Guest Speaker John Sullivan with Rotarian Steve Redden

Our Guest Speaker, John Sullivan spoke of St Vincent's de Paul Society in South Australia. An excellent presentation by John and enjoyed by all.

The St Vincent de Paul Society was founded in Paris in 1833 by university student Frédéric Ozanam and other lay Catholics who wanted to put their faith into action to help the poor and disadvantaged. The Society is named in honour of Saint Vincent de Paul, a 17th-century priest known for his tireless charity work with the poor. The organisation grew from a small group into a global network, spreading to Australia in 1854 and now active in 150 countries, providing assistance and advocating for people experiencing disadvantage.

Volunteers Changing Lives Across South Australia

Every day, thousands of South Australians experience the kindness, dedication, and hard work of a volunteer-driven organisation that's making a real difference. With more than **2,000 volunteers** and **84 full-time staff**, this team supports **over 135,000 people each year**—providing not just practical help, but hope, dignity, and a sense of community.

A Strong Volunteer Network

At the heart of this work are **1,200 shop volunteers** and **75 admin volunteers**, alongside hundreds of others who dedicate their time face-to-face in local

communities. Together, they offer everything from meal services and refugee support to crisis accommodation and youth programs.

These volunteers are organized into **60 local "conferences"**—small, dedicated groups that help people in their own communities. Whether it's delivering food, offering clothing, or providing emergency relief at the **Woodville Food Bank Hub**, these groups focus on offering a **"hand up" rather than a handout**, building long-term resilience and independence.

Shops That Make a Difference

The organisation's **34–35 retail shops** are more than just places to shop for quality second-hand goods. With **600,000 shoppers a year**, these stores generate **over 60% of the organisation's $4.5 million annual revenue**, allowing vital programs to run with minimal government funding.

For those in need, the shops also offer free essentials, proving that community generosity is at the heart of everything they do.

Fred's Van: A Community Within a Community

For over 30 years, **Fred's Van** has been serving warm meals and warm smiles to people experiencing homelessness and hardship. Operating at **10 sites across South Australia**, including **8 indoor venues**, it's a place where people feel safe, welcome, and connected. Many guests describe Fred's Van as a lifeline—not just for food, but for friendship and hope.

Safe Spaces for Men and Women

The organisation also runs crisis accommodation services that provide safety and care. The **Men's Crisis Centre**, established in 1961, offers **48 single rooms**, meals, showers, and tailored support to help residents regain their footing.

The **Women's Crisis Centre** provides short-term shelter for women—often escaping domestic violence—and their pets, ensuring families stay together in their time of need. Both centres prioritise dignity, safety, and pathways to a brighter future.

Inspiring the Next Generation

Young people are stepping up, too. Schools such as **Sir Michaels, Star of the Sea, and Nazareth** partner with the organisation to encourage students to get involved

through food drives, fundraisers, and sleep outs. The annual **CEO Sleep out**, which sees around **100 CEOs swap their beds for cardboard for a night**, raises about **$800,000**—and more young leaders are joining in every year.

Volunteers: The Beating Heart

All told, volunteers contribute an incredible **430,000 hours of service annually**, from working in shops to making home visits, serving meals, and running special projects. Major campaigns at **Christmas and winter**, plus initiatives like **solar appeals**, ensure support keeps flowing to those who need it most.

Stories of Hope

Behind the statistics are countless stories of transformation. Take Duncan, who once relied on the Men's Crisis Centre and now lives a more stable, independent life thanks to volunteer support. Stories like his remind us that every meal served, every shop sale, and every volunteer hour has the power to change lives.

This is a community effort—powered by compassion, generosity, and the belief that everyone deserves a chance to thrive. Whether you're a volunteer, shopper, donor, or supporter, you're helping to create a South Australia where hope is always within reach.

Bunnings BBQ Results Saturday 30th August

Hi Friends of Rotary and others interested in our Program

A quick update of some new Friends of Rotary who are key local Community Organisations that are now our most recent Friends of Rotary
We reported last week that the Adelaide Airport Ltd (AAL) team(Adam, Jodie and Kate) who were Guest Speakers at our Launch are now FoR.
Since then we delighted that the following are also now Friends of Rotary

City of Charles Sturt
West Beach Surf Life Saving Club
Robarra Broodstock Sanctuary & Hatchery (at West Beach)

So our numbers of Friends of Rotary of individuals and Community Organisations are now 23, which is a great outcome.
With most of the Community Organisations, multiple numbers of key management are involved or attending.

