Our next Guest Speaker:

Tuesday 20th May: Matt Nelson

Matt is the Senior Scientific Officer (Marine) at the Environmental Protection Agency.

Topic: Harmful Algal Bloom on our local beaches

We continually read of Harmful Algal Bloom (HAB) having an impact that we have never seen before to the current scale.

What factors may have contributed to the recent toxic algal bloom in the southern Gulf St Vincent and the marine deaths?

How is climate change affecting SA's marine biology and what can we do about it?

Matt brings broad experience from previous roles at EPA and has a B.Sc in Marine Biology in Invasive Marine Algae at Flinders University. Matt is involved in joint research by S.A. Water and EPA in efforts to improve water quality, reduce land based pollution and restore seagrass meadows.

Matt will lead us through a topic that is relevant and critical for us all in the Western Coastal areas and for all South Australians.

Please Note: ***It is important for our Venue's catering purposes*** *that if you or your Partner or a guest are attending then you must advise Warren Hobbs of your planned attendance.....or if you are not able to attend after advising attending. Please email warren.hobbs53@gmail.com*
If you have filled in the Round Robin last Tuesday night for you and/or your Partner then you are already on our list of attendees.
If not, then please email Warren to advise that you are coming along.
We will all learn a lot about a topic that is and will affect us all ongoing!!

Tuesday 3rd June: Stephanie Malan

Topic: The Village Company.

More details to be provided next week.

Tuesday10th June: Alice McCleary

Topic: GARDEN RESCUE

Unley Gardeners Plant Rescue established in February 2003 is a dedicated group of women with the aim of collecting unwanted plants and pot plants that are no longer required, from people who are changing or downsizing their gardens, moving house, or moving into residential care.

The group is always looking for rare and different plants which discerning gardeners would find interesting. Plants are sold in tri-annual sales (Autumn, Spring & Early Summer) and all proceeds are donated to various smaller charities that do not receive other funding.

As we approach the end of current Rotary year and prepare for the next

It's time to consider:-

- Your Membership and commitment to Kidman Park Rotary Club #
- What Committee would I like to contribute to in 2025-2026 ##

Rotary International invoices Clubs based on the Club's members list as at 30 June each year.
The amount invoiced by R.I. is significantly more than KPR member's Annual Subscription because the KPR Board decided to subsidise the Member's fee and has done this for several years.
What is the relevance now?
If member is wavering about continuing their membership / commitment to KPR it is probably better for the Club's finances to **remove the member's name** from the list sent to R.I. **before 30th June.** The Member can always be added back to the list.

A Committee Preference sheet will be distributed over the next few weeks, for Members to nominate their First and Second preference.

The KPR Board will endeavour to place members on the Committee they nominate as their First preference as members are more likely to contribute to a Committee they have most interest in.

The Committees will most likely be: -

- Administration
- Bookmart
- Community
- Fellowship
- International
- Membership
- Vocational / Youth

Wayne Comley
Secretary / Administration Committee chair

It's also time to consider:-

- **Nominations for a Paul Harris Fellow Award**(P.H.F.)
  Members can nominate another Club member OR someone outside of the Club.

  A Paul Harris Fellow recognition is an award for exemplary work in community service or helping those in need.

  Nominations should be forwarded to Wayne Comley, Club Secretary and preferably by 31st May, to allow time for the nomination to be considered and for presentation at the Changeover.

- **Nominations for a Volunteer Recognition Award.**
  The award is hosted by Mark Butler MP.
  Nominations close COB Friday 30 May 2025.
  Nomination forms can be downloaded from Mark Butler's website.
  https://www.markbutler.net..au/community/local-legends

  The awards will be presented on Friday 27th June 2025.

- **Application for a District Grant for 2025-2026**
  Important Dates:
  Applications **open Tuesday 17th June**
  Applications **close Saturday30thAugust.**

Note:

District Grant Application and memoranda of Understanding (MOU) forms are available on District website.
Completed Grant Applications and signed District MOU to be emailed to District Grants Chair Julie Irwin at

Coopers Brewery Visit: 15th May

A small group of Club Members along with a couple of partners and a couple of friends enjoyed a tour of the Brewery, and got to taste five different Cooper's beers.

Some interesting takeaways: -

- The site is massive but it is very automated and most of the employees are in the Sales Department. Coopers has about 5% of the Australian beer market but approx 25%-30% of the South Australian Market.
- The brewery generates its own electricity with a natural gas powered plant located on site. The plant also generates steam which is used in the brewing process.
- Coopers produce beers for international companies including Molson Coors brands, Sapporo and Carlsberg.
- Coopers replicates the water profile of other countries to match the traditional brewing styles of certain beers, using water chemistry. e.g. the sulphate heavy water of Burton-on-Trent for English Pale Ales or the soft water of Pilsen for Pilsners.
- Some beers are only produced in cans as cans provide light protection compared to glass bottles, which is important for certain beer styles.

Tasting Room - 5 beers to try

Meals at Westward Ho Golf Club;

Some Members may not be aware that the we have an understanding with Westward Ho Golf Club that they prepare meals on the basis that we will have at least 30 attendees at our meetings.

We are charged for a minimum 30 meals, regardless of the number of persons who actually attend the meeting / order a meal.

This means that on the occasions we have less than 30 ordering a meal, we are out of pocket. It also means we have paid for meals that were not delivered.

Chris Branson has discussed this with Westward Ho Golf Club and they have agreed they will put the excess meals in plastic containers for us to use as we wish.
e.g. sell to members, donate to needy.
