Co-President - Ron Harris.

Thank you from ROCAN25 Ride

Hi Ron,

After a well earned rest I am catching up on a few tasks.

On behalf of the RoCan25 riders, support team and the Organizing Committee, I would like to express our deepest appreciation of the Kidman Park Rotary Club. Having KPRC provide us with lunch at the GLC rooms was a wonderfully relaxed way to end the ride and indeed was the "icing on the cake." It was wonderful to see 2 local clubs working so closely together.

It was most appropriate having Ted Hobbs liaise between both Clubs given his history in both.

It looks like next year's ride maybe to Horsham to coincide with the multi–District Conference that will include both our Districts. We may catch up again.

Thank you once again for your hospitality and generosity.

Gus Garnsworthy

Editors Note: Gus Garnsworthy - was a champion Australian Lacrosse player, known for his grit, toughness, excellent stick handling & checking skills and was an immense asset to a powerfull era in Williamstown, Victorian & Australian Lacrosse.
Gus & our Warren Hobbs both played for Australia in 1974 World Lacrosse Series

Indigenous Scholar Update

Hi all

You will be pleased to know **Hannah Hughes** who is the Indigenous Student we are sponsoring, has passed two more subjects. She had some concerns about one of the exams but they turned out to be unfounded. She has two more exams in 6 weeks time.

We continue to be impressed with her.

Cheers

Quiz Night held 29th April.

Quizmaster Steve Redden compiled a list of 50 plus questions that proved to be a challenge for the brightest Rotarians who attended.

The winning team, comprising only 4 players, Barbara Wheatcroft, Dale Kentish, Ron Harris & Rob Hughes managed 34 correct answers and collected a box of chocolates for their efforts.

Two tables tied with a score of 29, with second place decided by the proverbial Rock Paper Scissors, with Tom Bunnik's all male table prevailing over Rose Wellington's almost exclusively female team.

Wayne Comley's table came fourth, or last if you wanted to be mean, despite the contributions of Anne & Chris Branson, Rob Chambers and John Christo.

Steve then boosted the prize level for a couple of WHO AM I 's

Rotary South Pacific

28 April 2025

Dear Rotary members,

I would like to confirm some major changes at the Regional Council that have occurred over this last week.

Last Thursday (24 April 2025), Dallas Booth and Tony Heyward resigned as directors of the Regional Council.

Following their resignations, a meeting of the remaining directors of the Regional Council was called on Saturday morning, 26 April 2025.

The following information is advice from the outcome of that Regional Council Board meeting, as issued by the meeting's Chair PDG Euan Miller to the District Governors in Zone 8 (the Officers of Rotary International in our Zone):

"The Regional Council of Rotary South Pacific met this morning with RIDE Jennifer Scott AM, Deputy General Secretary Michele Berg and General Counsel Steven Routburg RI, to consider the recent resignations of Chair Dallas Booth AM and Chair-Elect Tony Heyward.

The RI Board at its April meeting had expressed concerns that the pilot appeared to be behind in achieving the transformations expected within the budgeted timetable. As a result, it did not approve the full budget requested for 2025/26.

The Regional Council, with the support of RI, appointed PDG Neville Parsons as a Director and then elected him as interim Chair of the Council.

As you are aware Neville is Chair of the Steering Group and well known to the RI Board.

The Council decided to hold over the filling of the Chair Elect position.

The Council will now mount an urgent reset of the pilot and looks forward to doing this in consultation with the Districts."

We recognise and say thank you to both Dallas Booth and Tony Heyward for the vast amount of time and effort that both applied to the Pilot. They worked tirelessly to build the Regional Council and to start implementing the pilot structure and got the pilot to where it is today.

Dallas and Tony achieved a great deal of positive work during their time, with two of the latest achievements being getting the Rotary South Pacific website and social media channels up and running to work toward the pilot's objective of reaching new audiences and generating new member leads.

As the Interim Chair, my first task together with the other Regional Council directors will be to reset the Pilot on the path to success.

I am appreciative of this opportunity as we, at the Regional Council seek to build connection, engagement and advocacy for our Pilot with the G-trains, Districts, Clubs and importantly members.

As the many other volunteers, I have invested many hours into this Pilot - in the development and positioning of the opportunity we in Zone 8 have to repurpose and reshape Rotary in our Zone.

Together, we will focus on reprioritising the initiatives to ensure the laying of the right foundations for the future growth and success of Rotary in this region.

I, and the other members of the Regional Council will collaborate with you, the Rotary members to ensure that we reset where required and most importantly, deliver on our agreed KPIs for success.

Your Regional Council is now planning to hold a Special Board meeting to identify the key actions to implement as we look to reset. We will review the summary feedback from the recent survey completed by the current District Governors, District Governors-elect and District Governors-nominee and reference that in our urgent actions to regain their support as well as reviewing the Regional Council Budget for 2025-2026 through the "reset lens".

I confirm that following my appointment as a Regional Council Director and Chair on Saturday, I submitted my resignation as Steering Group Chair to the Steering Group Deputy Chair, Ingrid Waugh and have committed to close collaboration with the Steering Group to achieve the reset and refocus required for the benefit of the Pilot.

The overarching communication strategy will be reviewed at our next Regional Council Board meeting, and we will look to provide regular updates of actions taken at our Regional Council Board meetings as well as within the Portfolio Committees.

We now need to "Unite for Good".
