From the President's Desk

I attended the Group 4 President's meeting on Friday 19th September. There were 7 of the clubs present. It was interesting to hear what each of the clubs are busy doing - and they are all very busy. This is one of the reasons it is difficult to find something all of the clubs can do together. I was disappointed to hear that the President's are not sharing their weekly/fortnightly/monthly newsletters. Our upcoming Walkathon would be an excellent way to get them all I'm involved and it's already up & running.
I also updated members about the Walkathon.

Barbara

My opening remarks this week were that I had heard an interview during the week with the new President of the United Nations General Assembly Annalena Baerbock on ABCs 7:30 Report. It was a fascinating interview. One of the things I found interesting was that she has identified a new catch cry phrase for the United Nations General Assembly, this year is the 80th General Assembly – The catch cry is …. "Better Together"…… reflecting the urgent need to address global crises
through collaboration, action and hope, she's actively calling on all nations to address issues like war, climate change and inequality and to work towards peace and hope through working together. Interesting that this concept is very similar to our own Rotary International theme of "Unite for Good" that is inviting us to operate in a similar fashion. This theme aims to inspire Rotarians to unite people of diverse backgrounds to serve their communities and address global challenges, emphasising Rotary's role as a beacon of unity and hope in a divided world.

Rob

Guest Speaker, Leo Redden with Rotarian, and his brother, Steve Redden

Club News:

Landscape SA Northern and Yorke

Leo Redden with 40 years' experience working in regional South Australia, has developed a strong network within agribusiness and primary production. He has a genuine interest in sustainable agriculture, remnant vegetation protection and biodiversity protection through the control of feral species.

Leo, a board member of the Landscape SA - Northern and Yorke, discussed the board's activities and challenges. The board, with a $10 million annual budget, focuses on environmental projects like the Mana Bangarra re-wilding project, which reintroduced the brush-tailed bettong and aims to re-wild other species. They also manage urban canopy cover projects, feral animal control, and sustainable farming initiatives. Leo highlighted the board's engagement with First Nations groups and the complexities of balancing environmental and economic needs. He expressed concerns about the impact of renewable energy projects on regional environments and the decline of regional services and communities.

The Vision and Mission of the Board

Our vision is a resilient and productive landscape that sustains a thriving community, environment and economy. Our mission is to inspire, educate and work with our community to sustainably manage the Northern and Yorke landscape region. From the hills and plains to the sea, we are committed to the protection and productivity of our natural resources to ensure resilient ecosystems, vibrant communities and a healthy economy into the future.

From Co-President Rob

Below is an extract from a News Bulletin that I received from the CYCSA about the latest algal bloom advice today. I think it reads very well and refers people to further advice from SA Health.

Algae Bloom Update

Australia South n Government Department of SA Health advise the algae does not produce toxins dangerous to people but can cause short-term irritation in some people depending on local conditions. Check the water quality before your activity and stay away from foamy or discoloured water.

Symptoms caused by algal particles include:

- Skin irritation (swimming)
- Eye irritation (swimming or sea spray)
- Cough and shortness of breath (aerosols carried on the wind or sea-spray). Symptoms resolve within a few hours after moving away from impacted waters and that there are no long-term impacts.

New Advice for people with asthma

Some algal species can release biotoxins into the air through wave action that may trigger symptoms in people with asthma.

People with asthma are advised to:

- Carry their reliever medication with them while on beaches, especially when there is thick, visible foam or discoloured water
- Take their preventive medication as prescribed
- Check their asthma management plan is up-to-date.

If symptoms persist, see your doctor. Please refer reference link to **SA Heath**.

The SA Government continues to monitor and test water quality at multiple sites, provide public health advice, and display signage where necessary.

Norm Lewis

David Simpson and Tom Bunnik visited Norm last Friday. As usual, he was pleased to receive a visit from our Rotarians. For an 108 year old, he is doing as best as possible, truly remarkable.

Charitable Trust Update

Grant Price advised members of the new Charitable Trust Board structure.

Chair	Grant Price
Secretary	Wayne Comley
Treasurer	Rob Chambers
Auditor	Ron Harris

Other Board members are Kevin Tiggemann and Rob Stocker

Grant reported that the Charitable Board has approved request for funds, as follows:

$4,320 for Operation Flinders
$1,500 for The Village Co.

