Co-President David Simpson with guest speaker Ada DeDuonni, from Scammell & Co. Ada spoke on Wills and Estate Planning, Powers of Attorney and Advance Care Directives

Ada DeDuonni, a solicitor from Scammell & Co. Lawyers delivered an informative presentation on estate planning, highlighting the importance of preparing not only a valid Will, but also an Enduring Power of Attorney and an Advance Care Directive. The firm has been operating for almost 140 years and has a large practice dedicated to wills and estates.

The speaker explained that effective estate planning involves understanding a person's assets, liabilities, family relationships and wishes, ensuring that these are reflected in legally sound documents. A will determines who will administer an estate, who will receive assets, and how personal wishes, such as funeral arrangements, are to be carried out. Powers of Attorney and Advance Care Directives are equally important because they allow trusted people to make financial, legal and medical decisions if a person loses capacity during their lifetime.

Considerable emphasis was placed on ensuring wills are correctly prepared and executed. Common mistakes, including handwritten alterations, removing staples, using different coloured pens or failing to appoint an executor, can delay probate and create unnecessary legal costs. Homemade will kits may be suitable in simple

circumstances but are often completed incorrectly, resulting in complications after death.

The speaker also discussed the growing number of estate disputes. Changes to South Australian succession laws now require courts to give greater weight to the wishes of the deceased when considering family provision claims. When someone is intentionally excluded from a will, it is advisable to prepare a separate statutory declaration or affidavit explaining the reasons. This confidential document can provide valuable evidence if the will is challenged.

Superannuation was identified as a major component of estate planning because it generally does not automatically form part of an estate. Binding Death Benefit Nominations are essential to ensure superannuation is distributed according to a person's wishes and in the most tax-effective manner. Adult children may face tax on inherited superannuation, making professional advice particularly important.

The role of an executor was described as significant and demanding. Executors are responsible for obtaining probate, collecting assets, paying debts and taxes, administering the estate and ensuring beneficiaries have an opportunity to make claims before distributions are made. Choosing an organised, trustworthy and financially responsible executor is therefore critical.

The presentation also covered issues relating to blended families, stepchildren and testamentary trusts. Recent legislative changes have expanded the ability of stepchildren to make claims in certain circumstances, particularly where their biological parent contributed to jointly owned assets. Testamentary trusts can provide tax advantages and protect assets for beneficiaries, particularly in cases involving vulnerable beneficiaries or relationship breakdowns.

Throughout the presentation, attendees were encouraged to review their estate planning documents every two years or whenever significant life changes occur. The overall message was that estate planning is not a "set and forget" exercise but an ongoing process that should evolve with changing personal and family circumstances.

Some snippets about our WBR Celebration of the past 12 months of "Friends of Rotary"FoR

This occasion was significant for our WBR for several reasons With that in mind, we were keen to have Keith Conlon to be our Key-note Speaker. Our Kevin Tiggemann was the key link to Keith.
Our Tiggy employed Keith's daughter, Greta, for several years including providing travel to work(about 30 years ago). Keith no longer does the "Rotary Circuit" presentations so we were privileged and fortunate to have him address our group. A wonderful presentation by Keith and his presence gathered many extra attendees....85 were along in total.
This timing was great for the Member and badge presentations that were in place for the evening.(See photos)

Special thanks to Annalisa Tiggemann who was our photographer on the night....numerous photos plus some video of Keith Conlon.
The photos will assist us greatly when we are putting some face book posts together covering this event. You can see the quality of the photos
taken by Annalisa.

The Inducting by Co-Pres Ed King of new members of Carolyn Palmer, Karuna Veerapen and Frank Bunnik was a highlight. There will be a further two new members Inducted on 18th August Friends of Rotary next event. The protocols of the membership process takes some time.
The badge presentation to our 22 Friends of Rotary who have come on board for the FoR formal experience for 26/27. The minor cost for this is $50 for a single, or $80 per couple.

For others wanting to take up this path, then please email warren.hobbs53@gmail.com
There was also a badge presentation to our Community Partners and Clubs. This is a badge for the Club (not individuals) as a symbol of recognition and relationship between WBR and each of those Clubs.
Plus we had a good representation of our WBR members and Partners. And our regular visitors once a month from West Torrens Rotary Club were along(usually 7 or 8 regulars).

