. Some liberties taken by the Captains were noted and either further training or demotions
were possible actions. Leopards do not change their spots....extra training was not going to work.

After Dinner, the Reds came out .....Merlot then Cab Sauv and then the Shiraz. All quality wines at affordable prices.
Danniel referred to his International win at the Vienna Wine Show.....1300 wines judged in the show by 200 Wine Judges.
The result was "Sebastien's Cabernet 2021 Worlds Best". What a fantastic award for Amadio Wines to win ..... a Winery with Vineyards in Kersbrook SA.
That Cabernet is on the Price List at $130 per bottle and the sip that I savoured was something very special.

The evening finished with Q&A by Danniel....he does a few other activities other than run a successful Wine Business.
He is currently in discussion with old family friends who have ties with Collingwood in AFL.

It is excellent for KPR that we have events such as this and numerous other previous signature occasions that are attractive to prospective visitors.
It is significant that WWHo guests Michael and Marlene Mason from WWHo have now come along to KPR on 3 occasions and are now keen to keep in touch
per our KK Newsletter. This is certainly deepening the relationship with our West Beach Community Partner WWHo. Similarly with Dr Meil McFarlane and Alexanda on a return visit.

Some numbers from our KPR Special Winetasting occasion.....

Also a fantastic response by our Partners in KPR with 7 Partners attending.

The generosity of Danniel Amadio was evident with each of us able to take home Wine Bottles half finished.
Plus the Raffle Prizes of a quality Amadio Wine for each winner being Shirley Roberts and Margaret Sargent.

The evening wrapped up around 8.45pm with us all having learned plenty about one of our Club Sponsors Amadio Wines....their key people and their wonderful product.
The Order Forms were collected by Michael and Sebastien and feedback from them was that the number of forms and the order lots were positive.
The ordered wines will be delivered to WWHo by next Tues night and will be disseminated at our next meeting.

Our thanks go to Danniel Amadio and his team for their generosity with their time and sharing of their wonderful wines for this special KPR occasion.

Tom Bunnik visited Club Founder **Norm Lewis** several days ago to check on his wellbeing and keep him informed about Kidman Park Rotary.

Quoting Norm

"Hi fellow Rotarians.
Just a quick Hello from Norm to tell you:
"I am still around and doing reasonably well. Having a bit of an ordinary day, that can't be helped but the sun is shining.
Told Tom that, on days like this, I lay down, close my eyes and sleep it off!
Tom asked me what I would think of the plans to change the name of our club.
I would be happy to support the idea as long as it is to benefit the club. You can always change it back if it does not work!

Asked Tom to greet you all and wish you well"

KPR support for ROCAN Riding Club

Kidman Parkers

We had been asked a few months ago whether KPR would be happy to assist to facilitate the last stop of the ROCAN (Williamstown Rotary Club and Riders from other Melb Rotary Clubs) on their
trip of cycling from Geelong to Adelaide. They have for the last 15 years cycled to the location of the annual D9800 Rotary Conference. That is at Morphettville this year but unfortunately Conference organisers changed the date after the Cycling group of 32 cyclists plus 3 support vehicles had already made their bookings
The Ride has historically raised funds for the ROCAN Charity which donates the funds to support Ovarian Cancer Research.

This was an ideal opportunity to involve our West Beach neighbours Glenelg Lacrosse Club to request that the Riders be able use their Clubrooms, which would enable seating and shelter and mens and womens showers. There also happened to be some entertainment on the adjacent field of two quality teams playing 10 a side ULTIMATE DISK. Another description of that is 10 a side Frisbee. Working together as West Beach neighbouring Clubs made the process far simpler and cost efficient, which benefited the ROCAN riders.

The KPR Board had approved KPR supplying a Subway Lunch (thanks Barbara Wheatcroft for organising) and soft drinks and Fruit Platters.
Ron Harris, Barbara and I attended on the morning last Sat 12th April. It is a huge physical effort for them to complete this 800km ride and it was a tired but upbeat group
that we welcomed to Barratt Reserve. As an example they had ridden from Stirling that morning before arriving at Glenelg Lacrosse Club at varying times, One errant rider took a wrong turn and had to be rescued by a Support Vehicle so they were quite late arrivals.
Our lunch and soft drinks total cost was $300, which left a $300 donation from KPR to their Ovarian Cancer cause. **They raised around $70K for ROCAN which was highly successful.**
There were some brief speeches by the Ride Coordinator then Peter Noble (President of Glenelg Lacrosse) and our Ron Harris(as President of KPR). The Photo shows President Ron addressing the group.
(a coincidence arose that Peter Noble and Ron Harris were in the same class at Glenelg Primary School a few years ago. Another of their memorable class mates was Wayne Comley.!!!)

Our visitors were extremely appreciative and thankful to Glenelg Lacrosse Club and KPR for our respective support in what was a highly successful stop off for the Riders.
Most Riders then went to the Airport early Sat arvo, and others drove home with the 32 bikes on the 3 support vehicles.