Vocational Committee

Steve Redden told the meeting that we received a $700 credit from Shelter Bags. After contacting the Adelaide North West Homelessness Alliance, it was decided that we spend this money on $2 SIM Cards and $15 Adelaide Metro Cards. It may seem simple small amounts, but the homeless value these cards for transport and for to be able to make contact. This brings this Shelterbag Project to a close.

Snippets from our Board Meeting held Thurs 25th Sept

The decision was made by the Board that we will arrange for two "stand up Bar Tables" to be positioned adjacent to the bar for all future weekly meetings.
This will enable a "catch up opportunity" from 6pm to 6.20 for pre-Dinner drinks and a chat with others who may not be at your table later.
This has worked well for our Friends of Rotary Events, so hence now adopting that path for our weekly meetings.

In preparation for our coming Walkathon Event (on Sunday 19th Oct for Aust Rotary Health for Mental Health for Children), we are delighted to welcome Nick and Kerry Yacoumis,
owners of The Tasty Bakehouse at 695 Burbridge Road, West Beach as support Sponsors for the event.
You will notice their Logo now appears on our Community Partners page in our weekly Bulletin
Please check out the Walkathon Flyer in this Bulletin and sign up as a Team Leader, and round up a few Sponsors or other Walkers.
And make sure you sample some delicious Bakery items eg Vanilla Slices, Cinnamon Scrolls and Apple Slices on the day.
It may be best to sample those after the walk, not before

As Paul Kelly sings, *From Little Things Big Things Grow…..*

Soooo….. a nil investment, in dollar terms, other than a phone call by you, can make a small difference to the charity of your choice. The saying "the mightiest of rivers starts from a single drop of water" is a metaphor emphasising that even the largest and most powerful things begin with small, seemingly insignificant beginnings. It highlights the importance of recognising the value of small contributions and the potential for growth.

What am I talking about? When the **The Village Co** guest speaker mentioned a small way everyone could contribute to The Village Co, a charity that gives support to mothers and new born babies, it probably got lost in the emotion of the night.
What she was talking about was **"Direct Collect"** :

Direct Collect is a bin collection service providing homes and businesses with a dedicated bin for 10¢ refundable bottles, cans and containers.

You have the choice to either deposit your refund or ***donate it to a participating charity or club.***

There are numerous charities and clubs that you can support if you wish.

My, Direct Collect bin, is certainly the cleanest bin I possess. Delivered to my house, will be picked up from a phone call of my making, and the money will go to, yes, you guessed it, The Village Co.

No hard work in any of this.

Just key in **Direct Collect** on the net and all the info is before you.

NEWSLETTER No. 38, JUNE 2025

HOW GOOD IS THIS?

This is initiative: Faith Mons, a Year 12 student at Scotch College (Adelaide), approached Books for Lesotho Inc. proposing to hold a book drive at the school. Naturally, B4L accepted the offer with alacrity! Faith's effort led to a huge supply of books being delivered to The Barn (Faith is seen below with fellow student Amy Wallace) which are all destined for schools in Lesotho. Thank you to Faith, Amy the students, teachers and parents at Scotch College.

AND THIS, in my Inbox?

"Good afternoon David
I have wonderful news on behalf of our Library team and community at Saint Ignatius' College Junior School, Norwood!
We have held a book drive and….Adriana Macdonald, Teacher Librarian"

The result? Another great supply of suitable books ready to go to schools in Lesotho.
Thank you, Adriana, for this initiative, and thank you to the school community for your generous support.

RAISING FUNDS FOR BOOKS FOR LESOTHO

One of our members (and a volunteer B4L board director), Peter Murchland, not only turned 70 recently (Happy Birthday, Peter) but asked for donations in lieu of presents to support his 3 favourite charities. Fortunately, B4L is one of these, and its share of the donations was received recently. Thank you, Peter, for the idea and for your family and friends who gave generously.

HOW HAS B4L DONE FINANCIALLY THIS YEAR?

The budget for 12 months to 30 June was: $26,698 Donations since 01 July 2024 total: $22,552.
Thank you all who gave privately or through clubs, organisations or businesses

B4L has avoided a deficit in 2024/45 because only 2 shipments of the planned 3 have left during 2024/25, i.e. expenditure has only been $21,038.

However, there will be 3 shipments during 2025/26, so we seek you help to meet at least this year's budget i.e. about $27.000 during 2025/26. **DONATE NOW** – see the end of the newsletter