We also thought you would be interested in the upcoming profile Speakers in place for each of the next 6 months.
All the following dates are the third Tuesday of each month (other than January when there is no FoR Meeting)

Tues 16th Sep
Panel of West Beach seaside Community Partners to discuss the impact of Algal Bloom on them. The issue, the impact, the action. **Critical for us all in SA**

KPR Engagement Committee

Club News:

Rotary Kidman Park

Hi Kidman Parkers

At our meeting last night I circulated a Round Robin about our coming KPR Meeting and Friends of Rotary combined meeting to be held on Tues 16th Sep.
I am sending this below template of the info about the Event, so you can decide whether you will be attending and the arrangements for that.
I am aware that most of you have replied on the form last night whether you are attending or not, which I am aware of but below gives full detail of the event.

I did refer to the difficulty that we have on these larger attendance occasions to give accurate numbers for meals to our Westward Ho Venue.
Hence we have suggested that if our members can also use EFT for payment of the $27 for the meal on these occasions once per month on the third Tues,
which is the same for our Friends group.
This payment and the method of EFT is the **same as for the majority of our Fellowship Events and our Subscriptions.**

So can I please ask that you pay by EFT (to our KPR Bank Detail below) if that is possible for you, as it does help greatly in knowing numbers of meals with certainty, and it also streamlines the amount of time required when we have high attendance events. **If this is not possible for you, then when we circulate the Round Robin next Tuesday then just write "will pay on arrival". by your name.**

The below template email outlines the full detail about the night....and the EFT arrangement.

Looking forward to seeing you there.
Also please bear in mind that the Algal Bloom issue may also interest our Partners, hence please canvas that possibility.
We have to provide final numbers to the Venue by the Thurs prior to the 16th Sep

Cheers and thanks
Warren Hobbs
==========

Hi Friends of Rotary(FoR)

A reminder about our key Leaders of our West Beach sea side Community Partners are participating in a Panel discussion on Algal Bloom....the Issue, the Impact and the Action.
Each will respond to set questions about their Algal Bloom experience to date.

Club News:

This is a critical issue for all South Australians ....and even more for those of us living nearby and who are regular users of our wonderful beaches.

Algal Bloom.....if we do nothing and stay away, then it will impact on many organizations and businesses that rely on our beaches.
We have just come out of winter into spring, so for most South Australians, they are not yet using the beaches.
We are now seeing Events that were planned for beaches in SA, being cancelled or relocated interstate. That affects business income or fundraising and activities of our Clubs and organisations.

Are there ways that we, the concerned general public, can help? The Sunday Mail in the "Algal Bloom Special Report" told us "What South Australians need to know". "We'll bounce back but Support is vital". To stay away and do nothing is clearly not a helpful path.

We will have an open Q&A with our Panel after hearing of their Organisations/Clubs specific experiences.
Our Panel event is not about blame. Rest assured, that we will leave at the end of the evening, knowing more about the problem, and what others are doing about it
and also what we can individually do, or as a group or club what we can do about it.

Please come along and find out more.
Our Event is being held at Westward Ho Golf Club starting at 6pm and will finish by 8.15pm....the date again is Tues 16th Sept
The meal will be Alternate Drop and at our usual cost for our Club is $27pp.
Alternatively, if you prefer to just attend with no meal there is Meeting Fee of $12
Can you please EFT to Kidman Park Rotary, BSB 633-000 Acc No 152107249
Ref: FoR & Your Name
For catering numbers purposes, it will help to have the EFT handled promptly and at latest by the previous Thurs COB.
Sadly, Drinks are at own cost this time. ..
The initial period from 6pm to 6.15, we will be having a stand-up drinks meet and greet period at the high tables by the bar.
Turn left as you come in the entrance. At 6.15pm, we will be seated for some Club and FoR announcements.
Then there will be a 10min cameo "On the Couch" presentation by Commodore John Burrow about SA Sea Rescue Squadron, a local Community Organisation..
It is our plan to have a similar short presentation each month by one of our Community Organisations, so progressively we will all know more about each of our

Club News:

FoR Community Organisations. Then our meal at 6.35pm and our Panel after that.

We look forward to welcoming you again. We will have Table numbers allocated to all, and hosting of our FoR will be in place again..