Just when we thought we had enough going on, we thought it would be a great occasion to have the Amadio Wine Tasting Booth at this event..
Paul Amadio and partner Helen plus Sebastian Amadio, all made the Booth an enjoyable experience....and several wanted that experience to be ongoing so they bought some of the great Amadio Wine for later on. Thanks to all for supporting our wonderful Sponsor, who are ongoing providing a quality Amadio Shiraz for each of our Speakers over a 12 month period. If you do the arithmetic, that saves our club over $1000 each year. So please support Amadios whenever you can.
Paul spoke briefly of the Amadio best sellers. Paul never declines any of our requests and seems to greatly enjoy the WBR experience. His group always attends as paying attendees.

Then to the Keith Conlon Key-note experience. The format was arranged as an "On the Couch" between two pals....seated on two bar stools.
Our Tiggy asked the questions, and Keith responded passionately, keeping it relevant to the interests of our group. We all loved our Keith Conlon experience.
No wonder he was on TV with Postcards for o0ver 15 years and was endearingly nick-named "Mr South Australia"

A sincere thank you to our Engagement Committee some of whom work quietly in the background.....Kevin Tiggemann for Speaker followup, name tags and seat allocation,
John Christo at attendance making it all happen smoothly and liaison with Venue re meals on the night, Ron Harris at Welcome and general support and New Member arrangements,
Robert Ryan as MC and Introducer, Tarn McIntosh for promotion and face book, Barbara Wheatcroft in making Try Booking happen (Try Booking is used by around half of all attendees on FoR events). A well oiled team that now has a clear process in making the events happen monthly and keeping sight of key EC goals to make a real difference to the future of our Club.

A look ahead to the next Friends of Rotary event to be held Tues 18th August.
Our Speaker is Marc Ryan aka The Beautiful Bogan.
Marc is a stand-up comedian and Fringe regular for over 10 years. We will learn a lot about Mental Health, and have a few laughs along the way. Plus we have a Support

Bunnings BBQ Correspondence

Hi Anna (Airport Bunnings BBQ Organiser)

Thanks for the attached dates offered to West Beach Rotary in your recent email..

We have signed the three confirmations for 18/7, 30/8 and 18/10 and were pleased to be offered these. Thank you....we do appreciate it.

We are always keen ongoing to do approx one Bunnings BBQ per month if that is available to our Club.

To cover a cancellation we could do but may need at least 7 days notice.

Plus we are pleased to cover the upcoming Fathers Day Family night on Thurs 3rd Sept from 5pm to 7pm providing 4 volunteer team members.

Our team will enjoy to do that in that Family Night environment.

We presume that occasion is not held on actual Fathers Day date which is on Sunday 6th Sept?

On that Family Night will you provide instructions?....are we to set up and pack up as well? We are happy with whatever the path....just let us know.

Just an update that the WBR contact point is Brian Tucker email tuckbrian47@gmail.com and mob 0408 824581.(which is where you correctly sent your email)

Brian has asked me to respond on his behalf for this email as he is in Qld without his laptop to scan and return

Anna ....congratulations to Eve and yourself for the excellent job you both have done over the past few years.

A difficult job handled with care, compassion and efficiency.

I personally have fond memories of Eve and you arranging a special "Book Week" occasion last year for Bunnings Customers and for Bunnings team members.

What a great concept...clearly generating enormous goodwill for customers and team alike. Well done. That is just one example that comes to mind.

Please forward this email to the Airport Bunnings Manager for awareness of some of this Bunnings history with past successful activities.

Please email this onto Eve as well with our thanks....great memories.

We look forward to ongoing links with Airport Bunnings

Best wishes, West Bech Rotary BBQ Team

West Beach Rotary BBQ Team

Hi Brian, David and West Beach Rotary,

Thank you for your kind words. You have been an excellent group to work with and we have appreciated all your professionalism and ease. I have passed on your request for a BBQ once a month to the new activities organisers but please always reach out if needed.

Thank you to agreeing to do the Father's Day Family Night. We always do these nights on the Thursday closest to the actual event. So this one lands on the Thursday before the actual Father's Day. Yes, we would appreciate if your group could arrive at about 4pm to help setup and have food cooked for a 5pm start. We will provide all the supplies (sausages, bread, onions, sauces etc.). We won't be providing drinks. The event runs till 7pm so it would be also greatly appreciated for your volunteers to pack down the BBQ at this time.

I have mentioned to Maddie how wonderful the Rotary book shop is and that maybe she could come out again to purchase some books for Book Week.

All the best,

Anna
